About the College

K.G. Joshi College of Arts & N.G. Bedekar College of Commerce is the first institution of higher learning established in Thane City in 1969. Strategically located, the college is at a walking distance from Thane Railway Station on the Central Railway line. It is well connected by bus services to every part of the city including Navi Mumbai. The College received permanent affiliation in January 1988 with effect from June 1982. It was awarded with B++ grade in January 2004 by National Assessment and Accreditation Council (NAAC) set up by UGC, reaccredited with 'A' grade in the second and third cycle of January 2011 and November 2016 respectively. The college has a tradition of conducting National / International conferences every year based on various themes.

About the Departments

The accountancy department is one of the oldest departments of our college which has catered to the various requirements of the students. Being of relevance in the context of employability of students, a lot of efforts are taken to help them to learn the practical aspects which are applied by the Industry at large. Knowledge is imparted to the students through ICT, guest lectures, PPT presentations etc. The department has always boasted a blend of learned faculties who bring out professional approach while imparting knowledge to the students. The department has been instrumental in creating galaxy of alumni like CFO's, CA's etc.

Theme Note

Businesses are adopting the ABC's of global trends-Artificial Intelligence, Blockchain, Cybersecurity in the field of Accountancy Finance & Taxation. Accounting taxation finance plays a key role in the functioning of any business. With the recent global financial crisis and expanding businesses, a presence of strong accounting and auditing systems are required. Digitization is the key aspect that needs to be taken into consideration while adapting to global trends. Many firms are embracing trends like cloud computing, automation, social media strategies, etc in the field of accounts, finance & tax. Thus, this conference aims at bringing to the surface expertise in the various related fields and enabling fruitful discussions at National and International levels. We invite research paper for this theme or any other related sub-theme

Sub Themes:

- Artificial Intelligence and Auditing
 - Block Chain
 - Cyber Security
-

-
- Data Analytics
 - Reg-Tech (Regulatory Technology)
 - Cloud Computing and Accounting
 - Accounting Standards
