

हितगुज ...

‘वाचाल तर वाचाल’ ही म्हण आजच्या युगात किती समर्पक आहे, हे आपण सगळे जाणतोच; परंतु आजच्या तरुण पिढीला खरंच याचं महत्त्व कळत आहे का ही आजच्या सर्व पालक-प्राध्यापक वर्गासाठी चिंतेची बाब असल्याचे दिसून येते. आज समाज माध्यमांच्या वाढत्या मायाजालात वाचनवेडी पिढी दुरापास्त झाली आहे. इंटरनेटमुळे जगभरातली माहिती एका क्लीकवर मिळवणे सहज शक्य झाले आहे. माहितीच्या देवाण घेवाणीचा, संवादाचा वेगही प्रचंड वाढला आहे. समाज माध्यमांनी प्रांत, धर्म, लिंग, भाषा असे बरेच अडसर दूर करत माणसांना एकत्रही आणलं; परंतु माहितीच्या या सहज उपलब्धतेचा परिणाम आपल्या विचारशक्तीवर, अभ्यासवृत्तीवर, वाचन आणि लेखन संस्कृतीवर होताना दिसत आहे. पुस्तकांपासून दुरावत चाललेल्या ह्या नव्या पिढीला परत पुस्तक जगताकडे आकर्षित करणे गरजेचे आहे आणि हे वेळीच ओळखून युवाशिल्प समिती त्यासाठी सतत नवनवीन कल्पना राबवत असते. अधिकाधिक विद्यार्थ्यांना ‘युवाशिल्प’च्या लेखनकार्यात सामावून घेण्याचा यशस्वी प्रयत्न समितीने केला आहे. आजच्या काळाला अनुरूप असलेले विविधांगी लेखन करण्यासाठी महाविद्यालयीन लेखकांना नेहमीच प्रेरित केले जाते.

प्रत्येक शैक्षणिक वर्षातील अशा प्रकारच्या सर्व कार्यांचा, उपक्रमांचा अहवाल आणि महाविद्यालयाच्या प्राध्यापक, विद्यार्थी मित्रांच्या लेखनाचे प्रकाशन म्हणजे ‘युवाशिल्प’ हा अंक! ‘युवाशिल्प’ मुळे विद्यार्थ्यांमधील लेखनवृत्तीला चालना देण्याचे उद्दिष्ट तर साध्य होतेच, परंतु त्याचबरोबर आपले विचार, भावना व्यक्त करणे आणि आपली प्रतिक्रिया योग्य शब्दात मांडणे यासाठी विद्यार्थ्यांना प्रोत्साहित आणि प्रेरित केले जाते. त्याच प्रमाणे वेगवेगळ्या परीक्षांमध्ये उल्लेखनीय आणि अभिमानास्पद कामगिरी करणाऱ्या गुणवंत विद्यार्थ्यांचा गौरवही ‘युवाशिल्प’च्या अंकात आवर्जून केला जातो.

आपल्या जोशी-बेडेकर कॉलेजच्या प्रत्येक शैक्षणिक वर्षात सातत्याने राबवले जाणारे निरनिराळे उपक्रम म्हणजे विद्यार्थ्यांच्या जीवनातील महत्त्वपूर्ण व्यासपीठच असून त्यांच्या अंगभूत गुणांना वाव मिळवून देणारा सशक्त असा मंच आहे. महाविद्यालयीन शिक्षण पूर्ण करून जेव्हा व्यावहारिक जगात विद्यार्थी पाऊल टाकतात, तेव्हा त्यांच्या गुणांची समाजाला ओळख होऊ लागते, परंतु खऱ्या अर्थाने विद्यार्थ्यांचे व्यक्तिमत्त्व घडवण्याचे, त्यांच्या कलागुणांना झळाळी आणण्याचे काम महाविद्यालयातच होत असते. आणि म्हणूनच विद्यार्थ्यांच्या शैक्षणिक गुणवत्तेसह कलात्मक गुणवत्तेलाही तेवढेच महत्त्व देणे हीच जोशी बेडेकर कॉलेजची नित्यनेमाने जपली जाणारी अखंड परंपरा! वाचनसंस्कृती जपण्यासाठी विद्या प्रसारक मंडळाचे अध्यक्ष डॉ. विजय बेडेकर विविध उपक्रमांतून विद्यार्थ्यांना प्रोत्साहित करित असतात. ‘युवाशिल्प’ अधिक दर्जेदार, वाचनीय व्हावे यासाठी महाविद्यालयाच्या प्राचार्या डॉ. सौ. सुचित्रा नाईक मॅडम यांचे मार्गदर्शन मोलाचे आहे आणि याच परंपरेचा एक अविभाज्य घटक म्हणजे आपला हा वार्षिक अंक - ‘युवाशिल्प’!

युवाशिल्प आणि आपल्या महाविद्यालयातील विद्यार्थ्यांचे एक अतूट नाते आहे. या वर्षीचे ‘युवाशिल्प’ कधी येणार सर? हा अनेक विद्यार्थ्यांकडून येणारा प्रत्येक वर्षीचा प्रश्न युवाशिल्प अधिक दर्जेदार आणि सकस साहित्याचा दस्तावेज व्हावा यासाठी युवाशिल्प समितीला प्रोत्साहित करित राहतो.

युवाशिल्प समितीच्या या सर्व कल्पनाविष्कारांचा सकारात्मक परिणाम म्हणजे दर वर्षीच्या अंकात विद्यार्थ्यांचा वाढता सहभाग. यात नियमित लिहिणारे आणि प्रथम लिखाण करणारे विद्यार्थी, शिक्षक व कर्मचारी यांचेही योगदान असते. २०१८-२०१९ महाविद्यालयाचे सुवर्ण महोत्सवी वर्ष आहे. महाविद्यालयाच्या अनेक आजी-माजी विद्यार्थ्यांच्या उत्स्फूर्त सहभागाने आणि उदंड प्रतिसादाने हे सुवर्ण महोत्सवी वर्ष संस्मरणीय ठरले. या सर्व घडामोडींचा उल्लेखनीय आढावा आपल्याला या ‘युवाशिल्प’ मध्ये वाचायला मिळेल. त्याचबरोबर यात अंतर्भूत केलेले विद्यार्थ्यांचे कसदार, भावस्पर्शी व विविधांगी लेखन आपल्यातील प्रत्येकाला नक्कीच आवडेल आणि इतर विद्यार्थी वाचक वर्गाला प्रेरणादायी ठरेल अशी आशा व्यक्त करतो.

Principal's Report

(January 2018 to December 2018)
As read at the Annual Day Function

The progress of an institution is of interest to all the stakeholders of the institutions viz.

- Mother body, Vidya Prasarak Mandal
- Parents
- Teachers
- Administrative Staff
- Most Importantly, students
- Chief Guest of our function, Mr. Ashok Samel, who represents elite class of Thane City.

Hence the purpose of this report is dual, firstly to put on the record, the graph of our annual progress and hold mirror before us, second to receive inputs from the stakeholders, prepare a plan for our further march.

The report comprises of two components,

1. Current Status
2. Annual Accomplishments and Future Goals

Functional Unified Placement Cell

Through various such activities our effort is to bring every student in the main stream.

Our mother institution has taken a step ahead in this respect by establishing a special Unified Placement Cell. All these things have become possible only due to vision of our Chairman Dr. Vijay Bedekar and unconditional support of the entire Management.

Swaranjali

Swaranjali is a special initiative taken by Vidya Prasarak Mandal to cultivate artistic and musical acumen amongst students. Each month, one sister institution of Vidya Prasarak Mandal performs research based literary and music programme, till now, our college has given two performances, one based on semi-classical songs and other on rag malhar.

Future Plans

- Enhancing research activities and deepening research culture among students and teachers
- Trying for start-up through Skill Development Committee
- Starting more NSQF courses
- Starting courses on counselling
- Deepening ISR community based activities

In conclusion I would like to place on record the support of my team Vice Principal Prof. Subhash Shinde and Prof Mrs. Monika Deshpande, Junior college Vice Principal Mrs. Sangita Dixit, Senior Supervisor Mr. Triveniprasad Sharma, all the co-ordinators, Heads of Department. Registrar Ms. Manali Ambekar and the entire supporting staff as well as entire CDC and IQAC. I would also like to thank Surge, for their strong support, especially Adv. Madhavi Naik – President, Shri. Swapnil N. Mayekar – Secretary, Shri.Rajendra Salvi – Treasurer, Dr. Namita Nimbalkar and Advocate Prashant Panchakshari. And also

a few philanthropist of Thane City. I would be failing in my duty if i don't mention the affection and humility of our students and teacher friends, which is a solid pillar of strength for us, in our constant pursuit of excellence, in the field of education.

We believe in 'Student Centric Education'

Pursuit of excellence is a continuous activity and Quality Education, is our promise. Hence I would like to conclude this report with a poem by Harivanshrai Bachhan,

लहरों से डर कर नौका पार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

नन्हीं चींटी जब दाना लेकर चलती है,
चढ़ती दीवारों पर, सौ बार फिसलती है।
मन का विश्वास रगों में साहस भरता है,
चढ़कर गिरना, गिरकर चढ़ना न अखरता है।
आखिर उसकी मेहनत बेकार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

डुबकियां सिंधु में गोताखोर लगाता है,
जा जा कर खाली हाथ लौटकर आता है।
मिलते नहीं सहज ही मोती गहरे पानी में,
बढ़ता दुगना उत्साह इसी हैरानी में।
मुट्टी उसकी खाली हर बार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

असफलता एक चुनौती है, इसे स्वीकार करो,
क्या कमी रह गई, देखो और सुधार करो।
जब तक न सफल हो, नींद चैन को त्यागो तुम,
संघर्ष का मैदान छोड़ कर मत भागो तुम।
कुछ किये बिना ही जय जय कार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

Thank You

I/C Prin. Dr. Suchitra Naik

The Career Guidance and Placement cell has entered into MoU with reputed organization “**Techno serve**”. The cell provides online registrations facility for current TY/MA/Mcom students for placement purposes. The database created will be of immense help to be in touch with ex-students. It will help to inform them through Email & Social

Networking site like Facebook and whatsapp groups about campus placement opportunities.

The cell has also started the use of “**Googleforms**” for taking registrations of students for placement week which has helped increase the efficiency of the placement process.

Film Society

‘VPM’s Joshi-Bedekar College Film Society’ promotes the creative acumen of students and teachers/staff by screening critically acclaimed films across the globe. The Film Society is affiliated to Federation of Film Society of India (FFSI), an apex body guiding and helping the Film Society movement started by Satyajit Ray in 1959.

On 4th August, 2018, The Film Society organized Screening of Film *Buddha in Traffic Jam* (2014) directed by Vivek Agnihotri. The film narrates the story of a professor who advocates his business students about the need of a revolution in India and the world at large, also sampling themes like corruption, naxalism, campus politics, moral policing and crony capitalism.

On 18th August, 2018, The Film Society organized screening of Film *thePost* (2017) directed by Steven Spielberg. The Film depicts the true story of attempts by journalists at The Washington Post to publish the Pentagon Papers, classified documents regarding the 30-year involvement of the United States government. The film advocates freedom of media.

On 8th March 2019, The Movie *Animal Farm (1999)* was screened. It is a made-for-TV film released in 1999 by Hallmark Films and broadcast on the American cable channel TNT. It is an adaptation of the 1945 George Orwell novel of the same name. The film tells the story of farm animals successfully revolting against their human owner, only to slide into a more brutal tyranny among themselves.

On 11th March, 2019, a play *Shantata! Court Chalu Aahe (Silence! The Court Is in Session)* was screened. It is a Marathi play written by playwright Vijay Tendulkar and

first performed in 1967, directed by Arvind Deshpande, with Sulbha Deshpande as the main lead. The play was written in 1963, for Rangayan, a Mumbai-based theatre group, though it was performed much later. It was inspired after the playwright overheard the conversation amongst the members of amateur theatre group traveling on Mumbai local train to perform a mock-trial at Vile Parle suburb. The play was based on a 1956 novel, *Die Panne* (Traps) by Swiss playwright Friedrich Dürrenmatt.

On 23rd March 2019, VPM Joshi Bedekar Film Society organized a Screening of critically acclaimed Movie *the Man who Knew Infinity (2015)* directed by noted director, Matthew Brown. The Man Who Knew Infinity is a 2015 British film about the Indian mathematician Shrinivas Ramanujan. The film stars Dev Patel as Srinivasa Ramanujan, a real-life mathematician who after growing up poor in Madras, earns admittance to Cambridge University during World War I, where he becomes a pioneer in mathematical theories with the guidance of his professor, G.H. Hardy, portrayed by Jeremy Irons.

Students were inspired to see the struggle of Shrinivas Ramanujan in Trinity College, Cambridge University. In the post-screening discussion students discussed the core issues of film direction like Plot, casting, theme, point of view and Cinematography. Students and staff members were present for the screening in large numbers. The session was moderated by Prof. Prashant P. Dharmadhikari, Convenor, and VPM’s Joshi Bedekar Film Society.

Chrysalis

“CHRYSLIS” an annual inter-collegiate management event of self-financing department is organised every year “By the students, Of the students and For the students” in the month of September. This year’s theme for Chrysalis-2018 was **PRAYAS – Professionalism, Results in, Achievement, HappYness, Aspirations and Success.**

It covers a wide range of events connected to various academic curriculums of BMS, BBI, BMM, BFM & BAF courses where the students get a chance to showcase the talents by organising various events creatively. It also provides a platform for organising various panel discussions and thoughtful session by various prominent speakers.

This year we started with our first day of the entire event on 5th September, 2018 with “Cleanliness Drive”. On this day we took up the opportunity to felicitate those who continuously with their efforts keep their efforts keep our surrounding clean (Sweepers, Peon, etc). Along with this our students of Chrysalis - Chrysalites also took up the charge of cleaning of our own campus.

Our second day event was a Youtuber’s meet on 6th September, 2018. A panel discussion of Youtuber’s – Mr. Saurabh Sinha, Mr. Mayank Bhattacharya and Mr. Hrishikesh Patil & Mr. Yashodhan Tak from Cafe Marathi, was conducted by our Student - Chrysalites. Here the speakers positively connected to the students audience and shared their thoughts and ideas about their PRAYAS – (a journey of becoming a youtuber). How a combination

can be made of your hobbies and professionalism to gain success.

On the 8th September, 2018 the main event was inaugurated by our principal mam – Dr.Mrs. Suchitra Naik, Chrysalis Co-ordinator Ms. Purva Gaikwad, Chrysalis Co-ordinator Ms. Sindu Natuvetty and eminent key speaker Dr. Sumit Chaudhary shared his ideas on “Professionalism” to students through his book “The rule of the game”. This session was followed by a talk by Ms. Renu Gavaskar who interacted with students about the contributions to the society. A panel discussion was organised which was graced by Ms. Dyanada Kadam – TV news reporter, Mr. Nitin Gangal – Advocate, Mr. Prasad Tokekar – Corporate Professional. They spoke about their views of professionalism in their respective areas of work.

On the same day various creative media events like short films, one short, was conducted and management events like case-study, was conducted by Chrysalites. For which nearly 40 colleges participated in the event and graced by more than 200 students being a part of Chrysalis.

The program was marked with an end by valedictory session where the sponsors were felicitated for their support in conducting the event. The rolling trophy was won by MCC College, Mulund. The journey of Chrysalis – 2018 PRAYAS came to an end for this year.

Navrang

Our College Annual fest 'Navrang' is the event that students eagerly wait for. Apart from the fun, frolic and platform that it offers to students to exhibit their talents, the festival is also an acid test of some students' managerial skills, as well as the flexibility in decision making of the teachers. In this entire process of organizing Navrang, teachers and students always work together.

This year the celebration of Navrang days started from 14th December 2018 and various days like khadi day, Green day, Prosocial day and so on were celebrated.

The Cultural festival, Navrang was organized on 17th Dec 2018 and from 20th Dec.2018 to 24th Dec 2018.

Annual Sports Day was held on 17th December 2018 on the college grounds which was followed by Musical chair for supportive staff and teachers. Indoor and outdoor games were held for students, teachers and supportive staff this year too.

Navrang festival was inaugurated by I/C Principal Dr. Suchitra Naik. Many competitions in Performing arts, Creative arts and Theatre were conducted. Students

responded with great enthusiasm in the fest thereby helping to fulfil the aim of reaching out to majority students. This year's Rolling trophy was won by SYJC commerce class.

This year's attraction for Navrang 2018 was the exhibition organized by our college students wherein many articles made from waste were exhibited and sold. Also various fun games like word search, Hula Hoop, Tiny tales were introduced.

Navrang festival concluded with the Annual Prize Distribution on 24th Dec. 2018. Well known theatre personality, writer, actor and director Mr. Ashok Samel graced the occasion as the Chief Guest. I/C Principal Dr. Suchitra Naik presented college report and a number of prizes including endowment prizes were awarded to deserving students.

Students' council of the college contributed greatly towards the success of Navrang and exhibited zeal, enthusiasm, team spirit and tactful skills in overall management of the fest.

Release of ऋTA 2019

Department of Mass Media this year too contributed enormously in making the release of ऋTA, the annual newspaper more innovative and informative. Stepping in its 9th edition and promising magnifying content every year, it was released on 17th January, 2019 by celebrated Journalist Ambrish Mishra. This year's theme was 'Rainbow of Happiness'. VPM's Chairman Dr. Vijay Bedekar, I/C Principal Dr. Suchitra Naik, Co-ordinator of B.M.M, Dr. Mahesh Patil and other dignitaries graced the occasion.

The program began with a formal introduction and felicitation of all guests. A total of 16 pages newspaper, it is an amalgamation of English, Hindi, Marathi, Urdu and Sanskrit languages. With a motive to groom the budding Journalism students and give them 1st hand media experience, this newspaper was started. The principal in her address stated the significance of writing, its eternal

beauty and how the students should embrace it. She expressed a sense of hope that with our tremendous reading and writing habits, even we can bag the Jnanpith award. Dr. Bedekar stressed on the meaning of ऋTA, stating that homeostasis is the root of one's thinking as well as behavior which is the main idea behind ऋTA.

The important attraction of the release ceremony was the explicable knowledge imparted by Mr. Ambrish Mishra. He was talking about Creativity and its importance in our life. "Our creativity should explore in all fields like philosophy, sports, psychology and we must inculcate good values through experiences". He revealed the hidden meaning of creation and creativity and suggested that we all should possess curiosity, inquisitiveness about life. Mishra being a scholar in literature, advised the students

to learn and observe the nature and its alchemy. He shared some of his experiences and anecdotes in the field of Journalism and quoted the lines of famous poet Grace who attained creativity through his innovative ideas. He recommended the students to make accurate use of language and nurture the talent in them. He told that innocent mind and perseverance are key factors to lead a happy life.

Apurva Bodhare, the editor-in-chief of ऋTA and her entire team received accolades for their diligent efforts. The support and guidance of Dr. Mahesh Patil, Dr. Prashant Dharmadhikari and Dr. Vimukta Raje, contributed to make this edition of ऋTA memorable.

First session of this workshop included a talk by Dr. Nidhi Thanawala (Coordinator BMM - media course at HR College) on the topic Happiness through Art. In her speech, she has emphasized how happiness can be experienced in little things. With reference of some scientific studies and theories, she explained how to achieve the happiness in day to day life, stressing the power of happiness.

Second session was conducted by Dr. Sanjay Ranade (Head and Associate Professor, Department of Communication and Journalism, Mumbai University) on the topic ‘Happiness through Music’. Taking various references from Philosophy, Yogashastra and Natyashastra he has elaborated the concept of ‘health’. He has explained with illustrations how music can be used as a therapy for various physical as well as psychological diseases and the strengths as well as limitations of music as a therapy.

Curtain Raiser to Conference

A curtain raiser program was carried out on 17th January, 2019, which included the release of college newspaper Rta. Associated with the theme of conference, theme of Rta was ‘Rainbow of Happiness’. Chairman of VPM Dr. Vijay Bedekar has addressed the audience on this occasion. He has elaborate on how happiness could be a process that requires hardships and efforts. Dr. S.E. Bhelke (Former Professor and Head of Department of Philosophy at Savitribai Phule University) and Shri. Ambarish Mishra (Author, poet and Journalist) were chief guests and speakers for the curtain raiser program. Dr. Bhelke has spoken on the topic-Happiness through Art. In his speech he has spoken about the stages of pleasure and aesthetic joy. He has also elaborated the concept of exaltation. Ambarish Mishra has spoken on the topic ‘सृजनाचे डोहाळे’. While emphasizing on the troubles one might have to go while creating something, he has spoken about essential things to facilitate creativity. These things include perseverance, hard work and complete involvement. Thus, creation is a process which may not take place very easily.

Conference Inaugural Program

The conference started with speech by **Guest of Honour Dr. Anand Nadkarni** (Founder/Director of Institute for Psychological Health-IPH) and **Key Note Address by Dr. Pradeep Gokhale** (Ex-Dr. B. R. Ambedkar Research Professor, Ex Professor, Savitribai Phule University, Pune). Dr. Nadkarni has spoken about History of Happiness and how human beings have evolved in the experience of happiness from pleasure to bliss. He has related the happiness with neuroscience and development of brain and spoken about how ultimate happiness is a new concept. Dr. Pradeep Gokhale has presented different models of happiness with through analysis of each one. He has presented a vision of good life. While speaking on relationship between happiness and welfare of others he has highlighted the significance of moral discipline and how it brings the well-being.

Plenary Sessions

In all there were four plenary sessions were conducted. Dr. Aakash Singh Rathore (Professor, author and an Ironman Tri-athlete from U.S.A.) has spoken on the topic-‘Eudaimonia as Happiness and Exemplarity.’ He has spoken about how the happiness can be achieved through human prosperity. The session was chaired by Dr. S. E. Bhelke.

Dr. Urmi Nanda (Professor and Head of Department of Psychology at M.S. University of Baroda, Vadodara.) explored pursuit of happiness from Positive Psychology Approach. She has spoken about how the school of Positive Psychology has evolved, research in the field and the current status of the movement. She also presented the Flow Theory. Chairperson of this session was Dr. AnuradhaSovani (Head, Department of Psychology, SNDT University, Churchgate)

Dr. Franklyn Abbot (Clinical Social Worker and Psychotherapist from U.S.A.) has spoken about 'Happiness and Seven Senses'. His speech has presented a beautiful analysis of how happiness is derived from connecting with others as well as self. He called the empathy to others and connection with self as two additional senses which play important role in experience of happiness. Dr. Namita Nimbalkar (Associate Professor, Department of Philosophy, Mumbai University) was chairperson for this session.

Dr. Michael Schulz (Professor of philosophy of Religion, University of Boon, Germany) has delivered the session on 'Happiness and Good Life- Aristotle's Ethics in Latin America'. The session was chaired by Dr. Amita Valmiki (Associate Professor, RamniranjanJhunjhunwala College)

Panel Discussions

Two panel discussions were also included in the conference. Panel discussion on first day was on the theme '**Discourse of Happiness-Dimensions of Philosophy and Psychology**'. Panelists for this session included Dr. S.E. Bhelke, Dr. Umashankar (Principal, SIES College, Sion) and Dr. Neeta Mehta (Associate professor, Psychology, V.G.Vaze College). The discussion was facilitated by Dr. Prashant Dharmadhikari (Asst. Prof. BMM, Joshi Bedekar College). Dr. Umashankar has emphasized that happiness is a choice, a decision and a state of mind. According to her the experience of few things not being there can define the state of happiness i.e. lack of pain, lack of anxiety which may even hurt others, lack of disturbance and so on. Humbly stating herself as student of Psychology, Dr. Mehta said that Psychology is yet to churn a lot on concept of happiness as for long time the focus has remained on the mental illness and disturbance. Dr. Bhelke has spoken about the relationship between happiness and spirituality with reference to Vedantic Philosophy.

Theme for second panel discussion was '**Happiness Kaleidoscope**'. The panelists included Swami Shrikantananda (Head of Pune Center of RamkrishnaMath and Mission), Dr. Urmi Nanda Biswas, Dr. Johan Maertens (Psychologist and Psychotherapist specialized in management coaching and group dynamics in Brues, Belgium), and Rtn. Kathleen Van Ryssenghem (Board member of Rotarian Action Group for addiction Prevention,

Past president and District Governor of Rotary International). The discussion was facilitated by Dr. AnuradhaSovani. Dr. Nanda has spoken about psychological perspective of being happy and also given some very practical tips to create and increase happiness in day to day life. Swami Shrikantananda has elaborated on how he followed Swami Vivekananda's principles. He spoke about the happiness which can be found within ourselves and stated that finding such happiness is not unreal but very much possible. He stressed how India has a significant place in the world and world would not be a happy place if India ceased to exist. Rtn. Kathleen has highlighted the importance of helping others with reference to her own life examples in order to create happiness. Dr. Maertens has spoken about the psychoanalytic perspective to happiness. He has also spoken about how preventive approach is important in treating addiction in youth. According to him it is necessary to teach the youth certain social skills so that they don't feel the need to abuse substances to reduce tension.

Technical Sessions/Paper Presentations

Technical sessions were divided into four themes, according to the topics of research papers presented in each one. Themes included 'Happiness and Spirituality', 'Pathways to Happiness and Wellbeing', 'Happiness in everyday spheres' and 'Life, Happiness and everything in between. Report of the Educational Tour of Indian Students, Teachers and Parents to Oxford, Cambridge & London 15 To 25 May 2018

Over the past two decades the Vidya Prasarak Mandal, Thane (VPM Thane) has established links with the League for the Exchange of Commonwealth Teachers (LECT) and Commonwealth Association of Science Technology and Mathematics Educators (CASTME). VPMT, in collaboration with these organizations, has been arranging exchange visits of academicians between United Kingdom (UK) and India. It has hosted a number of visits of British Teachers to India. Alongside, it has also arranged numerous educational tours of Indian teachers, students and parents to UK since 2004. These visits offered them a blend of academic as well as social interaction in England. As a result, many of them reaped great benefits from these visits.

Vidya Prasarak Mandal, Thane, has organized an educational tour to UK from 15 to 25 May 2018. Oxford, Cambridge and London have much to offer to students in terms of educational opportunities. Oxford and Cambridge are the towns of academic institutions while London is a financial city with large number of museums and libraries. This tour included visits to educational institutions, museums and libraries. It also provided a rare chance of interaction with local people and academicians in UK at different levels of education. A special tour of the places associated with Indian Revolutionaries like V.D. Sawarkar, Lokmanya Tilak etc. in London was an added attraction.

The tour comprised visits to the following places.

I. Oxford

1. History of Science Museum
2. Ashmolean Museum
3. Oxford Center of Hindu Studies
4. Natural History Museum
5. Botanical Garden
6. Bodleian Library

II. Cambridge

1. American Cemetery
2. Zoology Museum
3. Sedgwick Museum of Earth Sciences
4. Folk Museum
5. Trinity College
6. Museum of Archaeology

III. London

1. British Museum
2. British Library
3. Greenwich Observatory

4. Maritime Museum
5. Science Museum
6. Victoria & Albert Museum

British Library which is situated at the heart of London possesses manuscripts of the great novels of Jane Austen, Thomas Hardy, P.B. Shelly, Dickens, Bronte sisters etc.. The students have seen the manuscripts of the famous poem "How I love thee, Let me count the ways" written by Elizabeth Barrette Browning and were marveled by looking the handwriting of these great writers. In the special section called "Treasures of British Library" they saw some of the ancient manuscripts of Bible, remarkable among them was, William Tyndale's translation of Bible in 1536. There was a music section where the audio tracks of poems and speeches of great poets and novelists are preserved in their own voices. The students were thrilled to listen to the W.B. Yeats' recorded voice reciting his poem "The Lake Isle of Innisfree". The handwriting of T.S. Eliot in his path-breaking masterpiece "Waste land" was remarkable one. Students have seen one rare manuscript from 18th Century. It was Saint Dnyaneshwar's commentary on Bhagavatgeeta popularly known as Dnyaneshwari. It was embellished with rich tapestry, colours and fine binding. All the Sacred Books of all the religions were kept in a palpable manner. Buddhist Texts, Jain manuscripts, Hebrew Bibles, Geeta, Japanese texts, Chinese texts etc were the valuable additions to the British Library.

Dr. Prashant P. Dharmadhikari along with the students of Mass Media Department: Inara Gulmani, Sanjana Patil, Kunal Jadhav, Aneesha Bhoumik have participated in this academic tour. Dr. Suchitra A. Naik, I/c Principal, Joshi-Bedekar College has extended the support and guidance to our students. These students have learned about the higher education set-up, the career opportunities, scope for further studies, research culture, discipline and patriotic zeal of UK. Visit to Trinity College, Cambridge, was a turning point in many of their lives. They walked on the corridors of Trinity College where once a scientist like Newton and Indian Mathematician Shrinivas Ramanujan treaded the path It was a thrilling moment for them. These students have developed writing skill. They have started writing blogs and prepared short films on the insights they have gained from the UK tour. Dr. Vijay Bedekar, Chairman, Vidya Prasarak Mandal and Dr. Sudhakar Agarkar, Dean, VPM's Academy of International Education and Research have acquainted the students with the educational ambience of UK. The informative lectures given by Dr. Vijay Bedekar and Dr. Agarkar were the true assets of this tour. Dr. Vijay Bedekar opined that we have to acquire the research culture and

academic discipline of British people to succeed in life. There used to be a brain storming session every evening where all the 25 participants used to read their respective diaries. Interactive sessions with the Indians living in UK were

organized. The tour was a unique blend of academic and professional skills to be acquired by the students in the changing paradigms of higher education on global platform.

Dubai Industrial Visit : A Lifetime Experience

VPM Joshi Bedekar College conducted an Industrial visit to U.A.E on 26th Feb 2019. The visit was indeed a huge success which gained lots of knowledge and experience to the young minds of our college.

Our Visionary principal Dr. Suchitra Naik who always look forward to bring new opportunities for students had initiated the very first Industrial visit to enhance learning in an innovative way. The group of 30 students from various courses were guided by Hon'ble Chairman Dr. Vijay Bedekar and Prof Dr. Nitin Joshi, Dr. Neelam Shaikh and Adv. Yatin Pandit sir. The students along with their mentors had a lifetime experience of learning in U.A.E

Students visited 'Al Bhuheria Lacnor Dairies Co.Ltd at Sharjah on 27/2/19. Lacnor is one of the market leaders in juice and milk category and it continues to be a pioneer in development of new products within these categories. The production of milk and juices was explained in detail by NFPC group. Students saw the manufacturing process of Collecting, Separating, Fortifying, Pasteurising, Homogenizing and Packing. The humongous production plant was maintained with hygiene and discipline wherein our students learned about the latest technology, quality control and gained practical experience of the manufacturing process.

The visit to Lacnor was followed by Dubai's famous Desert safari and Panoramic City tour. The Arabian Desert surrounding the city is a sandy landscape where the students had a royal desert experience. The panoramic city tour showcased Dubai's legacy and world class architectures, It included The Burj Khalifa, Dubai frame, The Dubai world trade tower, Princess tower and other skyscrapers of Dubai.

Dubai the 'City of gold' seems to be on an endless mission to impress the world with its Sky high buildings and billion dollar projects. It is hard to believe that 30 years ago Dubai was mostly a dessert. Our students headed towards the Dubai museum to know about Dubai's traditional way of life before 1800s. The Dubai museum depicts the ancient history of Dubai in the form of art galleries showcasing vintage trade systems, craftsmen, vendors, buyers, iron smith, goldsmith, etc which briefs about Dubai's rich heritage and its inspiring success story to the world. Later that day we visited The luxurious "Zabeel Palace" of Sheik Mohammed Bin Rasid Al Maktoum and

the day ended with a beautiful sunset near worlds famous hotel 'Burj Al Arab' on Jumeirah Beach. It was indeed the most beautiful and Awe-inspiring evening of our lives.

The second day started with a lot of enthusiasm in air, students visited The Skyline university College on 28/2/19. It is a business school which offers various programmes in business and IT. The campus of Skyline is spread over 40 acres of land which is located in University city of Sharjah. Sharjah is a city that has been recognised as a hub for education, culture and heritage by UNESCO. The students embraced the opportunity by exploring the campus infrastructure which had well equipped library, Computer lab, Entrepreneurship lab, Case study centres, Auditoriums, Conference rooms and sports grounds etc. Our Hon'ble Chairman Dr. Vijay Bedekar sir addressed the conference at SUC which was held exclusively for carrier guidance, motivation and elevation of young minds.

There was a fun learning session at the Mirzam chocolate factory in the evening. The students had an eye for detail of the chocolate production. The Mirzam team explained the production process of cocoa beans sorting, roasting, grinding, tasting and packaging which left us in awe. It was a delightful experience for all the chocolate lovers.

Dubai is a Sci-fi metropolis that boasts worlds tallest tower 'Burj Khalifa' and worlds largest mall, 'The Dubai mall'. Our students had the pleasure of "At the top" view from 2,722 ft. tall Burj Khalifa; "It felt as if we were on top of the world!" said the beholders. Everyone fell head over heels for 'The Dubai mall'; the lavish Mall had 1200+ stores with other attractions like the Dubai aquarium, Reel cinema (22 screen cinema hall), Cafes, Hysteria (haunted house), Dubai Dino, Ice rink, Kidzenia, The Dubai fountain, Virtual reality park, Human waterfalls, etc. With lots of Shopping, Entertainment and Fun, The visit to Dubai mall and Burj khalifa marked the end of our IV on 1st March 2019.

The team returned India with lots of fun memories, Incredible experience, diverse knowledge and a lifetime learning commitment. The Dubai IV was indeed an ecstatic experience which taught us discipline and Broadened our Imaginations beyond belief !

दहशतवादाचे बदलते स्वरूप

किमया के. तेंडुलकर

S.Y.B.Com

‘दहशतवादाचे बदलते स्वरूप’ ह्याकडे वळण्याआधी मुळात ‘दहशतवाद’ म्हणजे काय? हे आधी समजून घेणं जास्त गरजेचं आहे. जेव्हा काही गट अथवा संघटना धार्मिक, आर्थिक, सामाजिक अथवा राजकीय हेतू ठेवून हिंसक पद्धतीनं हेतूपूर्ती करण्यासाठी जे काही मार्ग अवलंबतात अथवा तत्सम क्रिया करतात त्या साऱ्यांना एकत्रितपणे ‘दहशतवाद’ म्हणतात असं म्हटलं तर वावगं ठरू नये. त्यामुळेच हिंसक मार्ग आत्मसात करणाऱ्या ह्या समुदायांचा त्यांची ‘दहशत’ निर्माण करणं हाच त्यांचा हेतू असतो. शक्यतो अतिरेकी धर्माधता अथवा साम्राज्यवाद ही दहशतवादाची काही महत्त्वाची कारणं ठरतात.

कार्ल मार्क्स ह्या जागतिक दर्जाच्या साम्यवादी विचारवंतांनं धर्माचं वर्णन ‘अफूची गोळी’ असं केलं होतं. पुढे जाऊन आपल्याला असं म्हणता येईल जेव्हा ह्या गोळीच्या आधीन (माणूस म्हणणं गैर ठरेल) ‘जाणाऱ्यांना’ आपण धर्माध अथवा धर्मवेडा असं संबोधतो. धर्माचा अतिरेकी प्रसार करण्याची वृत्ती ही जशी दहशतवादाच्या निर्मितीचं अथवा अस्तित्वाचं जसं एक कारण ठरते त्याचसोबत प्रगत न करण्याची वृत्ती व अविकसित राहण्याचा अट्टहास दहशतवादास पोषकता प्राप्त करून देतो. दहशतवाद म्हणजे निव्वळ विद्रोहक कारवायाच नव्हेत तर ती एक वृत्ती आहे असं प्रामाणिकपणे वाटतं. त्यामुळे असं म्हणता येईल की दहशतवादी कारवायांना संपवून टाकणं (अंशतः) हे तुलनेनं शक्य आहे. परंतु ‘दहशतवादी’ वृत्ती संपवणं हे बदलणाऱ्या दहशतवादाच्या स्वरूपाला संपवण्यासाठी अथवा संपवण्याचा प्रयत्न करण्याच्या दिशेनं टाकलेलं एक प्रभावशाली पाऊल ठरू शकतं.

प्राध्यापक श्रीकांत परांजपे यांनी लिहिलेला ‘दहशतवादः नवी आव्हानं’ हा लेख लोकसत्तांनं १४ ऑगस्ट २०१५ साली प्रकाशित केला. ज्यात दहशतवादाच्या बदलत्या स्वरूपाचा वेध अचूकपणे घेतलेला दिसतो. ह्या लेखात प्रा. परांजपे लिहितात, ‘भारतात वैचारिक पातळीवरचा दहशतवाद हा जसा धार्मिक स्वरूपाचा आहे तसेच नक्षलवादी विचारसरणीतून देखील दहशतवाद निर्माण होताना दिसून येतो. हे दोन्ही लढे वेगवेगळ्या वैचारिक बैठकीचा वापर करतात. परंतु लढ्याचे स्वरूप समान आहे.’ पुढे बदलाचं स्वरूप सांगताना ते म्हणतात,

‘पंजाबमध्ये खलिस्तान संदर्भातील संघर्ष किंवा काश्मीरमधील जम्मू-काश्मीर लिबरेशन फ्रंटसारख्या संघटनांचे लढे यांचे एक निश्चित स्वरूप होते. ते सर्व राष्ट्र राज्य केंद्रित होते. आपल्या क्षेत्रावर अन्याय होत आहे, त्यासाठी शांततेच्या सनदी मार्गाच्या लढ्याचा फायदा नाही झाला म्हणून शस्त्र घेणे भाग पडत आहे हे त्यांचे मत होते’ (अर्थात हे मत किती योग्य अथवा अयोग्य हा एक वेगळा मुद्दा).

आता दहशतवादाचं बदललेलं स्वरूप सांगताना प्रा. परांजपे म्हणतात, ‘आज दहशतवादाला नवीन स्वरूप आले आहे. आंतरराष्ट्रीय पातळीवर ह्या स्वरूपाला निश्चित आकार मिळाला तो ९/११ च्या घटनेनंतर. ९/११ हा केवळ अमेरिकेविरुद्ध नव्हता तर तो अमेरिकन मुल्यांविरुद्ध होता. पाश्चिमात्य राष्ट्रे ज्या मूल्यांना जागतिक पातळीवर मांडण्याचा प्रयत्न करतात. त्यात लोकशाही, सेक्युलॅरिझम, उदारमतवाद, वस्तुनिष्ठ विचारप्रणाली, व्यक्तिवाद, मानवी हक्क, संविधान कायद्याचे अधिराज्य ही मुल्ये अग्रस्थानी ठेवून त्याचा आग्रहाने प्रसार करण्याचा प्रयत्न करणाऱ्या राष्ट्रांविरुद्ध होता. भारतात काश्मीरमध्ये बदलत चाललेल्या दहशतवादाचे हे स्वरूप दिसून येते. आज काश्मीरच्या लढ्याचे मिश्र स्वरूप दिसते, पारंपरिक पातळीवर झगडा चालू आहे. त्याचबरोबर नवीन स्वरूपाचा दहशतवाद ही वाढीस लागला आहे.’

एकंदरीतच ‘दहशतवाद’ ह्या आंतरराष्ट्रीय संकटाचा विचार करता ह्या संकटाच्या मूळाशी जाणं गरजेचं आहे. नवीन दहशतवादाच्या कारणांचा अभ्यास करताना मला मी शिकत असणाऱ्या अर्थशास्त्र (Economics) ह्या विषयाची मदत झाली. मुळात अमेरिकेनं ज्या वेळेस ओसामा बिन लादेन ह्या कुख्यात दहशतवाद्यास ठार केलं तेव्हा वरवर स्तुत्य वाटणाऱ्या ह्या उपक्रमाच्या मुळाशी जाण्याचा मी प्रयत्न केला. त्यावेळेस एक गोष्ट माझ्या लक्षात आली की, मुळातच अशा दहशतवादास वाढीस लावणारी राष्ट्र ही विकसित राष्ट्र आहेत असे म्हणलं तर वावगं ठरू नये. कारण विकसित राष्ट्रांसाठी अविकसित अथवा विकसनशील राष्ट्र म्हणजे निव्वळ शस्त्रांच्या बाजारपेठा आहेत. ह्याचं उत्तम उदाहरण म्हणजे मी आधी म्हटल्याप्रमाणे ‘दहशतवादी’ वृत्ती नष्ट करणं ही काळाची

गरज जाणून पंतप्रधान नरेंद्र मोदी किंबहुना भारतीय सरकार असं आपण म्हणूया जेव्हा भारतीय सरकार अफगाणिस्तानात रस्ते तथा ग्रंथालय उभारण्यासाठी प्रयत्न करत असताना अमेरिकेनं तेथे लष्कर पाठवण्याचे सल्ले दिले. त्यामुळे ह्या एकंदरीत स्थितीकडे पाहता कुठेतरी हे लक्षात येतं की विकसित देशांना सध्या अविकसित अथवा विकसनशील राष्ट्रांनी विकसित होणं हे त्यांच्या बाजारपेठांसाठी घातक वाटतं. परिणामी परावलंबी असणाऱ्या विकसनशील अथवा अविकसित राष्ट्रात गरिबी, बेरोजगार, कुपोषण, शोषण, आर्थिक असमानता ह्यांसारख्या समस्या वाढीस लागतात व त्याचा परिणाम संबंधित प्रदेशातील तरुणांच्या सर्वांगीण विकासावर होऊन असे तरुण दहशतवादाच्या कचाट्यात सापडतात अथवा तो मार्ग स्वेच्छेनं स्वीकारतात. त्यामुळे धार्मिक, सामाजिक, आर्थिक गोष्टी जशा दहशतवादास बहुतांश वेळा कारणीभूत ठरतात त्याहूनही जास्त दहशतवादाची कारणं अथवा दहशतवादाची मुळं ही मुळात विकसित (पाश्चिमात्य) राष्ट्रांच्या हव्यासी अशा बाजारपेठांच्या (निव्वळ शस्त्रांच्या बाजारपेठांच्या) विस्तार करणाऱ्या वृत्तीतं किंबहुना सवयीत दिसून येतात. असे म्हटलं तर वावगं ठरू नये.

आतापर्यंत आपण दहशतवादाचा आणि त्याच्या कारणांचा आढावा घेतला. आता खऱ्या अर्थानं दहशतवादाच्या स्वरूपाकडे वळूया. मुळात दहशतवादासाठी जी काही शस्त्रं वापरली जातात त्या शस्त्रांचे विविध प्रकार म्हणजे बंदुकांचे त्यात वापरल्या जाणाऱ्या गोळ्यांचे, स्फोटकांचे हे विविध प्रकार जरी असले तरी 'दहशतवादाचे बदलते स्वरूप' हे निव्वळ बदल झालेल्या अथवा सुधारित अस्त्रांच्या वापरापुरतेच मर्यादित नाहीत. तर समाजात असणारी प्रत्येक देशविघातक वृत्तीसुद्धा समाजाला राष्ट्राला आणि परिणामी माणसालाही पोखरून टाकत असते. मुंबईतला २६/११ चा हल्ला जरी आपण पाहिला तरी त्यावेळेस भारतातल्या प्रसारमाध्यमांनी चुकीच्या तथा गोपनीय गोष्टींचा प्रसार केल्यामुळे बऱ्याच अंशी नुकसान झालेलं निदर्शनास आलं होतं. त्यामुळे दहशतवादाची स्वरूप जरी बदलली तरीसुद्धा दहशतवादाशी प्रतिकार करण्याची रणनीती मात्र म्हणावी तशी बदललेली दिसून येत नाही. ह्यात प्रकर्षानं जाणवलेली गोष्ट म्हणजे भारतातील संरक्षण व्यवस्थेत त्रुटी आहेत असं म्हणणं 'गैर' ठरेल किंबहुना प्रसारमाध्यमांचा चुकीच्या पद्धतीनं होणारा हस्तक्षेप हा प्रतिकार क्षमतेवर परिणाम करणारा ठरतो. जेव्हा आपण समाज माध्यमांबद्दल बोलतो तेव्हा एक गोष्ट मला आवर्जून सांगाविशी वाटते ती

म्हणजे समाजमाध्यमांचा चुकीच्या पद्धतीनं वापर करून अश्लिष चित्रफीत प्रसारित करतो म्हणून धमकी देऊन शोषण करणं असो, अथवा समाज माध्यमांचा वापर करून (Bulling) खद्दीकरण असो ह्यांसारख्या गोष्टी देखील 'दहशतवादीचं' असतात, असं माझं प्रामाणिक मत आहे आणि त्यामुळेच 'दहशतवादी' वृत्तीचं दर्शन बदलत्या काळात निव्वळ तालिबान, लष्कर-ए-तोएबा अथवा इसिसमधूनच होत असं नाही तर समाजातल्या शोषण करू पाहणाऱ्या आणि दहशत निर्माण करू पाहणाऱ्या घटकांमध्ये ही होतं असं माझं प्रामाणिक मत आहे.

दहशतवादाच्या बदलत्या स्वरूपाबद्दल बोलताना अथवा लिहिताना संकुचित विचारसरणीतून बाहेर येणं काळाची गरज बनलं आहे. दहशतवादी वृत्ती ही निव्वळ देशांना, वस्तूंना, वास्तूंना आता भक्ष्य बनवत नसून तरुणाईस ड्रगच्या विळख्यात ओढू पाहते आहे, हीच दहशतवादी वृत्ती समाजमाध्यमांचा, प्रसारमाध्यमांचा तर कधी व्यक्ती स्वातंत्र्याचाही गैरफायदा घेते, हीच दहशतवादी वृत्ती समाजाला अथवा राष्ट्राला आतून-बाहेरून पोखरते. दहशतवादाचं स्वरूप हे दिवसागणिकच नाही तर मिनिटागणिक ही बदलत, हेच दहशतवादाचं स्वरूप बदलत्या तंत्रज्ञानासोबतच बदलतं, हेच दहशतवादाचं स्वरूप क्रूरतेच्या प्रमाणानुसार, क्षमतेनुसार बदलत जातं.

दहशतवादाच्या बदलत्या स्वरूपांबद्दल लिहिताना एक गोष्ट मला नमूद करावीशी वाटते ती म्हणजे आपल्या भारत देशाच्या सीमांवरच मुळी शत्रू राष्ट्र आहेत. अगदी नेपाळसारखा छोटसा देशही प्रसंगी चीनला जवळ करण्याची तयारी दर्शवतो, इतर शत्रू राष्ट्रांबद्दल विशेष काही नमूद करण्याची गरज नाही. त्यामुळे जर दहशतवादाच्या स्वरूपांना प्रामुख्याने दोन भागात म्हणजेच अंतर्गत (Internal) आणि बाह्य (External) अशा भागात विभागलं तरी ह्या दोन्ही प्रकारांशी म्हणा अथवा स्वरूपांशी दोन हात करण्याचं शस्त्र आणि शास्त्र म्हणजेच प्रखर राष्ट्रनिष्ठा, (जी दुर्दैवानं भारतात कमी प्रमाणात आहे) भारतीय जवानांना, पोलिस यंत्रणेस शक्य होईल तशी शोध मोहिमेत अथवा आपतकालीन परिस्थितीतली मदत इ. अशा सक्रिय सहभागाने आपण अंतर्गत दहशतवाद संपूर्ण नष्ट करू शकलो नाही तरी किमान तीव्रता तर नक्कीच कमी करू शकू. संपूर्णपणे विकासकार्यात समर्पण देशाला पूर्णपणे अथवा 'बहुतांश' पणे स्वावलंबी बनवेल आणि असा स्वावलंबी देश नक्कीच विकसित राष्ट्र म्हणून उदयाला येईल आणि तेव्हाच जागतिक दर्जावर खऱ्या अर्थानं दहशतवादाविरोधी प्रभावी काम करता येईल आणि तेव्हाच खऱ्या अर्थानं २०२०चं स्वप्न

सत्यात अवतरेल. दहशतवाद अथवा दहशतवादाच्या बदलत्या स्वरूपांना संपवणं (अथवा प्रभावी प्रयत्न करणं) ही निव्वळ काळाचीच गरज नसून माणुसकीच्या अस्तित्वासाठीची आणि शेवटपर्यंत शांती, माणूसकी संपूर्ण जगात सुस्थापित होण्यासाठीही गरजेचं आहे.

सरतेशेवटी इतकचं म्हणता येईल की दहशतवाद असो अथवा त्याची बदलती स्वरूप असोत ह्या सर्वांचा प्रतिकार

करण्यासाठी सशक्त, एकसंघ आणि प्रभावी अशी रणनीती स्वीकारणं हेचं योग्य ठरणारं आहे.

शेवटी असं म्हणता येईल;

‘हीच अमुची प्रार्थना अन् हेच अमुचे मागणे
माणसाने माणसाशी माणसासम वागणे’.

बघ जमलं तर...

बघ जमलं तर
पुन्हा जा बालपणात,
सर्व मोष्टी आठवणी हसऱ्या
ठोकून भर त्या कोवळ्या मनात,
बघ जमलं तर पुन्हा जा बालपणात

फिकक ये तू रांग सांगं
भूक लागली की काहीतरी भर त्या पोटात,
पावसाळ्यात ही भिजव तुझं अंग
आणि मिळून जा तू आकाशात
बघ जमलं तर पुन्हा जा बालपणात

झोपाळा असा घे की दचकला पाहिजे जीव
आणि वेग वाढला पाहिजे हृदयात,
मुद्दाम तरी घे माखून वतःला
आणि असाच पडून राह तू चिखलात,
बघ जमलं तर पुन्हा जा बालपणात

पुन्हा जा त्या बालवाडीच्या वर्गात
वर्गाय आनंद लुटून घे आणि
गुंफून जा तू मित्रात,
बघ जमलं तर पुन्हा जा बालपणात

न येणावी प्रार्थना पुटपुट तू
तोंडातल्या तोंडात,
बाईचा व्हा मार आणि बहाणे असे सांग की
बाईही पडल्या पाहिजेत विचारात,
बघ जमलं तर पुन्हा जा बालपणात

पाटीवर अक्षर मिळवतांना थोडीशी पाटीची
पेन्सिल टाक तू तोंडात,
व्हाऊनच ती संपव आणि आईला
सांग मी फार अभ्यास केला वर्गात,
बघ जमलं तर पुन्हा जा बालपणात

लपाछपी व्हेळतांना असा लप की शेवटी
ही असावा तो शोधता,
मुद्दाम तरी काहीतरी सांगतो म्हणून
ओरड मोठ्याने कामात,
बघ जमलं तर पुन्हा जा बालपणात

दिवसभर तू फिर कुठे व्हेळतोय
हे ही नसावं ध्यानात,
पण राह तू एवढं मोड की
प्रत्येकाच्या तू असावं मनात,
बघ जमलं तर पुन्हा जा बालपणात

थकला आहेतस तू आता
धकाधकीच्या जीवनात,
तूच नाहीस आता तुझ्या आयुष्यात
म्हणून सांगते, बनव वतःला छोटं
मूल आणि
जा आता तू तुझ्या बालपणात

एकांत की एकटेपणा?

ऐश्वर्या बने

11th Com

गोंधळात पडलात ना हे ऐकून? ह्या दोघांचा अर्थ जरी वेगळा असला ना, तरी आपला त्याच्याकडे बघण्याच्या दृष्टीकोन मात्र एकच असतो. माणसाला कधी कधी कळतच नाही की तो एकांताच्या जगात भ्रम म्हणून जगतोय, की एकटेपणाच्या कोंडीत तळमळत. खरंतर एकांतात मनुष्याला असं कायम वाटत राहतं की या घाई गडबडीच्या जगात कुठेतरी शांतता हवी मनाला व त्याच्यासोबत असलेली व्यक्ती ही नकोशी वाटते व एकांतवासात सोबत असूनही ती नसल्यासारखी असते व एकटेपणात मात्र ही शांती माणसासाठी घातक ठरते. जरी त्याला ठाऊक असेल की कुठल्या वाटेला जायचं पण ती हवी असलेली साक्ष कधीच मिळत नाही. एका क्षणात माणसाचं आयुष्य उद्ध्वस्त होऊ शकतं, तसंच ते सावरु ही शकतं.

पु. ल. देशपांडे म्हणतात, 'भरलेला खिसा माणसाला जग दाखवतो आणि रिकामा खिसा जगातली माणसं. आता एकांताचंच घ्याना. एकांतवासात आपण ठरवतो की कोणाला किती किंमत द्यायची व कोणाला कुठला दर्जा द्यायचा हे खरं समजतं. माणसाकडे ऐश्वर्य नसतानाही ती माणसांची श्रीमंती असते जी त्याच्यासाठी खूप मोठी आहे. त्याला जग काय

बोलेल व आयुष्यात पुढे काय होईल याची फिकीर नसते. त्याचा आयुष्याकडे बघण्याचा दृष्टीकोन सकारात्मक दिशेने चालत राहतो व पाहण्याची नजर बदलते. त्याचं आयुष्य तो अगदी त्याच्या मर्जीने जगतो. त्याचं नुकसान होतय हे त्याला कळत नाही. पण त्याला त्याचे परिणाम, भोग त्याला भोगावेच लागतात. आयुष्याच्या या चक्रव्यूहात अडकून पडतो व बाहेर ही निघत नाही.

आणि आता एकटेपणा आयुष्यात प्रत्येक व्यक्ती कायम टिकून राहत नाही. कधी कधी काही लोक आपल्याला कामा पुरती वापरतात मग सोडून जातात. तर काहींना आपल्याला सोडावं लागतं. काही वेळा माणूस अशा काही अनुभवांमधून जातो की माणूस असताना त्याची किंमत नसते. मात्र निघून गेल्यावर त्याची जाणीव होते. हल्लीच्या जगात या तंत्र व मंत्र युगात माणूस सगळ्यांशी व्हाॅट्सअॅप, फेसबुकच्या माध्यमातून जोडला जातो. पण मात्र ते नातं टिकून राहत नाही. अशा स्थितीत माणसाचे सोशल मिडियावर ५०० मित्र असतात. पण मात्र प्रत्यक्षात एक ही नाही. याही कारणामुळे माणूस एकटा पडला आहे. या मुळेच तर आत्महत्येचे प्रमाण वाढत आहे. हा एकटेपणा जीवघेणा आहे तो सहन होत नाही.

आशेचा हिंदोळा
आशेच्या हिंदोळ्यावर बसून
दूरवर बघत बघत रवप्न पाहण्याचा
आता कंटाळा आलाय
अंत नाही आशेला
त्यावर बांधलेल्या मनोरथाला
त्या मनोरथानीच आजवर मला फक्तवळं...
मी वेडी ...
त्या आशेच्या पंढ्रावर रवारा झाले
आता वसजळं, आशेचे ते पंढ्र
परिक्रिथतीनं छाटून टाकले

पण वेड्या मनानं मानलंच नाही
पुन्हा बसले, त्या निर्जीव
आशेच्या झोपाळ्यावर!
बसून बसून कंटाळले!
वाटतं त्या हिंदोळ्याचे दोर

रवप्न वसंपतील

स्वतःला बदला

शिवानी जितेंद्र तायडे

S.Y.B.A.

हिरा खानीतून बाहेर काढला जातो तेव्हा त्याची किंमत नसते. पैलू पाडल्यानंतर त्याची खरी किंमत कळते. माणसाचेही असेच. शिक्षण, संस्कार, कौटुंबिक वातावरण, संगत यातून तो घडतो. माणसातील काही चांगले गुण असतात तसे दुर्गुणही. दुर्गुणाची जाणीव होणे माणसाच्या सुधारण्याची पहिली पायरी. परंतु जी माणसे स्वतःलाच सर्व गुणांचा आदर्श समजतात, त्यांच्यात कधीच सुधारणा होत नाही. सुधारणा होण्यासाठी प्रथम स्वतःला बदलायला शिकावे. आपले प्रत्येक काम शांततेने, शिस्तीने, संयमाने केले की, त्यात विवेकानंद प्रतिबिंबित होतात. उतावळेपणाने आपल्या कामाचे नुकसान होते.

सर्वार्थाने श्रेष्ठ असलेल्या माणसात दिसणारा गुण म्हणजे नम्रता. नम्रतेशिवाय माणसाला काहीच शिकता येणार नाही. विनम्र माणसाचा कोणीही अवमान करू शकत नाही. कारण तो आपला अहंभाव विसरून मधुरवाणीने बोलत असतो. त्यामुळे ऐकणाऱ्याच्या मनाला सुख लाभते.

संत कबीरांनी सांगितले आहे की,

‘ऐसी बानी बोलिए
मनका आपा खोय
औरन को शीतल करे
आपहु शीतल होय’

माणसाने प्रथम स्वतःला प्रसन्न, निवांत, सुखी आणि आनंदी ठेवण्याचा प्रयत्न करावा. प्रथम स्वतःला बदलावे, मग जगही बदललेले दिसेल. खास करून हास्य आणि प्रेमाच्या बळावर माणसाला जगही जिंकता येईल.

‘जो काम मुस्काराहटसे होता है,
वह मुक्केसे नहीं।’

जगात सर्वात सोपी गोष्ट कोणती असेल तर ती म्हणजे दुसऱ्यांना उपदेश करणे आणि अवघड गोष्ट स्वतःला ओळखणे. जो माणूस स्वतःला ओळखतो तो आनंदी असतो. त्यासाठी माणसाने स्वतःवर विश्वास ठेवायला शिकावे. अविचाराने केलेले काम दुःखदायक असते हे विसरून कसे चालेल!

मृगाच्या बेंबीत जसा कस्तुरीचा सुगंध असतो तसा आपल्या हृदयातच आनंदाचा ठेवा असतो. तो शोधेल त्याला सापडतो. खरेतर माणसाने स्वतःच सुखी आणि आनंदी व्हायला शिकावे. काही माणसे प्रतिभासंपन्न, बुद्धिमान, उद्योगी आणि गुणसंपन्नही असतात. परंतु त्यांच्या स्वभावातील एखादा अवगुण सर्व गुणांना झाकून टाकतो.

जीवनात यश मिळवायचे असेल तर सर्वकाही माणसाच्या स्वभावावर अवलंबून आहे. खरेतर जीवन जगण्यासाठी आहे; आनंदासाठी आहे, पण तो आनंद मिळवता आला पाहिजे. त्यासाठी प्रथम आपण बदलले पाहिजे मग जगही बदलेल!

‘आपणच आपलं ओझं

दुसऱ्याच्या खांद्यावर का द्यावं
आपणच आपलं जीवन फुलवावं

पुष्पाच्या सुगंधानं

लोक मनं दरवळून टाकावीत

मातीच्या ठशातून आकार घेतलेल्या माणसाला

आनंदानं जगण्याचा नवा पाठ द्यावा

याचसाठी इथे ही फुलली पहाट

शब्द सुमनांनी नटलेली!’

या चार ओळींप्रमाणे कधी-कधी आयुष्य बनते. या जगात अनेक लोक जन्मास येतात. तर अनेक लोक तितक्याच संख्येने जगातून निरोप घेतात. असंच आयुष्य आहे 'मीरा' नावाच्या मुलीचे. तिच्या आयुष्यात आलेला एक प्रसंग तिला जगण्याचे बळ देऊन जातो. तिला तो प्रसंग जगायला शिकवतो आणि आयुष्यातला आनंद घ्यायला शिकवतो.

अतिशय लाडावलेली मुलगी मीरा. आई-बाबांचा आदर काय असतो हे तिला माहितच नव्हते आणि आता तर १० वी पूर्ण होऊन कॉलेजात जाणार म्हटल्यावर तिचा आनंद वाऱ्यावर तरंगत होता. तिचे कॉलेज सुरु झाले. कॉलेजचा आनंद ती मनमुरादपणे लुटत होती. असेच दिवस जात होते. एकदा तिच्या मित्रमैत्रीणींनी पार्टीला जायचे ठरवले. घरातून निघताना आईने विचारले. काय गं मीरा कुठे निघालीस? आईच्या प्रश्नाला टाळत उलटे उत्तर देऊन मोकळी झाली. पण त्या दिवशी तिने आईचे मन फार दुखावले होते. पार्टी करता-करता मीराला भानच राहिले नाही की वेळ किती पुढे निघून गेली असावी. शेवटी मीरा भानावर आली तोवर १० वाजून ५

मिनिटे झाली होती. मित्रमैत्रीणींना बाय करत म्हणाली । have to go now. वाटेत लवकर टॅक्सी मिळाली नाही म्हणून ती रोड शेजारीच थांबली होती. त्या बाजूला लागून एक पाड्यांची झोपडी होती. त्या झोपडीतून एक ७ वर्षांचे मूल रडत बाहेर आले आणि मुलीला विनवणी करू लागले. बघ नं, माझ्या आईला काय झालंय चल ना गं! ऐ ताई, ऐ ताई. ती भारावून गेली. तिला काही सुचेना. ती त्या मुलासोबत झोपडीत गेली व पाहिले तर काय! त्या मुलाची आई तडफडत अंथरलेल्या घोंगडीवर पडलेली होती. मीरा आता घामाधूम झाली. त्या बाईने तिचे प्राण २ मिनिटांत त्यागले. त्या मुलाला काही कळालेच नाही. पण मीराच्या डोळ्यात मात्र चटकन पाणी आले. थोड्याच वेळात मीरा कळवळून रडू लागली. तिच्या आवाजाने बाजूची माणसे आत आली. त्यातील एक बाईने मीराला पाणी दिले व म्हणाली बाय रडू नकोस. परमेश्वराच्या हातात हाय सगळं! मीराने स्वतःला सावरले व तेथील लोकांना घडलेला प्रसंग सांगितला तेव्हा त्या लोकांनी त्या बाईचा अंत्यसंस्कार करायचं ठरवलं. थोड्याच वेळात मीरा तिथून निघाली पण एक नवीन अनुभव घेऊन. रात्री घरी पोहोचल्यावर मीरा विचार करू लागली की, तो लहान मुलगा जगेल कसा? त्याच्याजवळ काहीच नाही. माझ्या जवळ सगळं काही असून देखील मी किती चुकीची वागत आहे. माझ्या जवळ माझं खरं सुख म्हणजे माझे आई बाबा आहेत. त्यांना मी असा दुजोरा का बरं दिला. आज मी जे काही आहे त्यांच्या मुळेच आहे. या एका प्रसंगामुळे मीराला आयुष्यातला सगळ्यात मोठा आनंद सापडला होता. दुसऱ्या दिवशी सकाळ उजाडली व मीराने आपल्या आई-वडिलांसाठी थोडा गोड, थोडा कडू चहा करून दिला होता. तिच्या आई-वडिलांचे डोळे सुखावले व डोळे भरून आले. मीराच्या आई-वडिलांना एक वेगळीच मीरा बघायला मिळाली.

“आयुष्य छान आहे
थोडे लहान आहे
रडतोस काय वेड्या
लढण्यात शान आहे!”

शेक्सपिअरचा एक जगप्रसिद्ध संवाद आहे, ‘जगावं की मरावं? हा एकच सवाल’ असा प्रश्न माझ्या मनात भिरभिरू लागतो आणि मनाच्या गर्भात कुठेतरी एक खोल स्थान करून जातं.

आयुष्य! देवाने मनुष्याला दिलेली सर्वात सुंदर भेट. या सुंदर भेटीचं जर अस्तित्व नसतं तर कदाचित मनुष्याचं काय, पण जनावरं सुद्धा हे जग पाहू शकले नसते. मनुष्याला चांगले-वाईट याची अनुभूतीच आली नसती. काही वेळा आपण आयुष्याला किती कवडीमोल समजतो ना? म्हणजे काय, तर देवाने दिलेलं हे आयुष्य नामक पात्र आहे आणि त्या पात्रात आपण सुंदर अशा कर्मांचा अमृत म्हणून साठा केला पाहिजे. असा विचार न करता, आपण देवाने दिलेल्या त्या पात्रात त्यानेच अमृताचा वर्षाव करावा, असं आपल्याला वाटत असतं.

अमृत! आता जिथे पियुष आलं, तिथे विषही येणार. जिथे सूर्याच्या किरणांची पहाटं आली, त्या आधी अंधारलेली रात्र येणारच, कारण जोपर्यंत आपण दुःख अनुभवत नाही, तोपर्यंत सुखाची प्रचिती येणे कठीणच!

दुःख म्हणजेच काय तर रडणं आणि साध्या शब्दात सुख म्हणजे हसणं. पण मला असं वाटतंय आपण आता रडण्याला जरा जास्तच महत्व देतोय नाही का? पण, तुम्हाला माहित आहे का? रडण्यापेक्षा लढण्यात काय कमालीची मज्जा आहे, समाधान आहे, आनंद आहे.

आजवरच्या आयुष्यात मी रडण्यापेक्षा लढण्याला महत्व देणाऱ्या बऱ्याच व्यक्ती पहिल्या आहेत. आदर्श मानल्या आहेत, कारण रडत बसून कुठली गोष्ट साध्य होते, असं मुळीच नाही, पण प्रयत्न केले आणि आपल्याला हवं ते मिळवण्यासाठी लढलो तर ‘असाध्य ते साध्य’ हे विचार अस्तित्वात उतरवण्यासाठी आपल्यास कोणीही रोखू शकणार नाही.

छत्रपती शिवाजी महाराज, सावित्रीबाई फुले, हेलन केलर, सिंधुताई सपकाळ यांसारख्या व्यक्तिमत्त्व असलेल्या थोर माणुसकीच्या प्रतिमेकडे पाहिले की ऊर अभिमानाने भरून येतो.

छत्रपती शिवाजी महाराज भोसले, यांचा जन्म १९ फेब्रुवारी १६३० साली झाला. मराठा साम्राज्याचे संस्थापक. शिवाजी महाराजांमुळेच आपल्याला ‘स्वराज्य’ अर्थात ‘स्वतःचं राज्य’ या शब्दाची किंमत कळाली. शहाजी महाराजांसारखं आपणही कोणाची तरी गुलामगिरी करावी हे त्यांना पटलंच नाही आणि म्हणून त्यांनी ध्यास घेतला ‘स्वराज्य’ ह्या एका अस्तित्वाचा, राजमाता जिजाऊ हा त्यांचा आधारस्तंभ होत्या, तर शहाजी महाराज त्यांचे मार्गदर्शक.

आजही जेव्हा आपण,

“प्रतिपच्चंद्रलेखेव विर्धणुविश्ववंदिता
शाहसूनो शिवस्यैषा
मुद्रा भद्राय राजते”

ही प्रतिज्ञा ऐकतो, तेव्हा नसानसांत एक वेगळीच स्फूर्ती दौडू लागते. प्रतिज्ञेचा अर्थ असा, ‘ज्याप्रमाणे प्रतिपदेचा चंद्र वाढत जातो आणि साऱ्या विश्वात बंदनीय होतो. त्याचप्रमाणे शहाजींचा पुत्र शिवाजींची ही मुद्रा व तिचा लौकिक वाढत जाईल.’ महाराजांनी रयतेच्या कल्याणासाठी अनेक संघर्ष केले, लढले. जर त्याकाळी आपले वडिल गुलामगिरीत आहेत. म्हणून आपण ही तीच करावी आणि रडत बसावे, असा विचार त्यांनी केला असता, तर कदाचित! नाही-नाही नक्कीच स्वराज्य या गोष्टीचे मूल्य आपल्याला उमगलेच नसते. स्वराज्य शब्द ज्ञात झाला नसता. या अशा थोर लढवय्याचा मृत्यू एप्रिल १६८० साली झाला.

आधीच्या काळी स्त्रिया ह्या फक्त ‘चूल आणि मूल’ या वाक्यापर्यंतच मर्यादित होत्या. पण या वाक्यांपुरतचं आपलं अस्तित्व टिकवून न ठेवता थोर समाजसेविका सावित्रीबाई फुले या लढल्या. स्त्रीशिक्षण हे त्याकाळी जणू वंचितच होते. त्यांचा जन्म ३ जानेवारी १८३१ साली झाला, या माऊलीने स्त्री शिक्षणासाठी आपल्या पतींबरोबर पूर्ण समाजाशी लढा

दिला. प्रथम त्या स्वतः शिकल्या आणि स्वातंत्र्यपूर्व भारतात पहिल्या स्त्री शिक्षिकेचा उगम झाला. त्यांच्यावर शेणाचे गोळे, दगड फेकण्यात आले पण त्या रडल्या नाही. जिद्दीने कसोशीने लढल्या. जर त्या काळी त्या लढल्याच नसत्या तर आज मी आणि माझ्यासारख्या कित्येक शिक्षणासाठी आसुसलेल्या मुली शिकूच शकल्या नसत्या आणि अशा या थोर माऊलीचा मृत्यू १८ मार्च १८९७ साली झाला. त्या शेवटच्या श्वासापर्यंत लढल्या.

हेलन केलर हे नाव जरी ऐकलं तरी डोळ्यांसमोर एक आदर्शच उभा राहतो. ज्या व्यक्तीला स्वतःला नजर नव्हती पण तिने जगाला बघण्याचा नवा दृष्टिकोन दिला अशा हेलन केलरचा जन्म २७ जून १८८० साली झाला. स्वतःला अंधत्व आहे म्हणून रडत न बसता आपल्या अंधत्वाशी त्यांनी सामना केला व त्यावर मात केली. आजकाल आपण आपल्याकडे एखाद्या गोष्टीची कमतरता असली की, आपण रडत बसतो. पण ज्या व्यक्तीकडे तिच्या मुख्य इंद्रियांची शक्तीच कमी आहे, तिने मात्र असं रडत बसणं कधी योग्य मानलंच नाही. त्या केवळ अंधच नव्हत्या तर त्यांना वाचा आणि श्रवणेंद्रियाची क्षमता देखील नव्हती. पण त्यानंतर आपल्या अंधत्वावर मात करत त्यांनी ब्रेल लिपी शिकली. तसंच स्पर्शसंवेदनांच्या साहाय्याने हेलन यांनी एका महिन्यात भाषाही अवगत केली व १२ व्या पाठानंतर त्यांनी 'मी आता मुकी नाही' हे वाक्य उच्चारले. अशा अनन्यसाधारण व्यक्तीने 'स्वतःस उणे वा कमी लेखू नका, तुमच्यात कोणतेही न्यून नाही.' असा संदेश दिला.

अशा या थोर व्यक्तिमत्त्वाचा मृत्यू १९६८ मध्ये झाला.

जर त्यावेळेस हेलन या फक्त रडत बसल्या असत्या, तर कदाचित आज 'हेलन केलर' यांचे दाखले जगात कोणी दिलेच नसते. त्या लढल्या आणि अवघ्या जगासाठी प्रेरणा देऊन गेल्या.

सिंधुताई सपकाळ, अनाथांची माय-माऊली जिचा जन्म १४ नोव्हेंबर १९४८ साली, एका लहानशा गावात झाला. तशी हुशार पण परिस्थितीमुळे आणि आईच्या आग्रहामुळे जिने केवळ चौथीपर्यंतच शिक्षण घेतले व आपल्यापेक्षा वयाने कितीतरी मोठ्या व्यक्तीशी लग्न केले, त्यानंतर एका वाईट आरोग्यामुळे त्यांनी त्यांचं सासर सोडलं, गर्भात एक मूल घेऊन एकट्याच आपल्या वाटेने चालत होत्या. त्याच परिस्थितीत त्यांनी एका मुलीला जन्म दिला. 'अमृता'. गावोगावी जाऊन भाषणं देणं आणि आपले विचार लोकांपर्यंत पोहोचवणं हेच त्यांनी त्यांचं उद्दिष्ट मानलं आणि आता त्याच माऊलीने अनेक अनाथांना मायेचा आधार दिला. 'भाषण नाही तर राशन नाही' अशा वाक्यांवर त्यांनी आता कितीतरी अनाथ मुला-मुलींचं संगोपन, शिक्षण आणि लग्न करून दिले. त्या त्यांच्या परिस्थितीशी लढल्या आणि आज एक मार्गदर्शक, माऊली, हक्काची आई म्हणून एक नवी ओळख निर्माण झाली.

अशी बरीच उदाहरणं आपल्या अवतीभवती आहेत. फक्त आपण त्यांचा नीट डोळे उघडे ठेवून विचार केला पाहिजे. तो विचार आपण सत्यात उतरवला पाहिजे. तरंच सुरेश भटांची 'लढण्यात शान आहे' ही गजल सार्थकी लागेल.

बाबासाहेबांच्या स्वप्नातील भारत

विशाल शोभा रामचंद्र जाधव

इतिहासाच्या पानावर अक्षरशः हजारोनी गर्दी केली आहे. पण गर्दीत एक नाव सुर्यासारखं 'स्वयंप्रकाशित' होउन सर्वाना जगण्याचा प्रकाश देत आहे ते नाव म्हणजे वैश्विक ज्ञानी डॉ. बाबासाहेब आंबेडकर होय. डॉ. बाबासाहेब आज विश्वाचे मार्गदर्शक आणि प्रेरणा बनले आहेत. त्या डॉ. बाबासाहेबांच्या स्वप्नातील भारताविषयी केलेलं एक विश्लेषण.....

हजारो जाती, पोटजाती, उपजाती, जगाच्या पाठीवरचे सर्व धर्म, विविध पंथ, भाषा, संस्कृती, असलेला भारत देश म्हणजे 'आठशे खिडक्या आणि नउशे दारं' ...! म्हणून विन्सटन चर्चिलने असं भाकित केलं होतं की भारत हा देश एक राष्ट्र म्हणून उभा राहू शकत नाही. तो एकसंघ होऊच शकत नाही.! अर्थात कोणीही परिस्थिती मान्यच केली असती आणि चर्चिलचं मत योग्यच समजलं असतं.पण आज आपण पाहत आहोत की 'डॉ. बाबासाहेबांनी' आणि त्यांच्या 'संविधानाने' चर्चिलचं भाकित पूर्णपणे खोटं ठरवलं आहे..! एवढी ताकद आहे त्यांच्या विचारांमध्ये आणि भारतीय संविधानामध्ये. पण आणखी थोडं पुढे जाऊन विचार करताना खरोखरच त्यांच्या स्वप्नातला भारत आज दिसत आहे का? लोकशाही लोकशाही आहे का?

लोकशाहीची व्याख्या By the people,of the people,for the people ही आहे पण विचार केला तर 'Buy' the people (लोकांना विकत घेणारी) 'Off' the people(लोकांचा विचार न करणारी), 'Far' the people (लोकांपासून दूर गेलेली) अशी व्याख्या आजच्या परिस्थितीकडे बघून दिसते. निवडणुकीमध्ये मत पेशाने विकत घेतले जातात. आणि सत्तेत आल्यावर लोकांचा विचार केला जात नाही आणि अर्थातच लोकांना वाटते लोकशाही आपल्यापासून दूर गेली आहे.

आजकाल भारतामध्ये धर्मांधता वाढत चालली आहे. मुळात भारत धर्मनिरपेक्ष देश असताना असं होत आहे.आणि त्यांचेच जर शासन असेल तर त्यांना आवरणे खूपच कठीण बनून जाते. त्यांना वाटते "संख्या भये कोतवाल अब डर काहे का..! म्हणून जे मनात येईल ते करताना ते दिसत आहेत. आणि राष्ट्रवादांचा तर अक्षरशः सुळसुळाटच यांनी मांडला

आहे. "हम कहे वो देशभक्ती" प्रमाणे यांचं वर्तन दिसत आहे. यांच्याकडे बघून वाटते की "राष्ट्रद्रोही आज राष्ट्रवादी बनले..!" भारत हा कोणामुळे भारत आहे तर तो संविधानामुळे आहे. या भारताचा 'पाकिस्तान' झाला नाही याचं श्रेय बाबासाहेबांना जाते. मग पुन्हा आज 'हिंदुचा पाकिस्तान' निर्माण करत आहेत का? भारत आणि पाकिस्तान दोन्ही एकासोबत स्वतंत्र झाले. पण आज पाकिस्तानची स्थिती काय आहे? धर्माचा पूर्ण थैमान आहे. कोणताही देश हा धर्मावर कधीच उभा राहू शकत नाही नाहीतर त्याचा 'पाकिस्तान' झाल्याशिवाय राहणार नाही. तो उभा राहतो लोकांच्या मुलभूत हक्कावर, त्याच्या कल्याणावर. डॉ. बाबासाहेबांचे एक वाक्य खूपच जबरदस्त आहे आणि आजही ते आधुनिक आहे. 'माणूस धर्माकरीता नाही तर धर्म हा माणसाकरीता आहे.' कोणताही धर्म माणसापेक्षा श्रेष्ठ नाही. कारण तो 'माणसाने माणसासाठी' निर्माण केला असतो.

मुळात घटनेमुळेच पक्ष, शासन बनते पण पक्ष घटना मानतात का? डॉ. बाबासाहेबांनी २५ नोव्हेंबर १९४९ ला इशारा दिला होता की "येथले लोक पक्षाच्या मतप्रणालीला मोठे मानतील की देशाला? जर ते देशापेक्षा पक्षाच्या मतप्रणालीला मोठे मानतील तर आपलं स्वातंत्र्य पुन्हा धोक्यात येईल आणि कदाचित ते कायमचं नष्ट होईल.!" ह्या भयसुचक संदेशाकडे आपण आज दुर्लक्ष करत चाललो आहोत असं वाटते आणि याविषयी लोकांनी विचार नाही केला तर याचे परिणाम भयंकर होतील. असे म्हणतात की, "भूल दिल्याशिवाय ऑपरेशन करता येत नाही आणि दिशाभुल केल्याशिवाय राजकारण करता येत नाही" हे काही खोटं नाही. भारतामध्ये हे होताना दिसत आहे. जनतेची निव्वळ दिशाभुल आज सरकार करत आहे ते कोणाचेही असो.

कोणत्याही देशामध्ये व्यक्तिस्वातंत्र्य खूप महत्वाचे असते आणि त्यात अभिव्यक्ती स्वातंत्र्य खूपच. पण देशात विद्यार्थीसहित लोकांचा आवाज दाबला जातोय का? लोकांना त्यांचे विचार मांडण्यावर बंधन येत आहेत का? सध्या देशात जे वातावरण आहे यावर लोक का व्यक्त होत नाहीत? (अर्थात कोणी त्यावर व्यक्त होऊ नये अशी आज परिस्थिती आहे ती गोष्ट वेगळी.!) प्रत्येकाला तो संवैधानिक अधिकार आहे. आणि

डॉ. बाबासाहेबांच्या मते “एखादं शासन टिकण्यापेक्षा लोकांचे अधिकार टिकणे खूप जास्त ज़रूरीचे असते.”

भारताच्या तरुणांविषयी डॉ. बाबासाहेबांना खूप अपेक्षा आहेत. पण आज आपल्या तरुणांची मानसिकता काय आहे? मी, माझी पत्नी, बाला, बाली अन दहा बाय दहाची खोली अशी मानसिकता दिसत आहे. स्वार्थीपणा वाढताना आज दिसत आहे. सगळीकडे माणूस दिसत आहेत पण माणुसकी दिसत नाही आहे. विद्यार्थ्यांनी स्वतःबरोबरच आपल्या देशाचाही विचार करायला हवा. तरुणांना त्यांच्या सामर्थ्याची जाणीव व्हायला हवी.तरुण म्हणजे कोण? “जो चट्टानो से टकराते है उसे तुफान कहते है लेकिन जो तुफानोसे टकराते है उसे युवा कहते है..!” आणि ज्या देशातले तरुण हे ज्ञानी, शीलवान, संवेदनशील असतील तो देश कधीच मागे पडणार नाही.

प्रत्येकाने नेहमी लढले पाहिजे. संघर्ष केला पाहिजे. त्यामुळेच व्यक्ती बलवान बनते. प्रसिद्ध विचारवंत डार्विन म्हणतो की “बलवानास जगण्याचा अधिकार आहे. जीवनाच्या दीर्घ संघर्षमय प्रवासात जो जीव सातत्याने संघर्ष करतो तोच भविष्यकाळासाठी निवडला जातो. त्याचे अस्तित्व दीर्घ काळ टिकते.” म्हणून आपण सातत्याने संघर्ष केला पाहिजे. अन्यायाविरोधात आता लढले पाहिजे.

डॉ. बाबासाहेब समाजपरिवर्तनासाठी तरुणांना पुढे येण्यास सांगतात. ते म्हणतात की “तरुणांनी समाजासाठी संघर्ष केला पाहिजे. त्यामुळे समाजाचं जे भलं होईल त्याचे हकदार हे तरुण राहतील पण त्यांनी जर समाजासाठी काही केलं नाही, समाजासाठी लढले नाही तर मग समाजाची जी परिस्थिती होईल त्यालासुद्धा तरुणच जबाबदार असतील”.

डॉ.बाबासाहेबांना स्त्रियांविषयी खूप आपुलकी होती आणि त्यांच्या परिस्थितीविषयी जाण होती. म्हणून ते म्हणतात की ‘I Measure the progress of the community by the degree of progress which woman have achieved’ (मी एखाद्या समाजाची प्रगती ही त्या समाजातील स्त्रीयांच्या झालेल्या प्रगतीवरून मोजतो.) इतका आधुनिक वैश्विक विचारवंत स्त्रियांविषयी पूर्ण जगात नाही. म्हणून बराक ओबामा म्हणतात की ‘डॉ. आंबेडकर जर आमच्या देशात जन्माला आले असते तर आम्ही त्यांना सूर्य संबोधले असते.’

डॉ. बाबासाहेबांना असा भारत अपेक्षित आहे की जेथे तथागत बुद्धांचे विचार असतील. बुद्धांचे विचार जे की समता,

स्वातंत्र्य, बंधुत्व आहेत जे की आपल्या संविधानाचा गाभा आहे ते प्रत्येक भारतीयांच्या आचरणात त्यांना पाहिजे आहे. म्हणूनच त्यासाठी त्यांनी म्हटले आहे की ‘मी संपूर्ण भारत बौद्धमय करीन’ आज आपण पाहतो की जर कोणाला विचारले तर तू कोण तो सांगतो अमुक जातीचा तमुक धर्माचा, वगैरे वगैरे. पण डॉ. बाबासाहेब म्हणतात की I am first Indian And Indian at the end And Nothing In between..! हा विचार आपण स्विकारला पाहिजे. आपण प्रथमतः भारतीय आहोत, अंतिमतः भारतीय आहोत आणि याशिवाय काहीच नाही आहोत. म्हणूनच डॉ. बाबासाहेबांनी संविधानाच्या उद्देशिकेत/प्रस्तावनेत ‘आम्ही भारताचे लोक’ असे लिहिले आहे. एखाद्या धर्माचे किंवा जातीचे नाही. आणि संविधानाला स्वतःप्रत अर्पण केले आहे इतर कोणालाही नाही. आपण भाषावाद, प्रांतवाद, जातीवाद, यासारख्या वादांना आपण जमिनीत गाडून टाकले पाहिजेत. आपण एक असा भारत निर्माण करायला हवा जो फक्त एकच साक्ष देईल तो म्हणजे माणुसकीची.

आज ‘भारतामध्ये जग’ दिसत आहे पण ‘जगामध्ये भारत’ दिसत नाही आहे. महासत्ता व्हायचं जे स्वप्न आपण पाहिलं आहे ते आपल्यालाच तर पूर्ण करायचं आहे. डॉ. बाबासाहेबांनी सांगितलं आहे की ‘जेव्हा देवळात जाणाऱ्या रांगा ग्रंथालयात जातील तेव्हा भारत जगावर राज्य करेल..!’ आणि ते पुढे असेही म्हणतात की ‘पुस्तकाने माणसाचे मस्तक सशक्त होते आणि सशक्त झालेलं मस्तक कोणाचही हस्तक होत नाही आणि हस्तक न झालेलं मस्तक कुणापुढेही नतमस्तक होत नाही’. याचा आपण विचार जरूर करायला हवा. एकविसाव्या शतकात आपण आज आहोत. जुन्या जाचक रुढी, परंपरा घेऊन बसणं म्हणजे गाढवावर बसून जग भ्रमण करण्याचं ठरवणं होय. आपण इहवाद स्विकारला पाहिजे. डॉ. बाबासाहेबांना एका ख्रिश्चन धर्मगुरूने पत्र लिहून पाठवलं होतं की ‘तुम्ही आमचा धर्म स्विकारा येशु तुम्हाला स्वर्गात मुक्ती मिळवून देईल.’ तेव्हा डॉ. बाबासाहेबांनी त्यांना उत्तर दिले की ‘तुम्हाला कोणत्या गाढवाने सांगितलं की मला स्वर्गातली मुक्ती हवी मला माझ्या समाजाची इहलोकातली मुक्ती हवी आहे.’ असा इहवाद आपण सर्वांनी स्विकारायला हवा.

‘डॉ. बाबासाहेब हा बोलण्याचा विषय नसून तो आचरणाचा विषय आहे’. म्हणून त्यांचे विचार आपण स्विकारून प्रत्यक्ष आचरणात आणले पाहिजेत. आणि कोणताही देश

म्हणजे एखाद्या जमिनीचा तुकडा नसून तर लोकांची एकात्मता आणि माणसाच्या माणुसकीचे अस्तित्व होय. it is an easy to give an example but it is difficult to become an example...अमेरिका, रशिया महासत्तेचे आपण उदाहरण देतो पण स्वतःच्या महासत्तेचे उदाहरण बनले आहोत का? याचा विचार आपण करायला हवा. डॉ. बाबासाहेब आंबेडकरांना त्यांच्या देशातला शेतकरी हा संपन्न आणि आत्मनिर्भर पाहिजे आहे, त्यांचा विद्यार्थी हा भारतासाठी जगणारा पाहिजे आहे, भारतातले लोक त्यांना विज्ञानवादी पाहिजे आहेत, भारतामध्ये समता स्वातंत्र्य, बंधुत्व, आणि सामाजिक न्याय त्यांना पाहिजे आहे, स्त्रियांचा सन्मान त्यांना लोकांनी केलेला हवा आहे, त्यांना जातीवाद नको आहे सर्व मानव जन्मतः समान आहेत, देश त्यांना महासत्ता हवा आहे. लोकशाही आज जी ठोकशाही सामान्यांना वाटते ती 'लोकांनी चालवण्यापेक्षा ती लोकांसाठी चालवली जात आहे' असा विश्वास लोकांमध्ये हवा आहे.

डॉ. बाबासाहेबांची लोकशाहीची व्याख्याच 'लोकांच्या सामाजिक, आर्थिक, राजकीय जीवनात क्रांतिकारक बदल घडवून आणणारी शासनव्यवस्था म्हणजे लोकशाही होय' अशी आहे. म्हणजे लोकांच्या पूर्णतः जीवनात परिवर्तनकारी बदल घडणे हेच बाबासाहेबांच्या लोकशाहीचे ध्येय आहे. आणि आपण ते पूर्ण करायला हवे. आणि डॉ. बाबासाहेब असेही म्हणतात की 'एखादा माणूस कितीही मोठा असला तर त्याच्या चरणी आपण आपले व्यक्तिस्वातंत्र्याची सुमणे उधळू नये.!' आणि पुढे ते असेही म्हणतात की 'स्वाभिमानाचा बळी देऊन कोणताही माणूस कृतज्ञता व्यक्त करू शकत नाही, शीलाचा बळी देऊन कोणतीही स्त्री कृतज्ञ राहू शकणार नाही आणि स्वातंत्र्याचे बळी देऊन कोणतेही राष्ट्र कृतज्ञता व्यक्त करू शकत नाही..' हा जो भयसुचक संदेश डॉ. बाबासाहेब आंबेडकरांनी दिला आहे तो वेळोवेळी आपणा सर्वांना दिशादर्शक आहे. याचा आपण सदोदित विचार करायला हवा आणि त्यांनी असेही म्हटले आहे की 'आपल्या शरीरात रक्ताचा शेवटचा बिंदू असेपर्यंत आपण आपल्या मायभूमीच्या स्वातंत्र्याचे रक्षण करायला हवे'.

खरी देशभक्ती राष्ट्रीयत्व काय? 'एखाद्या भारतीय व्यक्तीला परदेशात काही झाल्यास 'संपूर्ण देश' पेटून उठला पाहिजे फक्त त्याच्या धर्माचे किंवा जातीचे नव्हे..!' हेच खऱ्या एका राष्ट्राचे लक्षण आहे. त्यातच त्याचे रक्षण आहे.

निवडणुकीच्या काळामध्ये आपल्या मताधिकाराचा (मतदान नव्हे!) वापर विचारपूर्वक करायला हवा. मतदान

या शब्दात 'दान' असल्यामुळे आणि दान दिल्यावर काही संबंध राहत नाही तसेच राजकीय नेत्यांना वाटते की दान केलं म्हणजे संपलं आणि त्याच्या मतासाठी लोक पैसेही स्विकारतात. डॉ. बाबासाहेब आंबेडकरांनी याविषयी अतिशय विचारपूर्वक संदेश दिला आहे. 'तुमच्या मताची किंमत तुम्ही मीठ मिरची इतकी कमी समजू नका. ज्यादिवशी त्यातील सामर्थ्य तुम्हाला कळेल तेव्हा ते मत विकत घेऊ पाहणाऱ्या व्यक्ती इतके कंगाल कोणी नसेल..!' हे खरोखरच खरं आहे. मतामध्ये इतकी शक्ती आहे की सत्तेला ती नियंत्रित करू शकते. म्हणून डॉ. बाबासाहेबांनी सांगितल्याप्रमाणे त्याचा वापर करणे गरजेचे आहे आणि मताधिकार (Right of vote) हा केवळ डॉ. बाबासाहेबांमुळेच प्रत्येक भारतीयाला मिळाला आहे. कित्येक देशामध्ये स्त्रियांना, गरीबांना, खालच्या जातीच्या लोकांना मताधिकार नव्हते आणि भारतासारख्या देशामध्ये डॉ. बाबासाहेबांनी ते इतक्या लवकर भारतीय संविधानाच्या माध्यमातून दिले आहेत याविषयी प्रत्येक भारतीयाने बाबासाहेबांशी नेहमी कृतज्ञ राहिले पाहिजे.

जातीवाद, दलितांवरील अत्याचारात वाढ होताना दिसत आहे. एखाद्या व्यक्तीला खालच्या जातीचा आहे म्हणून असे अमानवी कृत्य करणे लांछनास्पद आहे. उत्तर प्रदेश असो किंवा महाराष्ट्र असो किंवा आणखी कोणते राज्य असो असे अन्याय अत्याचार रोज होत असतात पण ते माहिती होतातच असे नाही. डॉ. बाबासाहेबांनी म्हणून सांगितले आहे की, Castes are anti-national (जाती या देशविघातक आहेत) म्हणून डॉ. बाबासाहेबांनी annihilation of caste लिहून जगाचे लक्ष वेधले. आणि जाती निर्मूलन करण्यासाठीच आणि माणसाला माणूस बनवण्यासाठी त्यांनी बौद्ध धम्म स्विकारला. आणि डॉ. बाबासाहेबांना विज्ञानवादी धम्म पाहिजे होता. बुद्ध म्हणतात की, मी सांगतो आहे म्हणून माझा धम्म स्विकारू नका तसेच कोणतीही गोष्ट एखादी मोठी व्यक्ती सांगत आहे किंवा ज्येष्ठ व्यक्ती सांगत आहे. म्हणून ती गोष्ट स्विकारू नका तर ते बुद्धिच्या कसोटीवर घासून बघा. ती तुम्हाला बुद्धिसंगत, न्यायसंगत वाटत असली तरच स्विकारा अन्यथा सोडून द्या. स्वतःच्या धर्माविषयी जगात बुद्धाशिवाय कोणीही इतके विचारस्वातंत्र्य दिले नाही..! असाच विज्ञानवाद डॉ. बाबासाहेबांना भारतीय लोकांमध्ये पाहिजे आहे.

आज चित्र पाहिले तर देशाचे दोन भाग दिसतात. एक भारत आणि दुसरा इंडिया..! भारत हा खेडेगावाला म्हणतात आणि इंडिया हे शहरी भागाला म्हणतात. आजही खेडेगावात

अप्रगत आणि फक्त शहराचा विकास होत आहे. ही विषमता आपल्याला नष्ट करावी लागेल. शहराबरोबरच आपल्याला गावांचाही विकास करावा लागेल. 'स्मार्ट सिटी' बरोबरच 'स्मार्ट व्हीलेजही' व्हायला हवे. शेती आणि शेतकऱ्यांविषयी डॉ. बाबासाहेब आंबेडकरांनी जे भाकीत केले होते ते आजही लागू पडते किंबहुना त्याची गरज तेव्हापेक्षा जास्त आहे. डॉ. बाबासाहेब म्हणाले होते की, 'भारतीय शेती ही आजारी पडली आहे. शेतीसाठी शासनाने पुढाकार घ्यायला हवा. शेतकऱ्यांने शेतीवरचा बोजा कमी करण्यासाठी आपल्या मुलांना शिक्षण देउन उद्योगधंदा सुरु करायला सांगायला पाहिजे, नोकरी करायला पाहिजे आणि फक्त एकालाच शेतीत ठेवले पाहिजे. आणि सर्वात महत्त्वाचं शेतीला आपण उद्योगाचा दर्जा दिला पाहिजे. त्याच्या उत्पादनाला आपण उद्योगाच्या उत्पादनाचा भाव द्यायला हवा. नाहीतर एक दिवस असा येईल की शेतकऱ्याला आत्महत्या करावी लागेल...!'

डॉ. बाबासाहेबांनी केलेलं भाकीत आज खरं होत आहे. शेतकरी आत्महत्या ही गंभीर समस्या बनली आहे. यासाठी तमाम शेतकऱ्यांनी आणि सरकारने डॉ. बाबासाहेबांनी जे विचार प्रदर्शित केले आहेत त्याचा अंगिकार करणे ही काळाची गरज झाली आहे.

'आभाळाला हात लावायचा असेल तर अगोदर स्वतःची उंची वाढवली पाहिजे' त्याचप्रमाणे डॉ. बाबासाहेबांच्या स्वप्नातला भारत निर्माण करायचा असेल तर त्यांचे विचार आपण स्विकारले पाहिजेत आणि स्वप्नातला भारत स्वप्नातच नाही तर तो प्रत्यक्षात आपल्याला निर्माण करायला हवा. हेच डॉ. बाबासाहेब आंबेडकरांना विग्रम अभिवादन असेल....!

(वरील निबंधाने राज्यस्तरीय मुंबई विद्यापीठाच्या निबंध स्पर्धेत पारितोषिक मिळवले आहे.)

आज ही तिला यायला उशीर झाला. तसा उशीर तिला नेहमीच व्हायचा पण काहीसा जास्तच झाला. ती भेदरलेली आणि भिजलेली होती. तशीच दारात येऊन उभी राहिली. सरांनी तिच्याकडे शांतपणे पाहिलं आणि तिला आत यायला सांगितलं. तो एक कॉलेजचा वर्ग होता. त्या वर्गातला तो एक कोपरा, त्या कोपऱ्यात असणारा बाक आणि त्या बाकाच्या उजव्या हाताला असणारी खिडकी हे तीनच काय ते तिचे सवंगडी. सरांचा तास संपला की खिडकीतून बाहेर वेगवेगळे पक्षी न्याहाळायला आणि चिंब भिजलेली पानं पाहायला तिला फार आवडायचं पण आज तिला ह्यातलं काही करता येण्यासारखं नव्हतं. सरांचा तास संपला. सर वर्गाबाहेर गेले आणि तोच रमा उठली. पटापटा पुस्तकं एकत्र केली, शबनम खांद्यावर टाकली. हातात छत्री घेतली आणि रमा निघाली. वेगानं पावलं टाकत. आज जणू त्या पावसाच्या सरांनाही तिच्याशीच स्पर्धा करायची होती. तिचे जे कपडे पूर्णपणे वाळलेही नव्हते ते पुन्हा भिजले.

तिला घरातून निघतानाच आत्येनं कल्पना दिली होती कि त्याच दिवशी रमाला घर सोडावं लागणार. आत्याही अगतिक होती. रमानं गेट उघडलं, आत आली आणि घरात जाण्यासाठी म्हणून चपलांचे बंद सोडण्यासाठी ती वाकली आणि तोच तिला एक संभाषण ऐकू आलं,

“आई रमाला आजच्या आज घर सोडायला सांग” हे सात शब्द तिच्या मेंदूपर्यंत पोहोचले. हृदयापर्यंत पोहोचू शकलेही असते पण त्या घरातल्या कोणाच्याच आवाजानं कधीच तिच्या हृदयाचा ठाव घेतला नव्हता.

रमा चपलाचे बंद न सोडताच मागच्या दारातून आत आली. बाहेरच्याच खोलीत तिनं आपलं सामान गोळा करून ठेवलं होतं. १ कपड्याची सुटकेस, १ पुस्तकाची पिशवी बस्सं! रमा निघाली जाताना तिनं एकदाच मागे वळून पाहिलं आणि त्या २ मजल्याच्या प्रशस्त बंगल्याला वाकून नमस्कार केला अगदी कृतज्ञतेनं. कारण त्या वास्तूनं १३ वर्ष तिला आश्रय दिला होता ‘न बोलता’. तिला आत्येला आणि काकांना भेटायचं होतं. पण आता तिला कुणालाही धर्मसंकटात पाडायचं

नव्हतं, कुणावरही कोणतंही नातं लादायचं नव्हतं. कारण साहजिकच त्यांनाही कुटुंब होतं, ज्यात रमा निव्वळ आश्रित होती.

रमानं शेवटचं त्या वास्तूकडे भरभरून पाहिलं आणि जणू ती वास्तूही तिच्याकडे असहाय्यपणे पाहत होती.

“निर्जीव! सजीव! हं.. जगात निर्जीव आणि सजीव असं काहीचं नसतं नं. ती नजर असते जी निर्जीव आणि सजीव असा भेद करते.” रमा स्वतःशीच कुजबुजली.

२० वर्षांची रमा निघाली. आत्येकडे येताना तिनं बाबांचा १ फोटो आणि चावी इतके दोनचं जिन्नस काय ते स्वतःच्या घराचे आणले होते.

रमा स्वतःच्या घराकडे आली. गेट उघडला आणि पाहते तर काय १३ वर्ष! १३ वर्ष तो बैठा बंगला युगंधर देशपांडेच्या अचानक झालेल्या मृत्यूचा आघात झेलत आणि माणसांची वाट पाहत धुळीनं माखलेला तरी शांतपणे उभा होता.

रमानं घरात पाऊल ठेवताच त्या घरातला प्रत्येक कोपरा रमाला तिच्या आणि बाबांच्या आठवणी सांगू लागला. तिचा भूतकाळ तिला स्पष्ट आठवत होता. अश्रूंचा बांध फुटला पण ते अश्रू डोळ्यांतून वाहण्याखेरीज आणि गालांवरून ओघळण्याखेरीज काहीच करू शकणार नव्हते हे रमाला ठाऊक होतंच.

“यांनी असं का केलं असेल? बाबांना मारून त्यांना काय मिळालं? कोण होते ते?”

अनेक प्रश्न तिच्या डोक्यात थैमान घालत होते. रमा ७ वर्षांची असतानाच युगंधर देशपांडेचा म्हणजेच रमाच्या शास्त्रज्ञ बाबांचा खून झाला होता. बाबांच्या निधनानंतर १४ व्या दिवशी आत्येकडे सोडून जाणाऱ्या तिच्या आईने एकदाही मागे वळून पाहिलं नव्हतं.

“कुठे असेल ती? तिला कधीतरी माझी आठवण येत असेल का?” ती स्वतःशीच कुजबुजली.

उत्तर 'नाही' हे तिला ठाऊक होतंच.

'तिचा तरी काय दोष? तिचं लग्न मनाविरुद्ध झालेलं. त्यात ती देखणी, बाबा सुमार मी पितृमुखी आणि माझा जन्म हे देखील तिच्यावर लादलेलं नातं.'

आता रमाचं डोकं हळूहळू शांत होऊ लागलं. बाबांचं आयुष्य आणि रमाचं बालपण एकत्रच विरुप गेलं होतं.

रमानं घर आवरलं आणि स्वतःलाही सावरलं. ७ व्या वर्षीचं प्रौढ झालेल्या रमासाठी घर आवरणं ही फार मोठी गोष्ट नव्हती. काळ का कधी कुणासाठी थांबतो?

रमाचं शिक्षण पूर्ण झालं. बँकेत तिला चांगल्या पदाची नोकरी ही मिळाली. पण तिची ती करुण नजर तशीच होती. कुटुंब शोधत. ह्या नोकरीनंच रमाला बरचसं काही दिलं. तिचं इथेच समाजातल्या वेगवेगळ्या स्तरांना अनुभवलं.

कुणीही नसणाऱ्या वृद्धाश्रमात राहणाऱ्या ७० वर्षांच्या फडके काकांमध्ये, १२ वर्षांच्या चहा द्यायला येणाऱ्या कोवळ्या

अनाथ सूरजच्या डोळ्यांत तिला जीवनाचा अर्थ समजला. फडके काका, सूरज यांच्यापासून सुरु झालेलं तिचं कुटुंब आता ५ वृद्धांचं, ३ अनाथ मुलांचं आणि २ परित्यक्तांचं कुटुंब बनलं. तिच्या राहत्या घरानं एका कुटुंबाच रुप घेतलं. तिथे सगळेच एकमेकांसाठी आणि प्रत्येकजण स्वतःसाठी होते. एकमेकांच्या आयुष्यातल्या पोकळ्या भरत होते. त्यांच्या चेहऱ्यावरचा आनंद रमाला रोज नवी उभारी देऊ लागला.

कुटुंबाचा आवाका वाढतच होता. एकदा नव्यानं कोण रजू झालंय? हे पाहण्यासाठी तिने रजिस्टर उघडला. त्यात पहिलंच नाव होतं. 'तिलोत्तमा देशपांडे' ही तीच बाई होती जी ७ वर्षांच्या रमाला आत्येकडे सोडून गेली होती. जितक्या सहजतेनं रमानं ते नाव वाचलं तितक्याच सहजतेनं तिचं ते पान पलटलं. रमाला ना तिच्याबद्दल द्वेष होता, ना राग, ना प्रेम. ती बाई फक्त तिच्यासाठी त्या सदनातली सदस्यच होती पण रमा! रमा मात्र सदनाची आई.

यंत्र

अरे किती त्या यंत्रात वाहकील मुंम,
जकां मांम वर कळल बघ,
आणि बघ ह्या जगाकडे
मिळतील तुला असे लावले यंत्र
पण... पण मिळणार नाहीत
जीवां-भावांची माणसं

अरे, हे जग वदूप मोठं आहे,
जकां डोळे फिक्कल तवी बघ!
मिळतील तुला असे कबोडो यंत्र
पण दिवसणार नाहीत अशी
सुंदर दृश्य

नुसतं बेलफी, पौबट्ट, फेसबुक
मध्ये मुंम वाहण्यापेक्षा
जकां Text Book मध्ये मुंम हो!
होतीय नष्ट ओलावा नात्यातला,
पण काय रे कळत नाही का तुला?

नको ठेवूंस हे जग बीमित ह्या गोष्टींसाठी
म्हणून म्हणतो, जकां जा बघेव
मिळल मित्र मंडळींमध्ये
नाही मिळणार हा आनंद पुन्हा
कळल घे मज्जा करावी

आणि हो... पुन्हा एकदा सांगतो
नीट ऐक नाही मिळणार असे मित्र
पण मिळतील असे यंत्र
कारण...

नातं हं नातं असतं,
फक्त मेसेज पुढतं बीमित नसतं
म्हणूनच वेळ काढा आणि
संवाद साधा

माझे जोशी-बेडेकर महाविद्यालयातील मोरपंखी दिवस

यशश्री सामंत

T.Y.B.A.

आयुष्यातील क्षण कसे भूरकन् उडून जातात. आमचे शाळेचे दिवसही भूरकन् उडून गेले आणि कॉलेजचेही टी.वायू. पूर्ण कधी झाले ते समजलेच नाही.

गेल्या ५ वर्षातील आठवणींची अनेक फुलपाखरं आज अवतीभवती जमा झालेली आहेत. माझे जोशी-बेडेकर कॉलेज, माझे मित्र-मैत्रिणी आणि सगळ्यात महत्वाचं म्हणजे मला संस्काराची शिदोरी देणारे माझे सर्व शिक्षक. कॉलेजच्या पायऱ्यांवर उभी राहून मी अखंड कॉलेज मी न्याहळते.

कॉलेजच्या भिंती, आजूबाजूची झाडे माझ्याशी बोलू इच्छितात. पण मित्रांनो त्या आधी मला काही सांगायचंय. गेल्या ५ वर्षातला माझा सुगंधी प्रवास. या प्रवासातल्या मनाला आनंद देणाऱ्या खूप आठवणी.

माझा कॉलेजमधील पहिला दिवस. माझी अॅडमिशन मला हव्या त्या कॉलेजमध्ये झाली. आणि मी कॉलेजमध्ये प्रवेशही केला. सगळं काही अनोळखी वाटत होतं. मनात थोडी भितीही होती. कॉलेजमधील वातावरण कसे असेल, मित्र-मैत्रिणी कसे असतील, शिक्षक कसे असतील हे प्रश्न मनात भांबावत होते. माझा कॉलेजमधील पहिला दिवस फारच छान होता. मनात जी भिती, शंका होती ती नाहीशी झाली. पहिल्या दिवसाचा पहिला लेक्चर कोरे मॅडमचा होता. त्यांनी आम्हा प्रत्येकाला आमचे नाव, शाळेचे नाव, १०वीत किती टक्के मिळाले ते विचारले. त्या स्वभावाने कडक वाटतच होत्या आणि त्या कडक व शिस्तप्रिय, चुकी झाल्यास लेक्चरला न बसल्यास वेळोवेळी ओरडायच्या पण तितक्याच त्या समजूतदार व मनाने खूपच प्रेमळ होत्या. ११ वीत डेसळल व Philosophy शिकवायला होत्या. हळूहळू मैत्रिणीशीही ओळखी झाल्या. मग पहिल्याच दिवशी आम्ही कॉलेजच्या कॅन्टीनमध्ये ही गेलो. तसं सर्व नवनवं आणि छान वाटत होतं.

हळूहळू एकेक दिवस जात होते. तसेतसे नवनवीन शिक्षक त्यांचे लेक्चर्स त्यांचे प्रेमळ स्वभाव हे परिचयास आले. आम्हाला Economics या विषयाला प्रेम सर, शर्मा सर, परदेशी मॅडम, ठाकूर मॅडम पुस्तकातील कठीणातला कठीण भाग अगदी सोप्या पद्धतीने शिकवायचे. History साठी आम्हाला

वझे सर होते. ते इतिहासातील प्रत्येक घटना डोळ्यासमोर प्रत्यक्ष उभ्या करत असे. मराठीच्या दहिवले मॅडम, सोनावणे मॅडम, कदम सर कविता व धडे उत्कृष्ट व मनोरंजक पद्धतीने शिकवत. English शिकवायला आम्हाला अंजली मॅडम, काळे सर, खेडकर सर, किरण मॅडम यांची व्याकरण शिकविण्याची पद्धत छान होती. E.V.S. शिकवायला आम्हाला दीक्षित मॅडम होत्या. त्या पर्यावरणविषयक छान माहिती द्यायच्या.

लेक्चर व्यतिरिक्त कॉलेजमध्ये आमच्या कितीतरी अॅक्टिव्हिटी चालू असायच्या. कात्यायन सभागृहात डान्स, गायन किंवा वेगवेगळ्या क्षेत्रातील प्रगत असलेल्या व्यक्तीची भाषणे, नामवंत कलावंतांची भाषणे आणि इतर अनेक विद्यार्थ्यांसाठी उपयुक्त असणारे कार्यक्रम चालायचे. त्यात मुलामुलींचाही सहभाग असायचा. आम्ही सहभाग घेऊन नवीन अनुभव घ्यायचो. नाट्यमय असे एक नाटकाचे शिबिर कात्यायनमध्ये चालायचे. त्यात बरेच विद्यार्थी सहभागी होत व नाट्य कलाकृती सादर करीत. त्याशिवाय अन्य अॅक्टिव्हिटीज म्हणजे स्पोर्ट्स त्या कबड्डी, खो-खो, फुटबॉल, व्हॉलीबॉल, बॅडमिंटन अन्य खेळ खेळले जात.

आमच्या कॉलेजमध्ये कॅरम्, बुद्धीबळ, टेनिस असे बसून खेळण्याचे खेळ खेळायसाठी जिमखाना आहे. तसेच आमच्या कॉलेजमधील ग्रंथालय म्हणजे अफाट आणि असंख्य वेगवेगळ्या भाषेतील पुस्तकांचा खजिनाच आहे. तेथील पुस्तकांचा आम्ही वेळोवेळी आस्वाद घेत असत. जर आपल्याला हवे ते पुस्तक ग्रंथालयात उपलब्ध नसतील तर आमचे ग्रंथालय विभाग प्रमुख नारायण बारसे सर ती पुस्तकं उपलब्ध करून द्यायची.

११ वीच्या पहिल्या वर्षी आम्ही नवरंग फेस्टिवलचा आनंद घेतला. त्यात आम्हाला रोज ठरवून दिलेल्या पोशाखात आम्ही यायचो. त्यात सारी डे, ट्रॅडीशनल डे, बलॅक अँड ब्लू डे, खादी डे, रोड डे, मिस मॅच डे, ग्रुप अलाइक डे, विंटर डे असे डेज असायचे. तेव्हा गेमस्, स्पोर्ट्स, गायन आणि नृत्याच्या स्पर्धा असायच्या. असे ११ वीचे वर्ष संपून गेले.

१२वीच्या वर्षात प्रवेश केला. तीच मजामस्ती करून अभ्यासाकडे गांभीर्याने लक्ष दिले. कॅन्टीनमध्ये बसून गप्पागोष्टी

करणे, कॅम्पसमध्ये फिरणे असे चालू असायचे. बघता बघता १२वीचे ही वर्ष पटकन संपले आणि १२वीची बोर्ड परीक्षाही जवळ आली. तशी तोंडी परीक्षाही सुरु झाली. लायब्ररीत बसून अभ्यास करण्याचा वेळ वाढवला. सेंटर मला आमचे कॉलेजच होते. त्यामुळे टेंशन नव्हते. परीक्षा संपली. रिझल्ट लागला. मला ७६% मिळाले. त्यातील माझा एक आठवणीचा भाग म्हणजे या विषयामध्ये ९४ मार्क्स होते. बाकी सर्व विषयात ७८ व ७९ च्या पुढेच होते. अशाप्रकारे ११ वी व १२ वीचे वर्ष चटकन निघून गेले समजलेच नाही.

एफ.वाय.बी.ए. प्रथम वर्षात प्रवेश घेतला. तेव्हा बऱ्याच मैत्रिणींनी कॉलेज सोडून दुसऱ्या कॉलेजमध्ये प्रवेश घेतला. त्यामुळे मला टेन्शन होते. आता या नवीन वातावरणातील नवीन शिक्षक, नवीन मित्रमैत्रिणी कसे असतील? पण तसे काहीच झाले नाही. कॉलेजमधील वातावरणाने मला पुन्हा आपलेसे केले.

नवीन विषय, नवीन शिक्षक पहिल्या दिवशी आम्ही गोंधळून गेलो होते. त्यातील पहिल्या दिवशीचा अनुभव...

पहिल्या दिवशी आम्ही कॉलेजमध्ये आल्यावर नोटीस बोर्डवर लेक्चर्स बघितले. आमचा मराठी LI हा लेक्चर होता. आम्ही C-Div मध्ये बसलो होतो. सर्व नवीन शिक्षक असल्यामुळे कोणत्या विषयासाठी कोणते शिक्षक हे कोणालाच कळले नाही. आमच्या वर्गात हिंदीचे अनिल ढवळे सर आले व आम्हाला हा हिंदीचा लेक्चर आहे असे सांगून बाहेर जाण्यास सांगितले. मग आम्ही वर्ग शोधत-शोधत तिसऱ्या मजल्यावर गेलो. एका वर्गात जाऊन बसलो. तर त्या वर्गात प्रा. संतोष राणे सर शिकवत होते. आम्हाला सर्वांना वर्गात बसवले आणि तुमचे कोणत्या विषयाचे लेक्चर आहे असे फार शांतपणे विचारले. नशीबाने ते मराठी विषयाचे प्राध्यापक असल्यामुळे आम्ही तेथेच शांतपणे बसलो. कोणते लेक्चर कोण घेणार व कोठे होणार याविषयी माहिती दिली. अशा गडबड गोंधळात पहिला दिवस गेला. मग आम्हाला सर्व शिक्षक आणि त्यांचे लेक्चर कोठे होतात हे कळू लागले.

आम्हाला मराठी शिकवायला प्रा. अनिल भाबड सर, प्रा. संतोष राणे सर, प्रा. शेळके सर होते. ते फार विनोदी पद्धतीने मुलांना कंटाळा येणार नाही अशा पद्धतीने कविता, धडे इतर गोष्टी शिकवत. आम्हाला मराठीच्या तासाला कधीच कंटाळा आला नाही. Philosophy शिकवायला आम्हाला सुप्रिया मॅडम आणि वाघमारे सर होते. ते हा विषय अगदी

छान व सोप्या पद्धतीने शिकवत. History शिकवायला डॉ. इंद्रायणी रॉय मॅडम आणि उपप्राचार्य सुभाष शिंदे सर होते. त्यांचे इतिहासाबद्दलचे ज्ञान आणि शिकवण्याची पद्धत म्हणजे अप्रतिम. Communication Skills म्हणजेच थोडक्यात इंग्लिश शिकवायला माधवी मॅडम, सुजा मॅडम, मनोज सर, खराटे सर होते. त्यांचे इंग्रजी विषयाचे ज्ञान खूप होते. Foundation Course या विषयाला प्रफुल्ल सर, रुता मॅडम होत्या. त्यांच्याकडून आम्हाला नवीन समाजात घडणाऱ्या गोष्टींचे ज्ञान व्हायचे.

प्रथम वर्षातील एक अनुभव. एफ. वाय आणि एस. वायच्या परीक्षा कॉलेजमध्येच होत असून टी. वायची परीक्षा University घेत होती. पण आमच्या वेळी हा नियम बदलला आणि आमची एफ.वाय., एस.वाय. ही परीक्षासुद्धा University Board घेणार हे ठरले. त्यामुळे मनात भिती होती, की परीक्षा कशा पद्धतीने होईल, पेपर पॅटर्न कसा असेल असे विचार मनात येत होते. सर्व मुलांनी प्रयत्न करून यश मिळविले.

आम्हाला प्रथम वर्षामध्ये प्राचार्या सुचित्रा नाईक मॅडम या नवीन रूजू झाल्या. त्या खूप प्रेमळ आणि साहाय्यक होत्या. जशा आम्हाला ११वी १२वीला शकुंतला सिंग मॅडम या प्राचार्या होत्या. उपप्राचार्या तिरमारे मॅडम होत्या आणि डिग्री कॉलेजसाठी उपप्राचार्य सुभाष शिंदे सर होते.

द्वितीय वर्षात प्रवेश केल्यानंतर अभ्यासाचे ओझे थोडे वाढले. मज्जामस्ती सुद्धा केली पण मर्यादित. सर्व शिक्षकांची जास्त ओळख ही एस. वाय. ला झाली. माझा सर्वात आवडता विषय म्हणजे मराठी आणि मानसशास्त्र.

आम्हाला एस. वाय. ला Foundation Course साठी प्रोजेक्ट होता. तो म्हणजे कोणत्याही एका साहाय्यक गरजूस मदत करणाऱ्या आश्रम संस्थेत जाऊन तेथे तीन दिवस काम करून त्यावर आलेल्या अनुभवाचा रिपोर्ट लिहायचा होता. तर तेव्हा आलेला एक अविस्मरणीय अनुभव...

आमच्या ग्रुपने बदलापूर मधील मूळगाव या आदिवासी पाड्यातील मतीमंद मुलांसाठी व वृद्धांसाठी कार्यरत असणारी 'आधार फाऊंडेशन' ही संस्था निवडली. तेथे आम्ही पाहिले की आम्ही गेल्यावर त्यांनी टाळ्या वाजवून स्वागत केले.

तिकडे आम्ही पाहिले तर त्या लोकांना काहीच समजत नव्हते. ज्या लोकांना थोडेफार समजत होते अशा मुला-मुलींचा एक वर्ग, ज्यांना काहीच समजत नाही. अशांचा एक

वर्ग होता. ज्या मुलांची क्षमता आहे मुला-मुलींकडून पणत्या बनविणे, वाती बनविणे व इतर सर्व कामे शिकवत व करून घेत. आम्हाला त्यांच्यासोबत काम करून खूप आनंद मिळाला. त्यांच्या सोबत कॅरम खेळतांना गप्पागोष्टी करताना खूपच छान वाटले, की त्या मुलांना बौद्धिक क्षमता नसली तरी भावना आपल्या सारख्याच असतात. त्यांना प्रेम करता येतं हे आम्हांला जाणवले. या सर्व अनुभवांचे प्रेझेंटेशन कॉलेजमध्ये दिले. या उपक्रमामुळे आमच्या हातून चांगले काम घडले आणि ते आमच्या कॉलेजमुळेच.

द्वितीय वर्ष पटकनच संपून गेले. मी तृतीय वर्षात प्रवेश केला. मी माझा आवडता मराठी विषय घेतला. माझे आवडते शिक्षक होते. भाबड सर, राणे सर, राजश्री माने मॅडम. यांना मी आवडते शिक्षक म्हटले कारण आम्हाला कोणत्याही अडचणी असल्यास ते केव्हाही मदत करत. आपुलकीने सांगत. या वर्षात आम्ही खूपच धमाल केली व हसत खेळत शिकलो.

तृतीय वर्षाचा अभ्यास फार अवघड आहे असे म्हणतात. पण याही वर्षात आम्ही आनंदाने हसत शिकलो. वर्गात वाचन करणे, कथा, कविता, कादंबरी, नाटक वाचणे, वेगवेगळे उपक्रम करणे त्यामुळे आमचा आत्मविश्वास वाढत गेला. त्यातील एक अनुभव...

मराठी विभागातर्फे आयोजित 'ग्रंथालयाचा आपल्या जीवनातील उपयोग' असा कार्यक्रम होता मला प्रा. राणे सर म्हणाले, तू या कार्यक्रमाचे सूत्रसंचालन कर, पण मला भिती वाटत होती. कारण कधीच मी सूत्रसंचालन केले नव्हते. हे मी सरांना सांगितल्यावर सर म्हणाले, आलेल्या संधीचे सोने केले पाहिजे. संधी नेहमी येत नाही. एकदाच येते आणि त्या संधीचे सोने करणे आपल्या हाती असते. त्यावेळी मी सूत्रसंचालन केले व माझा आत्मविश्वास वाढला.

या कॉलेजने मला बरेच काही दिले आहे. कारण मी ११वीत होती तेव्हा माझ्यात एवढा आत्मविश्वास, हिंमत नव्हती. तृतीय वर्षात जाता जाता ती वाढत गेली. या कॉलेजने माझ्यावर चांगले संस्कार केले, नवनवीन गोष्टी शिकविल्या. १०वी ते तृतीय वर्षापर्यंतचा प्रवास रम्य व आनंददायी होता.

आपल्याला आपले आई-वडील व इतर सदस्य जेवढे चांगले वळण लावतात तेवढेच आपली शाळा आणि कॉलेजही लावते. या कॉलेजने व कॉलेजमधील शिक्षकांनी मला वेळोवेळी

मदत केली. परिस्थितीला सामोरे जाण्यास शिकविले. धीट व खंबीर राहण्यास शिकविले. आपले भविष्य आपणच घडवायचे असते त्यासाठी आताच सुरुवात करावी व झटून प्रयत्न करावे हे शिकविले.

आज मी जी काही आहे, ते कॉलेजच्या शिक्षणामुळेच व शिक्षकांमुळेच. मला अभिमान आहे, मी जोशी बेडेकर कॉलेजची विद्यार्थिनी आहे.

आपल्यात काय गुण आहे हे समजल्याशिवाय आपण पुढे कसे जाणार. ह्याची जाणीव कॉलेजने करून दिली. एक चांगलं व्यक्तिमत्त्व घडवून आणण्याचे काम कॉलेजने केले. त्यामुळे मी कॉलेजची ऋणी आहे.

असे हे कॉलेजचे रंगीत आणि संगीत दिवस. अशा मोरपंखी दिवसांची थोडीथोडकी नव्हे तर पाच वर्षांची रम्य आणि न विसरता येणारी अभ्यास सहल मी अनुभवली आणि त्याबद्दल जेवढे सांगावे व लिहावे तेवढे कमीच...

मी कॉलेजच्या अविस्मरणीय क्षणाबद्दल दोन शब्द काव्यरूपात बोलू इच्छिते.

असे नेहमी का होते ?

पहिल्यांदाच नवीन विश्वात प्रवेश करून
अनोळखी वाटणारे कॉलेज
कधी आपलेसे करून घेते
समजतच नाही...

मग अचानक आपले विश्वच बदलून जाते
मग बोअर लेक्चर असेल
तर बसावेसे वाटते

कधी शिक्षकांचा ओरडा खाऊन
काही तरी नवे शिकायला मिळते
तर कधी शिक्षकांनी कौतुक केल्यास
मनाला समाधान वाटते

कॉलेजमधील विविध अनुभवाने
आपले आयुष्य फुलून जाते
वेळोवेळी ते आपल्याला
काहीतरी शिकवून जाते

लायब्ररीत तासंतास भूरकन उडून जातात
पुस्तकातील नाही तरी
मनातली चार पानं वाचून होतात

रिझल्ट कसाही लागो
तरी एक्झाम द्यावीशी वाटते
कमी मार्क मिळवून
शिक्षकांचा ओरडा खाण्यातही
एक वेगळीच मज्जा असते.

हळूहळू आत्मविश्वास वाढून
जगाशी लढण्याची हिंमत आपल्यात निर्माण होते.
शिक्षकांचा ओरडा आणि प्रेम आठवून
चेहऱ्यावर नकळत हास्य येते.

एक्सट्रा लेक्चर ठेवलं तरी
त्याला आपली हो तर कधी ना असते
आता तर रविवारी पण
कॉलेजमध्ये यायची तयारी असते

असे करता करता कॉलेजची वर्ष निघून जातात
जाता जाता डोळ्यांमध्ये मात्र
विरहाची आसवं देऊन जातात

अशा मोलाच्या आठवणींचा खजिना घेऊन
आयुष्याला नवी वाट मिळते
आणि पुन्हा ते कॉलेजचे दिवस आठवले की
डोळ्यात चटकन पाणी येते

बाबा

हसंता हसंता मालांवर तिच्या मोंड वळळी येऊ दे
तिच्या नावापुढे माझे नाव येऊ दे

बांमत बांमत चालताना मुबद्री तिच्या 'बाबा' अक्षी हाक येऊ दे
तिच्या नावापुढे माझे नाव येऊ दे

कसवे फुमवे सोडून कावे माझ्या जवळ ती येऊ दे
तिच्या नावापुढे माझे नाव येऊ दे

उष्टाच्या त्या माव्रलेल्या हाताने ती मला एक घास भवतू दे
तिच्या नावापुढे माझे नाव येऊ दे

वडता वडता तिच्या मुबद्रीतून माझे नाव येऊ दे
तिच्या नावापुढे माझे नाव येऊ दे

बात्री निजताना बाबाच्या मुबद्रीतून एक सुंदर कथा तिला ऐकू दे
तिच्या नावापुढे माझे नाव येऊ दे

आयुष्यातल्या तिच्या स्वप्नांना सत्याची साथ मिळू दे
तिच्या नावापुढे माझे नाव येऊ दे

आयुष्यातल्या चढाओढीत तिला माझी साथ मिळू दे
तिच्या नावापुढे माझे नाव येऊ दे

परीकथेतील राजकुमार तिच्या नक्षीबी येऊ दे
तिच्या नावापुढे माझे नाव येऊ दे

अब्रेवीस कासरी जाताना तिच्या डोळ्यात बाबासाठी अश्रू येऊ दे
तिच्या नावापुढे माझे नाव येऊ दे

चांगल्या पर्यावरणासाठी इंधन बचत...

दिया भोईर

11th Com

इंधन हा आपल्या दैनंदिन जीवनातील महत्वाचा घटक आहे. आपल्या जीवनात आवश्यक असलेल्या वस्तू विविध कारखान्यातून उत्पादित केल्या जातात आणि त्याचे उत्पादन करण्यासाठी इंधन हा महत्त्वपूर्ण घटक असतो.

पेट्रोल, डिझेल याचे महत्त्व जगभर अनन्यसाधारण आहे. जगात सर्वच देशात पेट्रोल, डिझेलचे उत्पादन होत नाही. त्यामुळे जगातील बहुतांशी देशांना पेट्रोल, डिझेल उत्पादन करणाऱ्या काही देशांवर अवलंबून राहावे लागते. पेट्रोल, डिझेलचे विविध विशेषता आखाती देशांमध्ये आहे आणि म्हणून जागतील बहुतांशी देश हे पेट्रोल, डिझेलच्या आखाती देशांमधून आयात करतात. जगाची वाढती संख्या आणि त्याचबरोबर वाहनांची वाढती संख्या आणि त्यामुळे पेट्रोल, डिझेलची मागणी दिवसागणिक वाढत आहे.

पेट्रोल, डिझेलचे उत्पादन व मागणी याचा विचार केला तर मागणी प्रचंड प्रमाणात वाढत आहे आणि उत्पादन मात्र काही प्रमाणात व देशात होतो. परिणामी पेट्रोल व डिझेलचे दर प्रतिदिन वाढत आहे. सामान्य माणसाला पेट्रोल, डिझेलचे वाढते दर आणि वाढत जाणारे महागाईने सामान्य जनता हैराण झाली आहे आणि म्हणूनच इंधन बचत हाच एक महत्त्वपूर्ण उपाय अवलंबला पाहिजे.

आपण रस्त्या-रस्त्यात, चौका-चौकात, ट्राफिक जॅम झालेला पाहतो. पेट्रोल पंपवर लांबच लांब रांगा पाहतो. वाढत्या ट्राफिकमुळे पर्यावरणामध्ये प्रदुषण वाढत आहे. पेट्रोल, डिझेलचा वापर केल्यावर वातावरणात कार्बनडायऑक्साईड वायू सोडला जातो. त्यामुळे पर्यावरणाची प्रचंड हानी होते.

हवेतील शुद्ध ऑक्सिजनवर त्याचा परिणाम होतो म्हणून कमीत कमी इंधनाचा वापर करणे आवश्यक आहे. गाडी चालवताना चौकामध्ये सिग्नलला गाडी थांबवल्यास इंधन बचत होऊ शकते. स्वतःची कार आवश्यक असल्यास तसेच संपूर्ण कुटुंब बाहेर फिरायला जात असल्यास तरच गाडी काढणे ठीक आहे. अन्यथा सार्वजनिक वाहतुक व्यवस्थांचा वापर केल्यास मोठ्या प्रमाणात इंधन बचत होऊ शकते. गाडी चालवताना कमीत-कमी ब्रेक व क्लचचा वापर केल्यासही इंधन बचत होते. सरकारनेही सार्वजनिक उपक्रमाची वाहने उत्तम प्रकारची ठेवल्यास जनताही खाजगी वाहनांपेक्षा सार्वजनिक वाहनांनी प्रवास करणे पसंद करेल.

चांगले रस्ते हे देखील इंधन बचतीसाठी उपयुक्त असतात. खड्डेमय रस्त्यावरून वाहने चालवताना ब्रेक आणि क्लचचा वापर जास्त प्रमाणात होते. तसेच वाहनांची वेग मर्यादाही कमी असते. परिणामी इंधन जास्त प्रमाणात लागते. थोडक्यात इंधन बचतीसाठी जितके प्रयत्न प्रत्येक व्यक्तित्ने करायला हवेत तितकेच किंबहुना त्याहून जास्त प्रयत्न सरकारनेही करायला हवेत. चांगल्या रस्त्यांवरून वाहने चांगल्या वेगाने स्थिर वेगाने चालवल्यास इंधनाची मोठ्या प्रमाणात बचत होते.

आपण सर्वांनी इंधन बचतीसाठी प्रयत्न करायला हवेत. आपण निवडून देत असल्यास सरकारनेही इंधन बचतीसाठी लोकजागृती व विविध योजनांचा अवलंब करायला हवा आपण सर्वांनी मिळून इंधन बचतीसाठी प्रयत्न करू...

आठवणी

आठवणी म्हणजे काय ?
बालपणी केलेल्या त्या खोडी आणि भरघोस मक्ती...
आठवणी म्हणजे काय ?
शाळेत शेटच्या बाकांवर बसून मित्रांसोबत केलेली मक्ती
आठवणी म्हणजे काय ?
Teacher ने पाठीवर दिलेली कौतुकाची थाप ...
आठवणी म्हणजे काय ?
कॉलेजमधल्या कॅन्टीनमध्ये Lecture Bunk कळकळ
केलेली धमाल
आठवणी म्हणजे काय ?
रात्रीत सारांच्या तासाला मारलेले ते PJ's and Punches
आठवणी म्हणजे काय ?
मित्रांसोबत खेळलेली ती लपंडावाचा डाव, खोली-खोलीची
धाव आणि बरेच काही...
आठवणी म्हणजे काय ?
मित्रांसोबत Celebrate केलेले आनंदाचे प्रत्येक क्षण
आणि संकटाच्या वेळी एकमेकांना केलेला Support.
आठवणी म्हणजे काय ?
कामामध्ये असत Busy अव्वूनही
महिन्यातून एकदा तरी मित्रांना कट्ट्यावर भेटणे...
आठवणी म्हणजे हे नव्हे... की मित्रांना Social Media वर
Tagging And Posting करणे...
आठवणी म्हणजे हे आहे की मित्रांसोबत केलेले ते
नकळत Telepathi communication...
म्हणूनच Friends,
आठवणी खूप खुंदर आणि अविस्मरणीय असतात
त्यांना आपल्या आयुष्याच्या छोट्याशा तिलोरीत
Lock कळकळ ठेवायच्या असतात...

आई-बाबा

इतकी कशी मं प्रेमळ तू आई
इतके कसे बाबा तुम्ही कठोर
आई असते हळवी
म्हणून येतात तिचे अश्रू समोर
मुलगी सासरी चालली
की बाबा आपले अश्रू लपवतात
आई आपले अश्रू
नाही रोवू शकत
हळवे आहेत बाबा
पण ते दाखवत नाही कोणाला ||१||
बाबांनी झापड मारली की
रडून आपण झोपतो
बाबांनी मारलं की तेच
आपल्याला परत कौतुकाने घेतात जवळ
आईने मारलं तर बाबाकडे
बाबांनी मारलं तर आईकडे!
मारलं दोघांनी तर जातो खोडून घर
माहित नसतं आपल्याला की
त्यांच्या मनाला किती दुःख होत असतं ||२||
करतात ते आपल्यासाठी
आपल्याला कळतच नाही ते
लहानाचं मोठे करत आई
शाळेत जाण्या मोठ्या म्हणून
करतात बाबा कष्ट
संकट मोठं आलं की आठवतात बाबा
गाडी आपल्याला देते धडक
आपण म्हणतो 'बाप रे'
संकट छोटे आले की आठवते आई
दगड लागला की
आपण म्हणतो 'आई मं' ||३||

कॉलेजची शान

द्वार पाहता दिवसे उज्वल भविष्य आपल्या आयुष्याचे
पाच दिशा, पाच क्षेत्र पॉलिटेक्निक, लॉ, विज्ञान, कला, वाणिज्याचे

कुंजविहार, रेल्वे स्टेशन, सिडको वारे आहे समिप
निर्माणाच्या समिध्यात वसते हे ज्वननदिप

नुसतेच नाही नामकरण केले बेडेकरांनी असे
बेटे समीवताल आहे व्हाडी, बाग आणि बरेच असे

कारंजा वाढविते क्षीमा बेडेकर कॉलेजची
त्या समीवच वसती भव्य मूर्ती बेडेकर सरांची

गर्व वाटतो आम्हास त्यांच्या मातीत शिकण्याचा
नाही विकरणास आम्ही गुण त्यांचा संस्कारांचा

नाही तुलना, नाही भेदभाव, कला जोपासा आणि संधी पटकदा असा
ध्यास कॉलेजचा

नुसतेच नाही पावले यश मंधर्व, नवरंग अक्षांचा

कॉलेजीयन्स बागडती त्या मैदाना व्हेलौत्सवात
क्रिकेट, कबड्डी, वॉलिबॉल... वारे समाविष्ट आहेत त्यात

चहापाखून शीजवान गुडल्सवर ताव मारतात समळे येथे
बहकन येतात गप्पा मित्र-मैत्रीणींच्यात जिथे तिथे

आधुनिक तंत्रज्ञान नटले आहे बाजीप्रभू सभागृह आणि कात्यायन
दिग्गज व्यक्तींच्या विचारांना देत आले आर्लिगन

जिमव्राना तर आहेच निराळा
व्यायाम कक्ष, टेबल टेनिस, कॅबम देते मुलांना आनंद वेगळा

इलेक्ट्रॉनिक अटेंडन्स, लायब्ररी एन्ट्री अक्षा आहेत सोयी
आमुचे कॉलेज आहेच टेक्नोवर्दी

विसर्च सेंटर, होम लेंडिंग कक्ष तर बोलूच नका
मॅगझिन ते एनसायकलोपेडिया, एन्ट्रन्स वुक्स जणू मेळावा कोणता

दुक्षास शिक्षक लाभले आहेत या महाविद्यालयाला
अनुभव वाटून शिकवतात फक्त आम्हाला कळायला

नेचर क्लब, डी. एल. एल. ई., एन.सी.सी व्हुड्न्स फोरम अक्षा
अनेक आहेत सुविधा

व्दबंध किती छान आहे आपलं कॉलेज असं वाटतं बऱ्याचदा

कौतुक करावे तितके कमी ऐवढेच कौतुक या महाविद्यालयाचे
चला नाव प्रसिद्ध करूया जगभरात या मंदिवाचे.

भारत कधी होईल महासत्ता?

हो दादा भारत नक्की होईल जगात महासत्ता,
पण जरा डोकावून बघा कशी आहे आपल्या देशाची सामाजिक- आर्थिक सत्ता
जिथे शेतकरी करतात आत्महत्या
बंद करा शेतकऱ्यांची आत्महत्या
मग दादा भारत नक्की होईल जगात महासत्ता!

बघा जरा जगात आहे का कुठली अशी भयंकर जात-कडीची सत्ता
जेथे आपल्याच धर्मातील, समाजातील लोकांना नीच लेखून कापला जातो पत्ता
नष्ट करा या जात- कडीवादी सत्ता
मग दादा भारत नक्की होईल जगात महासत्ता!!

व्हीच आहे या जगाची माता
तीच आहे देता तीच आहे दाता- देवता
पण का समजत नाही तुला हे विषमतेच्या नेता
पक्षेपक्षी भेद तुम्ही तिच्यासोबत का करता? ?
बंद करा तुम्ही विषमता
मग दादा भारत नक्की होईल जगात महासत्ता!!!

काय सांगतो भारतातील गरीबीची दास्ता
साधं जेवण भेटत नाही म्हणून मरतात गरीब दास्ता
आणि दुसऱ्याकडे श्रीमंत लोक रोज खातात
चिकन,पुलाव,आणि पास्ता!
ही विषमता मिटवा आता
मग दादा भारत जगात नक्की होईल महासत्ता!!!!

येथे समाजसुधारकांना मारणे माफ आहे
मात्र चुकून गायीला मारणं पाप आहे[?] .
समाजामध्ये माणसां कमी पण देव जास्त
म्हणून भक्त देविद्री आणि ट्रॅस्टी- पुजारी आहे मरत
बंद करा हे
बनवा न्यायाचा- विज्ञानाचा- समतेचा रस्ता
मग दादा भारत जगात नक्की होईल महासत्ता!!!!!!

नका वाया घालवू 'पाणी' समजून 'सत्ता'
नाहीतर येईल अशी वेळ तेव्हा मिळेल नाही पाणी जेव्हा करतील तू साधा नासता
वाचवा पाणी आता
मग दादा भारत नक्की होईल जगात महासत्ता !!!!!!!

आहे तरुणांचा देश अभिमानां सांगता तुम्ही भारता
मग त्याच तरुणांना रोजगार देण्यासाठी तुम्ही काय करता? ?
द्या रोजगार प्रत्येक तरुणाला
मग दादा भारत नक्की होईल जगात महासत्ता!!!!!!

माय मराठी बोलून आम्ही धन्य हो जाहलो

माय मराठी आहे एक ऐतिहासिक भाषा
बहावी संदेव अभिजात ही एकच आहे आक्षा

भक्तीचे ते गीत ज्यास म्हणले 'हरिपाठ'
त्यानेच घालून दिली ज्ञानेश्वरांशी गाठ
न हरपून जावे भान
म्हणूनच त्यांनी लिहिले 'हे पसायदान'

एकनाथांचे किती ज्ञानमय आहेत 'भाकडं'
त्यांच्यामुळेच तर झाली आपण हसण्याच्या आसनावर आकट

'जेव्हा वीज म्हणाली धरतीला' झाला
'क्रांतीचा जयजयकार'

या साऱ्यातून कळली कुसुमाग्रजांच्या लेखणीची धार
मग तेच वाटतात मला 'महावृक्ष' आणि 'किमयागार'

'गाठीडं' देऊन गेलं आम्हाला
आयुष्यातलं 'उरलं सुखलं'
'बटाट्याच्या चाळीत' दिवली 'नसती उठाठेव'
'चार शब्द' दाखवून देतात आयुष्याची 'अपूर्वाई'
'ती फुलवाणीची' तर किती द्यावी 'दाद'
पु.लं.च्या लेखनाला नसे कोणाचाच अपवाद

कुठे 'अहिराणी' बोलते
तर कुठे 'खानदेशी' नांदते
कुठे 'चित्पावनी' तर कुठे 'मालवणी' गाजते
'कोल्हापुरी', 'नामपुरी' यांचा वेगळाच आहे साज
'नारायण पेठी' दाखवते त्यांच्यातला माज
मराठी जरी असली विविधतेने नटलेली
तरीही ती संदेव राहिल एकवटलेली

हा साखा वाङ्मयाचा प्रवाह
भरवितो आम्हाला ज्ञानाचा तो घास
साखे साहित्याचे बोल
कजते मनात बटोल

हे साखे वाचून आम्ही मंगेत न्हायलो
माय मराठी बोलून आम्ही धन्य हो जाहलो

मानवी विकास शाप की वरदान?

गार्गी अनिरुद्ध गोरेगांवकर

FYBMM

**मानसा मानसा कधी होशील माणूस
लोभासाठी झाला माणासाचा रे कानूस**

बहिणाबाईंच्या या ओळी ! खरंच या ओळीतून मानवाच्या वास्तविक जीवनाचे चित्र प्रत्येकाच्या डोळ्यासमोर उभे राहते. खरंच आजचा हा माणूस स्वतःच्या स्वार्थासाठी आणि लोभासाठी निसर्गातल्या चक्रात हस्तक्षेप करायला सुरुवात करतोय. तो नैसर्गिक साधनसंपत्तीचा तर नाश करतो आहेच परंतु त्यामुळे तो स्वतःच्या विनाशाला आमंत्रण करतोय. माणसाने अनेकदा निसर्गावर मात करण्याचा उन्मत्तपणा केला. ज्या ज्या वेळी कुऱ्हाडीचा हा दांडा गोतास काळ होऊ लागला, त्या त्या वेळी रुष्ट झालेल्या निसर्गाने माणसाला आपले रौद्ररूप दाखविले. उदा:- १६ जून २०१३ चा केदारनाथाचा महाप्रलय, ३० जुलै २०१५ ची माळीण दुर्घटना किंवा दरवर्षी होणारी आपल्या मुंबईची तुंबई ह्या आणि अशा अनेक दुर्घटनांचे मुख्य कारण म्हणजे माणसाने केलेला निसर्गाचा न्हास या सर्व गोष्टीकडे पाहिलं की

“गर्दीत माणसांच्या माणूस शोधतो मी” हे वाक्य आठवंतं. आज आपली लोकसंख्या चिक्कार आहे पण त्यात मात्र माणसं किती आहेत त्यावर प्रश्नचिन्ह आहे. आज माणसातला माणूस हरवत चालला आहे. आजच्या युगात पावलो पावली. विविध प्रकारच्या विकासाच्या हव्यासापायी माणूस अधिकच क्रूर होत आहे.

युनायटेड नेशनच्या पाचव्या मूल्यांकन अहवालात (Fifth Assessment Report) १३०० संशोधकांनी संशोधन करून असा निष्कर्ष काढला की आपल्या ग्रहाच्या वाढत्या तापमानामध्ये ९५% माणसाचा निष्काळजीपणा जबाबदार आहे आणि हेच वास्तव आहे.

माणसाने आज डोंगर पोखरून, नदी नाल्यांवर भर टाकून इमारती बांधल्या, उड्डाणपूल व सुशोभीकरणाच्या नावाखाली खारफुटी वनांची कत्तल केली. बांधकामाच्या हव्यासापायी अनधिकृत वाळू उपसली ज्यामुळे नदीचं पात्र रुंदावत चाललं आहे त्याचबरोबर जलविद्युत निर्माण करण्याच्या लोभापायी अवास्तव धरणे बांधणी केली जातेय, हरितगृहाच्या वायू

उत्सर्जनामुळे घातक वायुंचे प्रमाण वातावरणात वाढत चाललं आहे. त्यामुळे जागतिक तापमानात वाढ होतेय. त्याचमुळे ओझोनच्या आवरणाला छिद्र पडत आहे. त्यातून अतिनील किरणे आपल्या पृथ्वीमध्ये येत आहेत. या सर्व गोष्टी विकासाच्या नावाखाली निसर्गात निर्माण होणाऱ्या मानवी हस्तक्षेपाचे उदाहरणे आहेत. आणि त्याचमुळे आपत्ती वाढत चालल्या आहेत.

आपत्ती हा शब्द कानी पडला की सगळ्यांच्याच नजरा वळतात केरळच्या महापूराकडे. केरळमध्ये उद्भवलेली ही परिस्थिती सुद्धा माणसाच्या निसर्गातल्या हस्तक्षेपामुळेच झाली आहे त्याचबरोबर कर्नाटकच्या कोदागु येथे सुद्धा ऑगस्ट महिन्यात भूस्लखलन झालं. त्यालाही तेथील पर्यटनामुळे वाढत चाललेली लोकसंख्या व त्याचमुळे वृक्षतोड जबाबदार ठरली. त्याचबरोबर या दोन्ही घटनांचा संगम २०१५ साली चेन्नईच्या पूरात दिसून आला. या तिन्ही गोष्टी एकत्र घेण्याचा उद्देश म्हणजे हे तिन्ही प्रदेश म्हणजेच संवेदनशील क्षेत्रात येतात पर्यावरण तज्ज्ञ माधव गाडगीळ यांनी एका अहवालात असे म्हटले आहे की, महाराष्ट्र, गोवा, कर्नाटक, गुजरात, केरळ व तामिळनाडू हे प्रदेश संवेदनशील क्षेत्र म्हणून घोषित केले आहेत आणि अशा प्रदेशात वाट्टेल तसं उत्खनन करणं, वृक्षतोड करणं हानीकारक आहे असंही नमूद केले आहे. त्यात पर्यावरण रक्षणाची नियमावली सुद्धा आखली आहे परंतु तीच तर माणसाच्या विकासाच्या चष्म्यात त्याला दिसली नाही. आणि त्यामुळेच आपत्तींना आपल्याला सामोरे जावे लागत आहे. हाच विकास निसर्गाच्या विविध जीवांवर सुद्धा वार करतो. आज जिथे तिथे मोबाईल नेटवर्क चे टॉवर उभे केलेले आपण पाहतोच त्यामुळे मोठ्या प्रमाणात पक्ष्यांना त्याच्या दुष्परिणामांना सामोरे जावे लागत आहे. थोडक्यात काय मानवी विकास एकाअर्थी शाप ठरत आहे.

परंतु प्रत्येक नाण्याला जशा दोन बाजू असतात तशा या विषयाला सुद्धा आहेत. जसा मानवी विकास हा शाप आहे, तसा ती फायदेशीरही ठरत आहे. आज मानवी विकासांमुळेच आपल्यालाच नैसर्गिक आपत्ती उदा. पूर, चक्रीवादळ इ. यांची आगाऊ माहिती कळते त्यामुळे कित्येक नुकसान कमी

होण्यास मदत होते. त्याच बरोबर विकासाच्या प्रभावामुळेच आज आपण कोणत्याही ठिकाणी पटकन पोहचू शकतो. उदा. उड्डाणपुल इ. थोडक्यात या सगळ्याच गोष्टी आपल्याला फायदेशीर ठरत आहेत.

नुकताच आयलँडमध्ये लहानमुलांचा फुटबॉल संघ व त्यांचे प्रशिक्षक एका गुहेमध्ये अडकले. त्यांना कित्येक लोकांच्या अथक प्रयत्नानीही काही केल्या बाहेर येता आले नाही. परंतु नंतर एका पुणेरी माणसांच्या विकासाच्या माध्यमातूनच त्यांना बाहेर काढले. हे विकासाचेच प्रतिक आहे.

‘वृक्षवल्ली आम्हा सोयरी वनचरे’

या ओळीप्रमाणे आज जिथे तिथे पर्यावरणाच्या रक्षणासाठी वृक्षारोपणाचे कार्यक्रम पार पडत आहे. शाळा महाविद्यालये सुद्धा विविध विकासाच्या माध्यमातून उदा. सामाजिक संपर्काची माध्यमे (Social Media) दुरदर्शन, दुरध्वनी इ. माध्यमातून वृक्षदिंडी, एक लाख वृक्ष इ. असे कार्यक्रम आयोजित करून जनजागृती करून लोकांना मोठ्या प्रमाणात अशा कार्यक्रमांमध्ये सहभागी करून घेत आहे.

मग विकास शाप की वरदान हाही प्रश्न अधांतरीतच राहतो. परंतु मला वाटतं विकास आपण कोणत्या प्रकारे करतोय यावर तो शाप की वरदान ठरणार आहे. विकास जर व्यक्तीगत होत असेल व तर तो त्यात निसर्गाचा न्हासच होत असेल तर तो शाप आहे. परंतु जर विकास हा सर्वांगीण होत असेल म्हणजेच कोणताही विकास करताना तेथील नैसर्गिक साधनसंपत्तीची जपवणूक करून विकास साधला असेल तरच भविष्यात होणाऱ्या दुर्घटना टळतील. जर आपला विकास नदी नाल्यांवर भर टाकून निसर्गाला हानी पोहोचून होत असेल तर मुळात त्याचा पायाच भक्कम नाही आहे मग तो दीर्घ काळ कसा टिकेल, हा प्रश्नच आहे. त्यामुळे विकासाला सुद्धा

निसर्गाची अधिकृत परवानगी असणं गरजेचं आहे. तरच नुकसान कमी होईल. मला मान्य आहे आसमानी संकट येणं न येणं हे आपल्या हाती नाही परंतु त्याची तीव्रता कमी करणं हे आपल्या हाती आहे आणि हे तेव्हाच होईल ज्या वेळेस आपण कोणताही विकासप्रकल्प हाती घेताना निसर्गाचा समतोल साधू. आणि त्याची सुरुवात आता पासून करणं गरजेचं आहे म्हणूनच कबीर म्हणतात ना-

कल करे सो आज कर
आज करे सो अब
पलमे प्रलय हो ये गी
बहुरी करे गा कब...

त्याचप्रमाणे व पु. काळे असं म्हणतात की-

भूक लागेल इतकं खाणं ही प्रकृती आहे. भूकेपेक्षा जास्त खाण ही विकृती आहे आणि प्रसंगी आपली भूक बाजूला सारून उपाश्याचं पोट भरणं ही संस्कृती आहे.

यात थोडासा बदल करून आपण असं लिहू शकतो की गरजे इतका विकास करणं ही प्रकृती आहे. गरजे पेक्षा जास्त विकासाच्या नावाखाली निसर्गाला त्रास देणं ही विकृती आहे. आणि वेळप्रसंगी आपली गरज बाजूला सारून निसर्गाचा समतोल साधणं ही संस्कृती आहे. आणि हिच संस्कृती जपणं आज गरजेचं आहे.

त्यामुळे विकास शाप की वरदान हा ज्याचा त्याचा प्रश्न आहे. ‘पिसारा फुलवून थुईथुई नाचणाऱ्या मोराला पुढून पाहा की मागून’ हे प्रत्येकाने ठरवलं पाहिजे कारण विकासाच्या दृष्टीने टाकलेले कोणतेही पाऊल आपल्या मानव जातीची नीती आणि नियती ठरणार आहे.

मी एक संजम, संक्षम अन् कणव्रत नाजूक कडी

India's Foreign Policy and Asia

Asst. Prof. Subhash G. Shinde

Vice Principal and HOD, Department of History

At the end of second decade of 21st century, India's relations with her immediate neighbours are at cross roads. In South-Asia or Indian subcontinent region, India has always played very responsible and crucial role. But, in the recent past, China, our northern and eastern neighbour is quite busy in creating troubles for us by one or the other way.

Historically, India has consistently maintained cordial relations with all the neighbours. We can say that only exception to it is Pakistan as Pakistan is responsible for tensed Indo-Pak relations solely. Everybody knows that Pakistan has always indulged it in anti-India activities. Entire Pakistan saga is a great headache for us. As we know, it began in pre independence era. Muslim League, since the beginning of 20th century started promoting its own agenda, which ultimately reached to the demand of separate Pakistan. On 15th August 1947 we got freedom from British rule, but the most coveted independence came with the wound of partition. As per the Mountbatten Plan, it was decided to partition India in to the two independent dominions of India and Pakistan. Since, the day one of its creation Pakistan is busy increasing problems for India. Immediately after independence, Pakistan sent its army and tribal mercenaries in Kashmir with the intension to take full control of it. At that time, Raja Hari Singh, the then ruler of the Princely State of Kashmir pleaded with the government of independent India for help. The government of India under the Premiership of Pandit Jawaharlal Nehru made Raja Hari Singh to sign the Instrument of Accession and integrate Kashmir with India. One point to be remembered is that in the integration of princely states with India, Sardar VallabhBhai Patel, the first Home Minister of independent India had played very important role. When, this condition was fulfilled by Raja Hari Singh, the Indian government sent military help and Kashmir was protected from the onslaught of Pakistan. Since, that time Pakistan has involved in perennial act of creating disturbances in Kashmir in

particular and other parts of India in general by way of carrying out the terror acts. Pakistan's acts since independence have resulted in two full fledged wars between India and Pakistan in 1965 and 1971 respectively apart from the troubles of 1948. From the time of General Zia-ul- Haque, Pakistan has resorted to the policy of proxy war with India by sponsoring terror groups on her soil and making them to carry out terror attacks on India.

Today, the situation is very grim vis-a-vis Indo-Pak relations. More recently, Pak sponsored terror group, Jaish-e-Mohammad was responsible for Pulwama terror attack, that is, at the behest of this terrorist organisation, the fatal terrorist attack was carried out in Pulwama (Kashmir) in which as many as forty four jawans of Central Reserve Police Force (CRPF) died. It was the example of cowardice and proof of Pakistan's policy of harbouring terror groups and providing them safe heavens on its soil.

India's northern and eastern neighbour China has always exploited the troubled Indo-Pak relations for its own advantage. Rather, it has deliberately followed the policy of helping Pakistan against India. China had invaded India in 1962, this invasion of India was the breach of Indian trust, as India always considered the Nationalist China (ruled by Chiang-Kai-Shek) as well as the Communist China (ruled by Mao-Tse-Tung from October 1949 onwards till his death in 1976) as its friend. As far as, Communist China was concerned India considered it as one of the greatest allies. In fact, India also had strongly supported the case of Communist China for the permanent membership of United Nations Security Council (UNSC). Actually, the United States and her other allies were of the opinion that Formosa (today's Taiwan) was the real China and it should be considered as the permanent member of UNSC. Here, one point is to be remembered that United States had always supported Chiang-Kai-Shek, even before the Communist Revolution of 1949.

When, mainland China became Communist and Chiang-Kai-Shek was forced to flee to Formosa, the US was greatly disturbed. Those were the days of Cold War between the two Super Powers viz. the US and Soviet Union (Union of Soviet Socialist Russia- USSR) . America, by way of Truman Doctrine (named after the then President of USA) had made up its mind to contain the spread of Communism in the world. Hence, when the big country like China became Communist, the US was quite disturbed. Due to it the USA was not ready to accept the Communist China as the permanent member of UNSC. The significance of the permanent membership of UNSC can be judged by the ‘Veto’ power enjoyed by these members. During, these testing and difficult times for China, India had put her entire weight and support behind China. At International level India openly pitched for Communist China’s membership for UNSC. Subsequently, Communist China became the permanent member of UNSC and rest is the history. India always considered China as its ally and also gave the slogan of ‘*HindiChiniBhaiBhai*’. On this background China’s invasion of India in 1962 was not only surprising but also shocking. The main pretext given by China for this invasion was the boundary issue. China objected to the McMohan Line, the international boundary between China and India demarcated during British time. Actually, this issue would have been resolved peacefully through negotiations but it seems that China had already made up its mind to attack India and didn’t want peaceful solution of this issue. Since, that time China has occupied several kilometers of Indian territory forcibly and is always creating tensions on Indo-Chinese border.

One of the major problems faced by India at present is that China is bent upon supporting Pakistan against India. 1962 Sino-Indian war resulted in to the deteriorating relations between India and China on one hand and improvement in the relations between China and Pakistan. China deliberately supports Pakistan in its anti India activities. It is using Pakistan in order to checkmate India at International level. It’s the open fact that Pakistan has created the sanctuaries for terror training camps on its soil

including the Pak occupied Kashmir (PoK). Many terror groups such as Jaish-e-Mohammad, Lashkar-i-Taiba and many more are operating from Pakistan and carrying out attacks on India. Not only so, Pakistan has even given help to Taliban consistently. It’s the open secret that Taliban is the creation of Pakistan. Taliban rule has been overthrown from Afghanistan way back by America. But, even today, many Talibanis are living in Pakistan and are involved in anti-Afghanistan conspiracies, of course with tacit support from Pakistani authorities. One should not forget that Osama-bin-Laden, the dreaded terrorist and mastermind behind the 9/11 terror attacks in US (The terrorists belonging to Al-Qaida terrorist organisation had hijacked the two planes and had crashed it into the World Trade Centre Towers located in New York city. These Towers were the symbol of worldwide economic might of America) was found and killed in Abbottabad city in Pakistan. It is the city where many high rank Pakistani Military Officers live and also Pakistan Military Academy is located over there. It’s very difficult to believe that Pakistan did not have the knowledge of Osama-bin-Laden hiding in this city. It’s a different story that the US Seals carried out the dashing operation on the night of 2nd May 2011 and killed Osama-Bin-Laden. It was a great snub to Pakistan and exhibited to entire world what US can do if her national interests and security are challenged. So, the point is even though Pakistan is involved in these type of acts of terror, its friend China always supports her at International level including the in the UN forum. Recently, China has blocked the proposal of declaring MasoodAzhar as Global Terrorist in UNSC; rather it used its ‘Veto’ power against this proposal. Four other permanent members of UNSC viz. US, UK, France and Russia were in favour of this proposal and it was introduced by France in UNSC but China ‘Vetoed’ it. Only reason for Chinese rejecting this proposal was, they wanted to save the image of Pakistan at an international level, because it’s a known fact that MasoodAzhar and many more terrorists operate from Pakistan and with the help of tacit support of Pakistani army and successive governments.

China, at present is involved in implementing very ambitious programme called ‘One Belt One

Road', it is also referred as 'Belt and Road Initiative' and 'Silk Route Initiative'. Under this programme China intends to connect or link itself with Central Asia, Middle East, Europe, Africa, South-East Asia (entire Indo-Pacific region) and South Asia. This programme is a brainchild of present ruler of China, Mr. Xi Jinping. As a part of this programme China has connected its easternmost province, Zhejiang with Iran through railway. This railroad passes through the central Asian countries like Kazakhstan and Turkmenistan and takes fourteen days to reach a freight train originating in Yiwu City (China) to reach Injeborun (Iran). Similarly, China has plans to build the railroad connecting China with far-eastern Russia across Amur River. China has also built the Yixin'ou railway line touted as the world's longest railway line connecting China with Spain (Europe). This railroad goes through China, Kazakhstan, Belarus, Poland, Germany, France and Spain connecting Chinese city of Yiwu with Madrid (capital of Spain). China has also connected the Yiwu with London via rail route. The Chinese President has the plans to extend the 'One Belt and Road Initiative' to South America and Caribbean region as well. It means that China wants to engulf entire world with its fiery dragon called 'Belt and Road Initiative'. Mr. Xi Jinping is calling it as the 'Project of the 21st Century'. It has also built many highways and railroads connecting China with Nepal, Myanmar and most importantly Pakistan. China has already started developing what is called as China Pakistan Economic Corridor (CPEC) under 'Road and Belt Initiative'. Under CPEC, China is going to connect north western China with all parts of Pakistan with highways and railroads. The major worry for India is that this CPEC goes through Pak occupied Kashmir (PoK). Hence, it's a blatant violation of India's claim over PoK. The highways and railroads built under this programme are going to be taken or extended up to Sindh province (the southernmost province in Pakistan). China is also developing massive infrastructure in Baluchistan, the troubled province in southwestern Pakistan. Still, most of the Baluchis do not consider themselves as part of Pakistan and hence, they are opposed to the roads and other infrastructure developed in Baluchistan by Pakistan with the Chinese help. China is also

developing the Gwaddar port located in Baluchistan. It is very clear that China wants to make use of CPEC mainly for trade purpose. Through CPEC China can bring its goods to Gwaddar port and from there take to Africa, Middle East, Europe as well as Americas and vice-a-versa. By doing so, it can avoid the long sea route via South China Sea, Strait of Malacca, other Straits near Indonesia such as Bandung Strait, Bali Strait, Sunda Strait, etc. and Indian Ocean.

In the immediate eastern neighborhood of India, China has given lots of economic help to Bangladesh, mainly for infrastructure development. Same thing is done with Sri Lanka and Maldives (Archipelago in Indian Ocean). We have already referred to Nepal and Myanmar in this respect. From it, the clear conclusion can be drawn that China wants to encircle India on all sides and wants win over the traditional allies of India to its own side. It is really the great alarming bell for India.

Few days back there was a news that Italy has become the first country in Europe to approve the 'Belt and Road Initiative' of China. Italy has decided to cooperate with China in this regard. The Italians feel that the greater cooperation with China in respect with 'Belt and Road Initiative' will help them to develop their ports (located especially on the coast of Mediterranean sea) and regain their lost glory in the international trade arena in the Mediterranean Sea. It is to be remembered that few centuries back Italy was the major stop for Arab traders taking their Asian goods to Europe and from Italy these goods were distributed in other parts of Europe. During these times many ports of Italy, especially Venice were world famous and flourishing with international trade but, subsequently the scenario changed and other European countries emerged as the major trading countries with the help of their powerful navies and these countries mainly were, Portugal, Spain, the Great Britain and Netherlands. Italians, now feel that Chinese support would help them to re-emerge as one of the important trading stops in Mediterranean region. But, Italians are committing a great blunder by trusting Chinese. As many experts have commented that China doesn't give help to any country without expecting many concessions from

host or beneficiary country and safeguarding Chinese interests at any cost. This is the reason, many analysts say that taking Chinese help means getting caught in Chinese debt trap in the long run. It seems that apart from America, European Union is also highly disturbed by this Italy-China nexus.

Chinese aggressive moves in South China Sea has sent alarming bells among ASEAN (Association of South East Nations) nations. Philippines, Vietnam and Indonesia are especially opposed to the Chinese moves in South China Sea. China is building artificial islands in South China Sea. It intends to develop ports along the coast of these artificial islands and also has the plans to build airports on it. The ultimate plan of China is to make use of this infrastructure for promoting its international trade, especially in Indo-Pacific region. In Philippines, the public opinion is greatly against these Chinese designs in South China Sea. Recently, the public signature campaign has been launched against China's South China Sea Policy and by the February 2019 as many as 25,000 Filipinos had signed this document disapproving Chinese policies. The acts of China in these waters have been aptly termed as 'the crime against humanity' by the people of Philippines. It is said that the artificial islands built by China in this area is not only causing tremendous damage to environment but also has affected as many as 320, 000 Filipinos from their fishing grounds.

Indonesia and Vietnam are also equally opposed to the Chinese claims over South China Sea. These two countries are doing everything to oppose the Chinese moves in this area by asserting their rights over the waters of South China Sea and also their sovereignty. These countries consider Chinese acts in this region as a major security threat for them. As far as 'Belt and Road Initiative' is concerned it has run into trouble in Malaysia as well. All this discussion proves the fact that, China has border issues with almost all its neighbours and it nurtures the dream of promoting Chinese hegemony at least in its near neighbourhood i.e. Central, South and South-East Asia at the cost of others.

The United States has already realised the implications of all these Chinese initiatives. Hence,

since the beginning of 21st century it is observed that the USA is trying to control or 'rein in' the Chinese giant, which ultimately has the ambition of becoming the next world power and imposing its hegemony on the entire world. This is one of the reasons for changed stand of USA in respect with India on many issues, including the Indo-American Nuclear Deal negotiated under the leadership of Dr. Manmohan Singh and Bush and Obama administrations. One has to say that, during the time of Atal Bihari Vajpayee, the outlook of Americans looking towards India started changing, even though immediately after the Pokharan-II Nuclear Tests the relations between these two were at its lowest ebbs, but slowly the relations improved and they were taken to totally new height by Dr. Manmohan Singh by way of Nuclear Deal.

China is a major security threat to India. We have already referred to Sino-Indian war of 1962 imposed by China on India. Even today China is not ready to accept the international boundary with India. It is also involved in helping Pakistan directly and indirectly against India. Under this situation India needs to develop a strategy to counter Chinese designs against India and also needs to strengthen its relations with EU, and major world powers especially the US and Russia. India in its whole game of international diplomacy should not forget its eastern neighbours i.e. South Asian, South-Eastern Asian and Far-Eastern (especially Japan) neighbours. One can say that 'Look East Policy' of India is a fantastic stroke of Indian Foreign Policy in respect with developing cooperation and cordial relations with Eastern Asian countries. India needs a peaceful environment and cooperative atmosphere in its immediate neighborhood for promoting economic development. One can conclude that for achieving this goal or 'Indian Dream; India needs to counter Chinese inroads in Asia and especially, South Asia.

(Note : At the time of writing this article China had refused to accept Masood Azhar as a Global Terrorist. But, on 2nd May 2019, India's efforts at International level and especially, at UNSC yielded success as China was literally forced to accept that Masood Azhar is a threat to global peace and hence,

a global terrorist. This is the outcome of strong support given by the US, UK, France and Russia to India in UNSC. It is also a victory for relentless pain taken by India and producing unquestionable rather, impeccable proof of how Massod Azhar and his terrorist outfit- Jaish-i-Mohammad are involved in various terror acts in Indian subcontinent and elsewhere. One should also laud Mr. Vijay Gokhale, current Foreign Secretary of India. Mr. Gokhale during his recent visit to Beijing between 25 to 27 April 2019 had handed over the exhaustive report to China about the terrorist activities of Masood Azhar. This report is prepared by Indian authorities and diplomats. Indeed, it's an occasion to celebrate as India has registered a major diplomatic victory over China in this regard.

India along with US, France and UK had threatened to take the issue of Massod Azhar's declaration as a Global Terrorist in UNSC for discussion. In this situation China would have been made to give concrete and strong reasons for opposing the proposal and using its 'Veto Power' time and again for saving Masood Azhar. China realised that this time it would be very difficult for her to oppose the proposal as it would have shown her in bad light and as irresponsible permanent member of UNSC who least cares for maintaining world peace and rather supports the dangerous terrorists.

It Trending...

Anshu R. Sawant
F.Y.B.Com

Trends are like a perfume, you put on, the more you expose the topic, the more insignificant it gets and similarly the other way around. The perfume stays on for like what 2 hours? A trend for 2 days. The best thing about it is that the owner literally owns that period just like a trend rules the search engines. But what about the bad news? Something that wasn't meant to be popularized is under everyone's lash. This is what the life has become for us now, the homosapiens. Don't you ever think why did we metamorphosed into a highly developed or developing species? Well, we may never know. But, actually it depends on the timeline we were born in. You always tell your parents, grandparents and even yourselves to be modern and grow up with the world. But did you realize they were a step ahead at that time even if they have a 4th Grade fail out certificate. Did you ever think that they had parents who never stepped in to a school?

This is the meaning of trends' status. As we go through 365 days we don't realize but we are in a modernizing surrounding. If this was wrong, why Donald Trump becoming the President of the United States didn't trend for like what, a couple of years;

yes it was a pretty huge news Worldwide. A decade ago jeans were trending, now torn jeans trend and maybe a decade later 'Null Jeans' may take the place.

Do you think humanity is on its right track? Or are we just going on a road which might end up in a Science Lab or in a Meth Lab. Yeah, some where a part of the Earth is dreaming of a headline that says, we have hope to survive as a miracle and some part dreams of drugs getting legal. At the end of the day there's a new trend so no one will ever care, because everything's not a show running on for thousands of episode. At some point we will try something new as we get bored of our routine.

As to take some off it, we live in a world collaborated with young minds and smart desires. This results in changes that occur on a particular period of time. We live in a void overflowing of thoughts. To survive here, you have to survive these changes, dodge with the punches and role with the dice; because that's the only way you will be the best at a fight.

Fenestra- A Window Within

Nidhi Thakkar

S.Y.B.A

'Fenestra' seems like a complicated word- Doesn't it?? But this seemingly complicated exterior has a very simple meaning which literally means 'an opening' – a window. This Latin word holds a biological meaning and also holds a great philosophical value. 'Fenestra' literally means anything from freedom, revelation to simply meaning a perspective – a window. "Let us see how!!"

There was once a little girl named Rose. She belonged to a humble family having amazing parents who always supported her and laughed it off; even when she was a five year old mischievous girl- who painted the house walls with her wax crayons.

Often the little five year old would sit in the balcony of her humble home with wonder etched on her big blue eyes that resembled the waves of the sea. Her soft curly brown hair would frame her small face and the winds would play with her hair. She would sweetly look out of the balcony frame – as if she were awestruck with the normal life of people running around the Mumbai metropolis.

Slowly years passed by ... little rose was now a teenager. She had changed tremendously but she still had the same awestricken eyes which adorned her beautiful face years ago. She still had the same soft curly brown hair which always blew on her soft cheek when sat in her balcony.

Rose did resemble her earlier self but a sense of monotony and boredom was always stricken on her face these days. The same routine ...her medical college, classes, home. That was the system she was surrounded by these days. Some days the pressure, demand of her routine was such that she would often question herself ...

One such day, pressure was breaking her bones and she did not want to leave her bed but she woke up and headed towards her college as she had a group discussion session to attend. After discussing

their project for hours all of her classmates huddled together at a small tea stall right opposite their college. They were discussing regarding their passion for taking up the medical profession. Whilst speaking each one of them had great smiles of content on their faces; be it Rekha, Soham, Varun, Raj or Eesha...all of them seemed happy, content. She on the other hand wasn't ... she stood alongside trying to find answers in the confines of her window – her heart but she found no answers-none...

She returned home puzzled and deep in thought that day. What was she feeling? Why was she feeling??? She could not express...why was she puzzled in the first place???

That night whilst sitting in her balcony she realized that becoming a doctor was not something that made her happy. It was the idea of helping other people that she liked. The thought of becoming a doctor did not bring a smile of happiness and content on her face- like Rekha, Soham, Varun, raj and Eesha had. No, she did not feel a thing .This realization was what Rose was missing. Now, you must be thinking where Fenestra fits in this. Fenestra was that window in Rose's heart which was shaded by people's beliefs, society and lack of introspection.

She was never forced to take the path of medicine but the shaded window did not let her to further introspect and understand ...so she went by the popular beliefs of the society .Later she lead a desperate search for her Fenestra and after a lot of search and introspection she found an eye opening picture within. It was the most beautiful pictures she had ever seen in her life. This was the picture of the world around and she was within the masses in the picture.

She finally realized that wonder was what she was driven by and travelling was what she ever really wanted. Rose finally found freedom from her binds. Hence, Fenestra had shaped a guide for her.

The realization of Fenestra is what really separates us from others.

The realization of fenestra has shaped many personalities not only in the frontier of life decisions but also in the huge arena of life and god himself.

Personalities like Gautama Buddha and Swami Vivekananda were shaped due to the realization of Fenestra.

All of us have Fenestra's hidden within us. All we have to do is search!!!

*Why should women worry always about issues?
Let's move on and wipe our tears with tissues
All paths are not smooth I agree
But without revolt we are not free*

*So let's rise up like a glowing sun
And put past incidents to burn
Power of women lie in their visions
Just as dove among the pigeons
Wherever she goes she grabs the regions
She is real and not an illusion*

*She gets an idea, she decides to plan
And buries the inner queries 'if I can'*

*She organises her tasks well
But never allows herself to fail*

*She tries tries and tries
She sometimes cries,
goes through street fries*

*and even faces some nice and vice
At times she thought whether she should leave
this
She felt all her ten tries are unsuccessful miss
She was on her way to back off
As she was burdened with a heavy loaf.*

*She then recalled her mother's words
Every lotus at its start is a bud
But it has to survive in marsh mud*

*Then here the lotus was set to blossom
with the confidence in wholesome*

*And there she goes; she lived her dreams
without any layers of white cream
She stood all by herself on her feet
Without any support and fake greet*

Time and Tide Waits for No Man

Adhishree Gadgil
S. Y. BMM (English)

Time a four letter word, tells us so much. We all have heard a million proverb's on time such as : "A stitch in time saves nine." or "Time is a ship that never casts anchor" and many more. But the actual question is how many of those sayings do we follow? And do we get the expected results for it ?

Time does not come easily to one, one has to earn it. Yes, everyone has a gift call time but few know how to use it rightly! We all are the slaves of time. Time is valuable to each and everyone. There are various aspects of time. They say that, "Everything we do has a specific time" and as time pass by we have observed it.

Certain things are meant to be done at specific timing. Certain times are set that should not be done before hand like driving, voting, watching certain movies, drinking etc.

We often tend to play with our time. Time is not a toy you should play with. Time is very important part in human life one should preserve this valuable time as now-a-days one tends to preserves his or her in Mobile.

All the above examples tell us time is precious as diamond, may be more than diamond. This world runs on time. Natural phenomena's like seasons, rising and setting of sun and moon etc. runs on set time. Time is all we got till the end and time is all we need till the end.

As time passes so changes are seen in the environment. Time is amazing miracle nourish it, preserve it, impress it. The day you do so there will be no stop to your success.

Time Pace

When as a child I laughed and wept,
Time crept.
When as a youth I waxed bolder,
Time strolled
when I became a full-grown man,
Time ran .
When older still I daily grew,
Time flew.
Soon I shall fine, in passing on
Time gone.
Oh Christ! Will thou have saved me then ?
Amen

Peace

*What is peace?
A gesture or an action,
your own satisfaction.
What is peace?
A Fragnant flower, a blooming bud
One thing I am sure of,
peace is not someone's blood
Peace is not someone's life, not someone's death
peace is not Fear in every breath,
Then, what is peace?
Peace, I think, is something Fragile*

*Maybe love, trust or maybe a smile,
Maybe a feeling of contentment,
a sense of security
Maybe, universal brotherhood
and global unity.
In the end, all I can say is that
Peace is not violence, peace is not hate
Peace is definitely not a thing
which any war can ever bring.*

Change: The Law of Life

Adhishree Gadgil
S. Y. BMM (English)

Change. A simple word of six letters can have so much impact on the toughest person. Some say change is good, some say it is not. Like a coin it has two sides. The good one and the bad one. Which to tell first ? the good one or the bad one? May be my opinion can have an impact on your thoughts and maybe your thoughts would be 'Changed'. Change is difficult not changing is fatal.

Change is everything. Change isn't something you can ignore. It is something you need to accept, something you have to accept. Everything changes at some point or the other, but everything thing does, step by step. First, it's your age. It changes as you grow up ,then comes your height it also changes as you grow up, then comes your face structure it is not always same as it was when you were kid there maybe be small changes but there are. Then every year, you change your grade, your marks change, your thoughts change. You change your clothes daily, your style changes, your food habits change, your friends circle change, your feelings change and there are so many other things that change. One thing is common in all of this is that we change, we all change. Change is inevitable. Change is necessary.

Change isn't only necessary for individual, it is necessary all over the world. We need to change and stop the discrimination going on between rich and poor, fit and disabled, literate and non-literate , men and women, upper and lower class we need to change that. We need to change the way we protect our environment. We need to change the way we use our natural resources.

We need change the way we look at our laws and start taking them seriously. We all need to change our mindset when we see a couple hand in hand on

street, we need to change and stop the practice of bringing religion and politics in everything. Let's change the way we treat each other. We need to ACT :- A : Action. C : Change, T : Things. "Action Changes Things" Change your perspective to the way you look at things. Start taking some serious actions. Maybe then, one day we can hope this change is going to me good and healthy for mankind. Maybe change is what we want, change is the only thing that gives us a better chance. Start form your house, then society, then area, then city, then state, then country, then world. Thus one by one, take small baby steps to change ourselves for better tomorrow because if we don't change the way we are now may be then in future time would slip from our hand like sand. Right now the sand is still wet, so we should make sand castle while the sand is still wet.

At last I end my topic with this beautiful conversation :-

An old Cherokee told his grandson :

"My son, there's a battle between two wolves inside us all.

One is of Evil. Its anger, jealousy, resentment, inferiority, lies and ego.

The other is Good. Its joy, peace, love, humility, kindness and truth."

The boy thought about it and asked :

"Grandfather, which wolf wins?"

The old man quietly replied :

"The one you feed."

Educational Tour to Oxford, Cambridge and London

UK Educational Tour 2018

Inara Gulmani

S.Y. BMM (English)

The educational tour of United Kingdom is organised by Vidya Prasarak Mandal and includes cities of Cambridge, Oxford and London. Each city has its own history and charm. This tour is a total of 25 people which includes teachers, students and parents. Dr Vijay Bedekar and Dr Sudhakar Agarkar took the group to each and every significant educational place and explained its history and importance. Every Museum and Academic institution offers something interesting and knowledgeable. Even though you go to learn about educational places, you inevitably get acquainted with their norms, culture and way of life. This tour is a unique opportunity for students to learn and gain more knowledge.

The tour is a ten day tour and the first two days is spent in Cambridge, the next two in Oxford and the remaining days are spent in London. The participants get to stay in hostels of YHA. They get to experience an entirely new way of living including the food, transport, weather, etc.

In Cambridge, the participants visited the Museum of Geology and Archaeology known as "Sedgwick Museum of Earth Sciences". The Museum displayed skeletons of different species of dinosaurs, many different varieties of rocks and shells we didn't even know. King's College Chapel is a highly recommended place to go because not only the architecture is beautiful but also there is an underground passage of sorts where there is the whole history of the Kings and Queens of the country. Trinity college of Cambridge is a true wonder because it is a place of extraordinary knowledge. The educational opportunities created by the College is great. Isaac Newton, the famous Scientist went to study there.

In Oxford, the museums and libraries are a must visit because it teaches you so much and its historical significance is so interesting to learn. Moreover they are so lively and refreshing and not at all typical as what people think of Museums. The Botanic Garden we visited in Oxford was very educative as we learned the names of plants and trees we didn't know existed and also, the botanic names of the plants we knew already.

London is a spectacular place with so much beauty and knowledge. The building of University College Hospital, the old University College London, the new London University, etc are pretty terrific. Travelling in London was done by underground trains which was an altogether new experience for many. Places like Tower of London, Greenwich Observatory, the British Museum and the British Library were some of the major places visited in this tour and each as intriguing and informative as it gets. Each place holds a story, a history, which is very amazing to learn. The Down House was the home of Charles Darwin, the famous English Naturalist and scientist and it gave us an inside look in to his life and the different theories he studied.

This UK tours organised by VPM is indeed once in a life time opportunity for students because it offers students a chance to learn something more, to see and experience their educational institutions which in turn also helps them in choosing a greater career choice for themselves. This is a very unique opportunity for students to go there for studies and increase their education as well as their intellectual capacity. The Student's also get to interact with the citizens for more personal take.

Every single person who crosses your path was meant to be there. Nothing is by chance & we all are connected. Every rain drop is accounted for & was meant to fall at the exact spot it did for & was meant to fall at the exact spot it did. Every moment you live even if you were given the chance to write your decree, any route you take will opt you the exact same way it took place. So be mindful of what you ask for because. He will grant it to you but in a form He intends, a form you may not understand as

appreciate. But it will be what you asked for, Because God knows best....

God knows best....

Like Ghazali a famous poet said

“If we have perfect power to determine our destinies and perfect vision to see the just and know what is best for us, we would choose exactly the gate that God has chosen for us.”

I am Happiness

*I am walking through a journey,
A journey unknown...
Of various epics and legends,
But the story still untold.*

*I am headed towards a mountain,
A mountain so bold.
I am thriving through my journey,
To the destination unknown.*

*I am an individual yet I am a journey,
I am the poem and I am the story ,
I am those winds that often make you smile.
I am that joke which makes you crack.
I am that fragment that ads essence,
I am what you derive from family, friends,
strangers and memories...
I am what you feel when life passes by ...
I am that journey which you never follow but
still I pass by.*

*I am what you see after rain falls,
I am the rainbow...
I am the rainbow of happiness...*

Diary Entry Friday, 24th November 2017

Tanvi Vaswani

F.Y. J.C.Arts

As I open my diary to write today's entry the wind blows over to create waves in me. I am flowing. Not only does the water in the flow but also the dirt, the chemicals, the metals, the acids, the diseases flow along. I feel nauseous and sick.

There had been a time when human beings used to worship me, call me holy and sacred, drink me and about all loved me and respect. They do it even today. The only difference is that, the love and respect for me has reduced to a large extent. I feel neglected. When they loved me a lot, they used me, but did not dump all their dirt and rubbish into me. As they discovered and invented new things, they generated more and more waste, and they had to dump it somewhere; so they chose me.

Why, didn't they think that I have an end too, like everything else? They kept on dumping everything they, thought was not of their use and now I have become nothing more than sewage and filth. I consist of all that is required to cause, epidemics and death. Ironically humans call me 'Ma Ganga' meaning 'Mother Ganges' which I am not any more. I can sense an approaching end but the least I can do is hope, that soon they will realize that I need them to help me and make me what I had been years ago.

Just like every living being, I want to live. And I think living is a term different from existing.

Emotions of a Machine (Bike)

See that horizon? The setting sun?
See that place where the heavens meet the earth?
See what it means, I'm saying this why?
C'mon oh adventurer let me make u fly!
Your shadow runs besides you, first left then right
Racing through emotions, there's no need to fight it.
I don't need a tarmac, I gallop unbounded
I'm here to free your heart and show you sights profound
C'mon o adventurer my saddle awaits
Put on your helmet and open the gates
Swing your leg over, and as you flip the switch
Crank my throttle and hear me sing!
As you wind down the road, remember this feeling
The butterflies in your stomach and your eyes gleaming
As you spur me faster you'll begin to fathom
Now my heartbeats are in sync with yours forever!!

Change in Nature of Terrorism

Vaishnavi P. Dalvi

S. Y. B. Com

(Prize Winning Essay at the competition organised by Students' forum under the directive of Thane Nagar Police Station)

'TERRORISM' is a buzz word in contemporary world. Human beings under the theme of terrorism, are compelled to sit up & reassess their own institution, social structure & future courses of action. Due to exploitation & value causes terrorism is on rise. It transcends national boundaries & has international scarifications. Every country today is facing problem of terrorism.

Terrorism has been defined variously by authors & international conventions, but still no universally acceptable definition has come up. Terrorism is the use threat of violence against small numbers to put large numbers in Feale our as well put by an ancient Chinese philosophy. Kill one Frighten a thousand." Terrorism has become a universal phenomenon in the era of globalization. It includes certain characteristics such as a) violence b) political motive c) objective to instinct Feared, to terrorize d) threat e) collective act f) Involves weapons of unusual sophistication. The world "terrorism" was fiats used in inference to the Reign of terrorist during the French Resolution.

The impact of terrorism in certain cases such as on tourism, foreign direct investment, on savings & consumption, investment on stock markets, on foreign trade, urban economy on national income & growth etc. And other Social impact such as media impression. Anti-legislations. Social recreation to there was & also many others such political impact.

There are various forms of terrorism such as chemicals biological, toxin weapons nuclear & cyber. Chemicals weapons such as vesicants, which blistry & burn on contact, biological weapons all pathogens that cause disease & illness in infected hormones, toxin weapons are primarily illness. Enduring chemicals found from living creatures such as bacteria fungi, plants & animals. As cyber crime is also increasing as internet becomes more pervasive in all areas of

humans endeavour. It's a controversial team. Cyber Terrorism can be also defined as the intentional use of computerizes, network & public internet to cause destruction & harm for personal objectives, Estonia a Baltic country which is constantly evolving in terms of technology became a battleground for cyber terrorism in April 20017. Hence, terrorist are provided with training to operate efficiently & achieve their objectives. Since majority of terrorist incidents involve bombs, explosives training is paramount. The bomb employed against the marine Barracks in Beirut, Lebanon consisted of 12000 to 18000 pounds of explosives arranged in a gas enhanced configuration.

Groups which name used principal religious motives for their terrorist acts all Abu Nodal organization, Abu Sayyad Group, Al-sihad, Al-Qaida, and Ansari al- Islam etc. Many terrorist attack takes places in Jammu & Kashmir. Acceding to recent oblate there are certain attacks such as sukma attack, Chhattisgarh in 2017, Bhopal-Ujjain passenger terrain bombing in 2017, Amarnath Yatra attack 2017 Sukma attack in 2018. India has witnessed the third hugest numbers of terrorist attacks in 2016 more than Pakistan that has slipped to the fourth position according to the eats data compiled by the US state department. Iraq with 2,965 terrorist attacks & Afghanistan with 1,340 terrorist attacks, were ranked first & second position respectively followed by India that 927 attacks & Pakistan at 734 attacks, the department said in its country recipient on terrorism. The terrific attack f Mumbai 26/11 on Top Hotel. The activities of terrorism is getting widely in many sectors. There are increasing cyber crime terrorist our getting more involve in this field. There are certain books which gives the many terrorism forms about there organization, activities etc. such as 'Terrorism' A global challenge. 'Nationalism. Terrorism communalism by 'Peter Heehs' etc.

There should be strict provision & action should be taken to wipe out the Terrorism from all the countries. There are certain laws of anti-terrorism should be imposed such as 'Terrorist & Disruptive Activities (Prevention) Act 1987. The Prevention of

Terrorism Act 2002. The Framework should be made to counter the Terrorism. The laws should be made to harsh against such terrorist. The group off providing finance to such terrorist group should be stopped.

Womanly Sorrows

The following poem depicts the gender inequalities towards women in a male-dominant society. While many of these social evils have been successfully eradicated, few still prevail in today's modern society.

*Being a woman you're told, that you are very weak
On constantly hearing this, you become severely meek
They'll give you more work, but pay you less,
They'll make you feel as if you're completely useless.*

*You are a toy puppet, your strings in their hands,
They'll make you spend your entire lives,
running for their many errands
You'll be given the last preference,
or may be none whatsoever
They opine you're worthless;
That they're the only ones that are clever.*

*"Education is not a lady's cup of tea!"
Such scoffs of discrimination, you must face boldly,
Domestic violence you'll be forced to bear,
They'll treat you like a slave, they haven't a care.*

*You rights will most certainly be denied;
Newborn daughters, they'll kill through infanticide,
"Who ever heard of a woman voting?"
But the men will vote; over this they'll be gloating.*

*Child marriages, harassment; and burning for dowry,
You may be coerced to face it all,
It is a male-dominant society,
And YOU ARE A WOMAN after all.*

*The ancient ones considered you;
As man's better half,
So let me say this to you;
Quite on their behalf.*

*Don't listen to their scoffing, mocking or jeers.
You should be treated like equals, and also as peers
They may make you cry, but pay no heed;
Bloom where you are planted,
A tact it is indeed!*

*A tact that you in life must follow,
As it'll definitely help to ease your sorrow,
And always remember this one thing,
Many a times the world will treat you wrong
But you ought to thank them for making you strong!*

Man Vs Machine

Namita S. Punekar

S.Y. B.B.I.

The 21st century is the age of science, technology & development. In this 21st century man & machine work together effectively & accurately. However, it seems that the man is totally dependent on machines and has become less active. We can say that the machines are becoming more superior to humans.

Human's beings can be multi-talented but machines are not. Humans have a tendency of observant learning and are more familiar with it. Whereas, machines just gives us the output in form of secondary data for the primary data we provide. Humans are the one who have invented these technologies but they are also the one who are overusing it. Which can be dangerous? Overuse of technology may make the human brain numb.

In the field of mathematics, the invention of calculator has been a great help to mathematicians as well as other people. Calculators are more quick & accurate than human brain. Still, the young students can opt for the easy techniques of Vedic math and Abacus which helps to make their brain sharp.

Moving on to the products manufacturing companies the work done by machine is anytime great because, it can manufacture products in large quantities compared to human beings at greater speed & also the product has good finishing's.

In the field of handloom & textile industries the machines till some extent cannot give us the embroidered & intricate designs. These industries need specialized human skills.

Talking about today's tech-savy driven world the artificial intelligence saves a lot of time. Man cannot imagine a single day without mobile phones & laptops.

However, we must limit the use to technology because humans are blessed with intelligence & power whereas. Human intelligence & machine's artificial intelligent in collaboration with each other is best.

Human beings & machines need to go hand in hand for better development of future.

She..

She wants to be in some weird place
A mystic land,
A beautiful place with a dreams grand...
She wants to create a place-
Where legends are written;
She wants to create-
People, places and unknown phases...
In the tendrils of her dream,
She weaves her story...
To make it fiction,
Yet a real glory...
There are moments that she wants to capture no
matter how old she is,
There are dreams in her eyes that she often sees
with her closed eyes ...

There is charm in this world which appeals to her,
It calls to her and makes her "her"
There is so much that she cannot express-
But then there is the power of words – a pen which
helps her express...
There are tendrils of joy that she hasn't touched yet...
There are priceless gems of joyous tears which she
hasn't experienced yet...
There is pain but there is a blessing in too...
There is anguish but there is a realization too ...
There is so much that the world doesn't even know
yet,
So she carves her words for the world to know yet...

Are We Happier Than Our Forefathers?

Aditi Wabchawre

F.Y.B.A.F.

One question often wonders in my mind that :
Are you happy because you are smiling or are you
smiling because you are happy?"

"The foolish man seeks happiness in the
distance.

The wise groins it under his feet."

Too often we underestimate the power of a
smile a touch, a kind word, a listening ear, an honest
compliment or the smallest act of caring, all of which
have the potential to turn a life around when most of
us think about what makes us happy we tend to focus
on the "things" in life that we carve for or long to
own. It is amazing how many "things" everyone
seems to have in their lives and how many more things
we might desire that we believe will make us feel ever
better about ourselves in relation to how we think
others feel about us.

To have happiness the person must be filled with
truth and love. Happiness could be quantified or
objectively measured; it could be still compared
nonetheless.

It is rightly said that. "Not everything that can
be counted counts not everything that counts can be
counted Meaning!!" thus, happiness is a state of being
and not a pile of things.

Turning back the pages of history to ancient
times, modern man feels wonderstruck to see the
hard life of human beings a few centuries ago. If you
think about the life of our forefathers, you would gape
at the hardships they endured. However, we know
you're our hearts that they have attained more
happiness than the modern man has then what makes
happiness so elusive to modern man?

Our forefathers lived longer and led a more
cheerful life with little or no conveniences of modern
man. Our fore of other cherished the wisdom, truth

and virtue they read and loved the knowledge about
the world around us and instead of rebelling against
the order of nature and shin perversions of nature in
love. Life was simple then. Scientific intentions were
net made. There was no electricity so they were
deprived of all the comforts which we enjoy with help
of electricity. Contentment and happiness prevailed
there.

It is not possessions which is considered at the
end, which is but taken as just a means in pursuit of
happiness.

Today's life is governed by the off shoots of
science. Scientific development has outstripped our
spiritual development has outstripped our spiritual or
world progress. Material civilization has made a
wonderful stride but the world development of man
and values have been totally neglected. Our ancestors
enjoyed that inner joy that a modern man has
ascended he throe of god himself. He ton ours how
to fly in the air but has not learnt now to live peacefully
on the Earth. With the passage of time man went on
marching ahead and soon became the master of
universe. The world "impossible" doesn't find place
in his dictionary.

But these scientific developments cannot prove
to be obstacles for the man for sacking happiness.
Research indicates that psychological flexibility is the
key to greater happiness and well-being. Studies have
demonist rated that the way we respond to the
circumstances of our lives has more influence on our
happiness that the events themselves.

Sometimes it seems that it you are expecting
the world to make up happy its simply isn't going it
we are acre to find the energy to offer our own smiles
to others, even when our inner world is falling apart,
that's when we have began to feel the state of
happiness.

Smile Please

Maurya R. Borse

XIth

There was a college going boy, who was always lost in childhood memories. Many characters ran into his mind as he started thinking such as irritated Septuagenarians angry watchmen & of course most prominently his friends. One of the characters were was on old Man. Angry old man, Nobody ever knew, why he was angry but only were afraid of confronting him whenever the Badminton cock or cricket ball flew through the window as he would burst out at them & was never tamed by anyone & everyone. An effort was made by the boy, to make the old bird smile as him, instead of arguing or trying to Rind out the reason for his anger. He succeeded on one Remedy as he wished the old man with as smile & me wished him too with a SMILE!!!

So, sweet why can't we try that too? Smile at someone whom you know that be argues, debates, quarrels of even Right's against you. The same was propagated by the Nation's Either, Mahatma Gandhi. Because all of know that "An eye for an eye will make the whole world blind." Instead a smile can change the mind of someone as well as you to Reel Runes. "The world is a small place & Like is short too" So. Live your life to the Riles & contribute a smile to everyone, thus contributing on art's part to an enormous moment. If we smile everyday there is no need ok celebrating the world laughter day on just one day the year.

Instead of engaging yourself in digital media or social media, engage yourself in other work. Because, Social media your mind & kills your Imagine power. People engaged are not, able to shirt their Rocks quickly from the 'like's & the follower's they get on the social media application. How own ward we feel that we cannot even laugh openly, taking care of our 'status', 'reputation' & what not oh God ! How outstanding are those people. I Reel, seriously, Reel very respected towards them as they in bonus to maintain their reputation control themselves. So much

for conveying their expressions they now use various smiles such as joy, Sorrow gratitude.

There are many who just pass by doing their work with a smile. However, they might be underestimated by the society. The first example, I have in mind is Dr. Murlidhar Amte. He started Medical services for not only for people down with leprosy, but also for tribal people & also started preserving eco-system. He was opposed not only by the society but also by his family member. He himself continued to work and his great work was continued by his sons. Now, he and his families smiles with pride. We too can contribute something to humanity. If the question arises what? Then my answer would be a smile. A smile can change the world. Help anyone with a smile without expecting any rewards or gifts. He will always feel gratitude towards you and He will, himself too will make an effort to help someone else with a smile who knows at the evening of life. What might happen and whom you may need. This chain may also come to you. If any of us, feel that they have last, their smile. Do one thing. This may help you. Do whatever you want. Do what makes you happy. But yes also take care it must not hurt or harm anyone. Things you do must make you happy. Don't engage yourself in social media. It may be a cause for you to not smile as people get addicted to it. Think, what is the issue & what can be the solution, you will not only find solution to only one problem but to many, if you keep it clear to yourself what actually the problem. I know, it is not as easy as to do it, as to say it. But, I suggest you must try it, it's really effectively.

Start smiling & keeping yourself happy. Don't expect it from someone else. Be a leader yourself. I have read somewhere that "Don't expect anything from others, because expectations from others hurt and expectations from yourself inspire."

So, keeping smiling & be happy.

Perseverance – The Key to Success

Clyde Continho

XIth Com.

You have come across the proverb ‘Perseverance is the key to success’. But many of us don’t know the meaning of the word perseverance. I had the same experience. But when I came to know the meaning of the word, I knew I had to convey it to you through this article. According to the oxford Dictionary ‘perseverance’ is the act of striving constantly to achieve something. It is one of the most important human values as it guarantees the key to success-perseverance, ‘Determination’ and ‘Hard Work’ combined form the key to success. Perseverance implies self-discipline, self-control and self-restraint on mind and body.

Human life is full of hardships and misfortunes. As soon as we overcome one hardships and another one takes its place. When we give up at the sight of hardships we become the losers, but then again what is life without challenges? Perseverance is knocking on the door of success again and again and yet again irrespective of the times we fail. We are dishearten when we fail but as some great person said, “Failures are stepping stones to success.” So don’t give up, I say ‘never give up’. People who succeed are heroes, as they made the right choice of not giving up. Gandhiji, Pandit Nehru persevered to gain freedom India demanded. Bill Gates a school drop-out became the owner of Microsoft one of the best companies in the world. These and many others are no extra ordinary human beings, what makes them different is their firm choice of not giving up. People say, “You need strength to succeed. “Gandhiji was strong willed, but not physically strong.” People say, you need money to succeed. If such was the case those our very own Dhirubhai Ambani couldn’t have become the top businessman in the world. People

also say, you need to be young to succeed, then I will remind you of Tensing who conquered the mighty Mt. Everest. Some people who are still not convinced will say you need fame to succeed. Abraham Lincoln was the poorest man in America. His application for post of President was rejected 14 times. He didn’t give up and became the President of U.S.A. and abolished ‘racism’.

These people are not related to each other but have one thing in common a ‘Never Give Up’ attitude. No one’s life is a straight road. Everyone has their own share of difficulties. On this journey of life, some give up without trying, some fight for some time and then give up and then there are those who never give up and reach the pinnacle of success. It doesn’t matter how quickly you succeed. What matters is how many difficulties you conquered in the process. There are infinite things that act as obstacles but also infinite ways to overcome them. The best thing about failure is that you don’t repeat the mistakes that caused them. So try trytill you succeed!

Poet John Greenleaf Whittier wrote:

“When things go wrong as sometimes they will,
When the road you trudge upon seems all uphill,
When funds are low and debts are high,
When you want to smile but you have to sigh,
So stick to the fight when you’re hardest bit
It’s when things seem worse that you shouldn’t quit.”

For those who haven’t heard John Greenleaf Whittier there is a similar saying that extolls the virtue of perseverance “When you earnestly desire something with all your heart the whole universe conspires to give it for you.”

The Value of Discipline

Hansel Fernandes

T.Y.B.Com

Discipline a ten letter word accounting for the 100% success of the top 1% achievers of this world. When speaking about success we often come across traits like determination, expertise, passion and so on but when it comes to 'achievers' do you know what sets them apart from the crowd? It's nothing more than Discipline. Making a decision is not a big task, after all we all make decisions every day, but what makes a difference here is our consistency in doing what we have decided, & being able to stick to our commitments and that is where Discipline comes into the picture. The value of Discipline can be seen and experienced in all walks of life be it at college, at office, at home or in the society.

Discipline has helped, turn ordinary men into billionaires and at the same time, the lack of discipline has resulted in the decline of many as well. All of us as human beings have the same 24 hours hence we need to understand that it is ultimately in our hands to decide how we plan to make the best out of it or to just let these hours slip by. Being disciplined not only helps you get your work done in an organized way but it also helps you to be in control of your time. It enables you to keep a track of your tasks thus ensuring their timely completion.

They say, "Time is all we have and, don't" and so making the most, out of your time is what is of utmost importance and one way of being able to do this is by being organized and disciplined, this helping one to make optimum use of his/her time. Above all it is very important to be self-disciplined because it is only you. Who has the ultimate power over your thoughts and actions and these simple thought and actions when repeated time and again can one day be transformed into huge achievements.

Discipline is not a onetime action but rather it is a way of living. It is something that requires practice, it compels you to jump out of your comfort zone, it forces you to compromise a number of things you would otherwise enjoy doing. It leaves you with no other option but to make sacrifices. It takes away so much from you without even asking but in the end what you get in return from it is always worth it. If life is to progress, we need to understand the value of discipline. If we want to discover our real strengths, we need to imbibe in us the value of discipline and finally if we want to be a SUCCESS someday we definitely need to value, "THE VALUE OF DISCIPLINE".

Escape

*Escaping through a side of fear
to get to know unknown frontiers,
World is a creation of history
exploring is a life of mystery,
Inspiring yourself in adventurous life
travelling yourself in this time,
track yourself in this nature
be yourself in this creature,
Opportunities will come everyday
time will vanish from your way...*

Brother

*One morning I woke up,
And saw you out of nowhere.
They told me
They got me a big brother,
And it got me jealous somewhere.*

*For I was six
And you were eight.
It made me think,
Did I love them less?
Why did they want you there?*

*All of a sudden,
I get a bhai.
I look at your eyes
And I see them nervous,
Just like mine.*

*As we grew,
I saw more of you.
I liked you? Nope.
You made me want to
Use that rope,
To kill you, of course.*

*You hid my doll,
Pulled my hair.
Almost made me fall,
On my bum,
From the stairs.*

*You played those pranks,
Most of them on me.
Scared that guy, Frank,
When you got to know,
Was in love with me.
(Yeah, at six)*

*There was one day,
One day out of the entire year.
When you got me gifts.
And didn't irritate me,
As you normally did.*

*That day was my favorite,
They called it Rakhi.
I got to do all I wished.
And you would,
(Even if you didn't want to)
Comply with it.*

*I was angry.
I had to share all the time.
My food, that mum made.
Love, that Dad gave.*

*I didn't realise then,
But I always got more.
You would always make sure,
I would get a share bigger,
Than you ever got.*

*You irritated me to tears,
Ate off my ears,
(Not literally, for that I'm glad)
But never let come near,
Anything that I feared.*

*I know you love me,
Even though you say
That you don't.
Those eyes that held nervousness
On the first day.
Now adore me
All along.*

*But let's keep it that way,
Cause I too will never say,
How much I love
When you keep me safe.
And how I care for you,
Probably more,
Than I do for dad.*

The Show must go on

*When we don't have a prestigious crown,
We feel so down.
Roaming in the loneliest rounds,
Forget everything that was,
Take a pause.
Let go the cause,
Start with new beginnings
Dream high.
And try to Fly,
See towards the sky,
And tell yourselves,
"the whole sky is mine"
Shut down the doors of rest,
Try your best,
And at last you will be ending this quest.
Take efforts till you achieve your aim,
Think like it's a game
You win or lose,
Doesn't matter at all,
It will be real fun,
If you lose,
Face the Failure being brave,
But don't even try to stop the crave
Forget the pain,
Concentrate on the benefits you gain make
everything easy.
Enjoy your life like the crazy.
Don't worry,
This time will pass soon.
Then you will be experiencing a heavenly boon.
Don't think about the past which is gone,
But remember one thing
The show must go on
The show must go on.*

Without You My Friend

*The Waters' too deep,
The day's too long,
Time is hard to pass
Without you my Friend
My goals too far
My Journey too long,
Days are hard to go
Without you my Friend
The sky is too high,
The space too big,
But I feel one here
Without you my Friend
There is no one to talk,
And no one to walk,
Throughout my struggle
Without you my Friend
I have two ways
One to choose, and to walk on
How can I choose them
Without you my Friend
People say, "life is like an ice cream
Enjoy it before it melts".
But you are the sweetness of my life
So now am I going to enjoy it?
Without you my Friend
You were the one who supported me
in every walk of my life
fought for me, now who will do so?
Without you my Friend
You are the one who won my trust,
I'm not going to wait here now
Who is capable now?
To handle my position
Without you my Friend
I'm always with you
In every walk of life
In every phase of life
Go ahead and fight
But don't forget me
As there is no one in my world
Without you my Friend*

A Widow's Plight

The following poem is based in the olden times in India. This was the time when women were not treated as equals to men; but rather were looked down upon as a burden or slaves.

The poem gives an insight on the crude mistreatment of helpless widows practiced by the highly orthodox society of the time. Any woman whose husband died, due to any reason whatsoever, was blamed for his death, harassed and forbidden to leave the house, i.e. kept under house arrest, by none other than her own family members.

The widow in this poem speaks her plight.

*A widow is who I am
It happened when he died
I wouldn't be a widow
had he survived
They say I killed him,
that I was the one to make him die,
But I didn't do anything,
Why would I? Just tell me why?
I look great care of him and served him to the
best of my ability
He was my idol,
I considered him a great divinity

But why did he have to die that day?
Why, oh why, did he pass away?
He was sitting out on the porch,
As I was on my way to the grocery store
Returning home, in the light of the torch,
Looking at him, I saw that he was no more,
I collapsed then and there, wailing at his feet
Calling everyone from the house, out onto the
street
They all wept and wailed, mourning over his loss,
Then turned sharply to me and shouted,
"You are the cause of this; of course!"

What in my whole life have I ever done;
to be faced with such stark discrimination?
I am n't allowed to leave the house,
a white sari I must wear in the mourning of my
spouse
They broke all my bangles and shaved my head
clean*

*They robbed me of my jewelry, why were they
being so mean?
A friend of mine, as unfortunate as me;
Her husband died too; she was around twenty
three
That day they threw her, into his pyre
And watched as she scorched in the blazing
funeral fire,
She screamed and screamed,
till she could scream no more;
But they all turned a deaf ear and decided to
ignore,
She died that day,
my friend became a sati,
Maybe a good thing, I'd say;
At least – unlike me – she wasn't cursed to infinity

My body is tired and my muscles are weary.
The moon rises, but the nights are bleary.
I sit in my room, my eyes all teary
as each day goes by; dim full and dreary.

To this very day I await
For death to take me to Heaven's Gate
All these years of writing in agony and pain;
Of hours gone by all in vain
Oh Death! Come
Come quickly, I proclaim
Free me from this life of unbearable disdain*

उन्होंने कहा पढ़ाई कर के कुछ नहीं मिलेगा,
उन्होंने कहा घर का काम सीख,
उन्होंने कहा शादी कर ले,
उन्होंने कहा ससुराल का ध्यान रख,
उन्होंने कहा बच्चे सँभाल,
उन्होंने कहा... और मैंने सुना काश मैं सुन नहीं सकता!!!

बहुत भीड़ थी, कभी यहाँ से तो कभी वहाँ से धक्का लग रहा था, बैठने को तो जगह नहीं थी, एक हाथ से बॅग सँभाल के खड़ी थी और एक हाथ हॅन्डल पर था। कॉलेज से घर जा रही थी थकी-हारी। मेरे आगे एक १३-१४ वर्ष की लड़की खड़ी थी, शायद विद्यालय से आ रही थी। मेरी नजर उसपर गई - वह मेरी बहुत ही करीब दोस्त की तरह दिख रही थी, वही रंग-वही रूप, तभी याद आया मेरी दोस्त कि भी एक १३-१४ वर्ष की बहन है। मेरे में जिज्ञासा पैदा हुई उससे मेरे अंदाजे का उत्तर पाने के लिए। जहाँ मैं और मेरी वह दोस्त उतरती हैं वहाँ वह भी उतरी, उतरते ही मैंने उससे पूछा, “क्या तुम्हारी कोई बहन है?” उसने नाही कुछ कहा, नाही

कुछ बोला बस कुछ किया जिसे देख मन को “माफी दे दो” ऐसी भावना आई। उस लड़की ने किया एक इशारा, एक ऐसा इशारा जिसने मुझे बताया, “मैं बोल नहीं सकती, मैं सुन नहीं सकती।”

वह सुन नहीं सकती या “मैं सुन नहीं सकती”... अफसोस है पर जलन भी उससे क्योंकि वह नहीं सुन सकती... वह नहीं सुन सकती इस संसार के लड़कियों के लिए दर्द भरे नियम, वह नहीं सुन सकती कई मजबुरीयाँ जो उसके अपने ही बनाएँगे, वह नहीं सुन सकती ऐसे शब्द नहीं, मन, रुक जा, लड़की है, समाज क्या कहेगा, और बहुत कुछ।

‘समाज’ क्या है? एक स्थान जहाँ हर मनुष्य को इज्जत से जीने का हक मिलता है। ‘हर मनुष्य’ यानी ‘हर स्त्री’ भी क्योंकि वे भी मनुष्य हैं, हम क्यों उन्हें देवी का रूप देकर घर में बैठाकर ऐसी बातें कहते हैं कि उनकी इच्छा कुछ इस तरह हो जाती है...

“काश!, मैं सुन नहीं सकती!!!”

मेरा मकसद

मैं जानता हूँ आगे
बहुत लड़ना है
लेकिन पीछे मुड़कर
कभी नहीं झुकना है

ये खेल जिंदगी का
मुझे अब जितना है
अब इसके लिए मुझे
तूफान को भी भगाना है

मैं अब आग के ऊपर
भी चलूँगा
मैं उबले हूँ कढ़ाई में भी
नहाऊँगा

लेकिन मैं अपनी मंजिल
कभी नहीं छोड़ूँगा
राह पर आने दो
काँटे हज़ार

लेकिन अब मैं
नहीं मानूँगा हार
क्या है जिंदगी?
क्या है मौत ?

मुझे पता है बस
इतना ही लड़ना है
मुझे दोनों से बहुत
मंजिल के तलाश मे

मैं निकला हूँ
जिंदगी कि इस रेस में
मैं खड़ा हूँ
जितकर मैं दिखाऊँगा

देखना तुम सब
क्योंकी लड़ना ही है
मेरा मकसद...!

वो है माँ...!!

प्यारा-सा एहसास है, हर बच्चे की साँस है माँ -

जिसे बचपन से महसूस किया...

जिसके चरणों में जिंदगी बिताई

वो धरा है माँ॥

जिससे अपनी बाँटी बाते वो साथी

जो बिना दर्द दिखाए सब कुछ कर जाती

वो जादू है माँ॥

जो खुद से कम अपने से ज्यादा, बच्चों के बारे में सोचे

जो धरती पर सबसे प्यारा उपहार मिला

वो दुआँ है माँ॥

जिसकी गोद नें मेरी जिंदगी सँवारी

जिसकी आँचल ने मुझे संस्कार से सिंचा

वो नदी है माँ॥

जिसके बातों ने मुझे, इस दुनिया से सामना करना सिखाया

जिसके सिख ने मुझे, सबकुछ हँसकर भूलना सिखाया

वो किताब है माँ॥

जिससे मैंने मासूमियत सीखी-

वो है माँ॥

हिंदी का महत्त्व

हिंदी सीखना, वह समझते हैं व्यर्थ है

वह नहीं जानते इस भाषा का क्या अर्थ है

क्या मोल है हिंदी का, वह न जान पाएँगे

मालूम होगा जब उन्हें, उस पहर वह पछताएँगे

हिंदी संस्कृति है हमारी, यह हमारा जौहर है

इस सभ्य देश की हिंदी भाषा धरोहर है

कल्पना कीजिए अगर हिंदी न होती तो क्या होता

क्या गीतों और फिल्मों में वो मजा होता

क्या कविता और कहानियाँ उतनी मजेदार होती

सच पूछो तो वे बिल्कुल बेकार होती

फिल्मी डायलॉग भी कुछ काम के न होते

टीवी, रेडियो भी सिर्फ नाम के ही होते

क्योंकि हिंदी हमारे दीमाग और दिल में बस जाती है

इसलिए तो वह हमारी राष्ट्रभाषा कहलाती है

हिंदी किसी भी फिल्म, गीत, कहानी की जान है

हिंदी हम हिंदुस्तानियों की पहचान है

हिंदी में प्रेम और अपनेपन का एहसास है

इसलिए तो यह भाषा इतनी खास है

हिंदी भाषा का यह भी एक महत्त्व है

इसी के होने से हम हिंदुस्तानियों का अस्तित्व है

स्वयं की पहचान

एक दिन, एक सुबह,
कोशिश जरूर करना,
छोड़के सारे काम और बाते,
स्वयं को तुम पहचानना।

पाँच मिनट का मौन है काफी,
ध्यान सिर्फ है लगाना,
दोस्त परिवार लोगों को भूलकर,
खुदको खुदसे है मिलाना।

दुसरो की कमियाँ निकालना,
तुम छोड़ दोगे,
जब खुदको तुम परखोगे,
खुदको जानोगे।

द्वेष, मत्सर से हो जाओगे दूर,
सभी को अपनाओगे,
सारा घमंड हो जाएगा चूर,
जब खुदको तुम पाओगे।

जब खुदकी तलाश करोगे,
आगे तुम बढ़ोगे,
खुदको पहचान लिया तो,
जीवन को जान लोगे।

जीवन है क्या?
वो तो सभी के लिए है भिन्न,
जीवन तुम स्वयं हो,
स्वयं को तुम जानो।
जीवन को पहचानो।

मेरी माँ

माँ तेरी आँचल में, मेरा बचपन सँवरा है,
मेरा हर एक आँसू, तेरे हृदय से हो गुजरा है।
जब जन्म हुआ, बहुत छोटी थी, कहाँ मुझे कुछ याद है,
पर मेरे प्रति तेरे परीश्रम का बखुबी मुझको ज्ञान है।
मेरी हर नादानियों को तूने, अपनी एक मुस्कान से टाला है,
तुझमे वह जादू है माँ, जिसने रोते को हँसाना जाना है।
कभी-कभी तेरी सख्ती से, दिल मेरा रुठ जाना है,
पर वही रुठे दिल से आवाज आती, इसमे तेरा ही फायदा है।
भ्रम था मुझे कि एक स्त्री कर्म से ऊँचा कुछ नहीं,
अजीब है माँ, तुझसे ही जाना, मानवता धर्म से सच्चा कोई नहीं।
वह तारा है तू, जिसने अंधेरी रात को रोशन किया,
वह हकीकत है तू, जिसने मेरी जिंदगी में रंग बिखेरा।
डरती हूँ उस पल से माँ, जिस पल तुझसे बिछडना है,
तेरा ही अँश हूँ मैं, अपने आप ही सँभलना है।
दुआँ है मेरी रब से, तुझे उस हवा के भाँती बनाए,
जो दिखे ना, पर जब भी महसूस हो, दिलों-दिमाग में सिर्फ
तेरा ही जिक्र छाएँ।
मेरी जिंदगी की हर खुशी, तेरे कर्ज की मोहताज है,
माँ, एक सच्चाई, तू एक प्यारा एहसास है।

बचपन की यादें

ये उन दिनों की बात है,
जब हम दोनों बच्चे थे।
मन हमारा चंचल था,
और दिल के बडे सच्चे थे।।१।।
बारीश मे साथ भिगते थे,
सर्दों मे साथ छिंकते थे।
जब कार्य मिलता स्कूल से,
बैठकर साथ लिखते थे।।२।।
कभी अपनो से लढ़ते थे,
कभी आपस मे झगड़ते थे।
जब हो जाय मुखालिफ जमाना,
हाथ एक-दुसरे का पकडते थे ।।३।।
सिर को साथ झुकाते थे,
गमों को आँख दिखाते थे।
वो दिन को रात कह दे तो,
हम दिन को रात बताते थे ।।४।।
बचपन में कितनी मस्ती थी,
तब अपनी भी कुछ हस्ती थी।
पर दिल अपना आवारा था,
वो बचपन कितना प्यारा था,
वो बचपन कितना प्यारा था...।।५।।

गम-ऐ-जिन्दगी

जो उज़ड़ गया वो, बसा नहीं
जो बिछड गया वो मिला नहीं
जो दिल ओ नजर का सुरूर था
मेरे पास रहकर भी दूर था
वो एक गुलाब उम्मीद का
मेरी शक्स ऐ जान पे खिला नहीं
मेरा हमसफर भी अजीब है
और अजीब ओ तर हूँ मैं आप भी

मुझे मंजिलो की खबर नहीं
उसे रास्तों का पता नहीं
जिंदगी का वो शक्स भी बड़ा अजीब था
मिला सौ दफा पर कहा कुछ नहीं
की किस कदर कहु पाक/पवित्र उसकी मोहब्बत को
सामने से गुजरा पर नजर उठा के देखा नहीं
कदम तो सबसे मिला लिए हमने
पर हमारा दिल किसी से मिला नहीं।।

सैनिक का संदेश

युद्ध में जखमी सैनिक साथी से कहता है:

'साथी घर जाकर मत कहना, संकेतो मे बतला देना;
यदि हाल मेरी माता पूछे तो, जलता दीप बुझा देना!
इतने पर भी न समझे तो, दो आँसू तुम छलका देना!
यदि हाल मेरी बहना पूछे तो, सूनी कलाई दिखला देना!

इतने पर भी न समझे तो, राखी तोड़ दिखा देना!!
यदि हाल मेरी पत्नी पूछे तो, मस्तक तुम झुका लेना!

इतने पर भी न समझे तो, माँग का सिन्दूर मिटा देना!!
यदि हाल मेरे पापा पूछे तो, हाथों को सहला देना!
इतने पर भी न समझे तो, लाठी तोड़ दिखा देना!
यदि हाल मेरा बेटा पूछे तो, सिर उसका सहला देना!
इतने पर भी ना समझे तो, सीने से उसको लगा लेना!!

यदि हाल मेरा भाई पूछो तो, खाली राह दिखा देना!!
इतने पर भी ना समझे तो, सैनिक धर्म बता देना!

एक सैनिक ने क्या खूब कहा है...

किसी गजरे की खुशबू को महकता छोड़ आया हूँ,
मेरी नन्हीं-सी चिड़िया को चहकता छोड़ आया हूँ,
मुझे सीने से अपनी तू लगा लेना ऐं भारत माँ,
मैं अपनी माँ की बाहों को तरसता छोड़ आया हूँ...

मुस्कान...

मुस्कुराओ... क्योंकि यह मनुष्य होने की पहली शर्त है।
मुस्कुराओ... क्योंकि मुस्कान ही आपके चेहरे का
वास्तविक शृंगार है। मुस्कान आपको किसी बहुमूल्य
आभूषण के अभाव में भी सुन्दर दिखाएँगी।

मुस्कुराओ... क्योंकि दुनिया का हर आदमी खिले
फुलो और खिले चेहरों को पसंद करता है।

मुस्कुराओ... क्योंकि क्रोध में दिया गया आशीर्वाद भी
बुरा लगता है, और मुस्कुराकर कहे गए बुरे शब्द
भी अच्छे लगते हैं।

मुस्कुराओ... क्योंकि परिवार में रिश्ते तभी तक
कायम रह पाते हैं जब तक हम एक दूसरे को
देख कर मुस्कुराते रहते हैं।

मुस्कुराओ... कहीं आपको देखकर कोई किसी
गलत-फहमी में न पड़ जाए क्योंकि,
मुस्कुराना जिंदा होने की पहली शर्त भी है।

जो गया उसे जाने दो

जो चला गया उसे जाने दो, मत सोचो उसे खो जाने दो।
दो पल का था वह मेरा साथी, मानो न वह बन सका हमराही।।
फूलों के उस बाग को देखों मुरझाई हैं उसकी कितनी कलियाँ,
पर क्या उन कलियों के गम में बाग ने खिलना छोडा हैं।
जीवन में वह था मधु का प्याला, मन था मैंने उसे दे डाला,
पर मधुशाला में जाकर देखो कितने प्याले टूट चुके हैं
पर क्या टूटे प्यालों पर कब मधुबन पछताता हैं।।
जो चला गया उसे जाने दो, मत सोचो उसे खो जाने दो।
अरे प्रेम के चक्कर में दुनियाँ बह गई तुम तो नए प्यादे हो,
कभी देश की सीमा पर जाओ कितने सुहाग उजड़ जाते हैं।
पर उन सुहागो के लिए कभी जंग थम जाती हैं।।
आकाश के नील वितान को देखो कितने उसके तारे टूटे,
जो टूट गए फिर कहाँ मिले पर टूटे तारों के लिए कभी
अंबर शोर मचाता हैं।।
जो चला गया उसे जाने दो, मत सोचो उसे खो जाने दो।

सहमी-सी वह

वह सहमी-सी,
ना ही कुछ कहती, ना ही कुछ जताती
रोती और बर्दाश्त करती,
लोगों की कटुता व कठोरता।
वह सोचती और हिम्मत जुटाती,
सोचती कि हैं कोई उसका सहारा,
हैं कोई उसका मजबूर रक्षक,
उसका छाता, उसके पापा।।
पर जब पिछे मुड़ती,
तब लगता की हिम्मत खो गई,
आज वह छाता कमजोर हैं,
लोगो की बुराई व कुटनीति से।
फिर वह डर जाती,
कि अब उसे कौन सँभालेगा,
किसके भरोसे वह आगे बढ़ेगी,
ठोकर खाकर जब वह गिरेगी,
तब कौन उसे उठाएँगा।।
इसलिए वह हैं सहमी सी।

आँसू

छलक जाती हूँ कभी हो खुशी या गम,
नाम हैं मेरा आँसू कर देती हूँ मैं आँखे नम।
पत्थर जैसी आँखो से मोम बनकर छलकती हूँ,
जब हो दुख के बादल बरसात बनकर बरस पड़ती हूँ।।
हूँ मैं सबकी आँखों में, मैं नहीं होती किसी से दूर,
नही अगर जानते मुझे, तो उनकी आँखे देखो जो हैं मजबूर।
मैं व्यथा बतलाती नहीं समझ जाते हैं सब मुझे,
कभी समझों उनकी परेशानी भी जिनकी आँखों मे हूँ मैं मौजूद।।
मोह-माया की झूठी दुनियाँ मेरा दिखावा करती हैं,
यही तो कारण हैं जो 'मगरमच्छ के आँसू' कहलाती हैं।
समय-समय की बात हैं, समय बढ़ा हैं बलवान,
हूँ कभी खुशी बनकर आँखों में, तो कल हो भी
सकती हूँ अनजान।।

दो दिनों की जिंदगी

जिंदगी पुरी कटती रहीं दो पैरों पर
मौत ने आते ही चार कंधे माँग लिए।
अगर इस दुनिया में कस्मे सच होती,
तो सबसे पहले खुदा मरता।
जो सहारा तू न हो, तो हम परेशान हो जाए।
मुश्किलें तो जान ही ले ले अगर आसान हो जाए।
जवानी में जवानी को धुल करतें हैं।
जो लोग भूल नहीं करते भूल करतें हैं।
लोगों ने मुझसे इतनी कमीयाँ निकाली है की,
अब मेरे पास खुबीयों के अलावा और कुछ न बचा।
मुसलमान अगर मुल्क कहे, हिंदू अगर हिंदुस्तान कहे,
देश तो तब बनेगा सोने का जब इसे कोई इन्सान कहे।
भूल जिंदगी भर में यहीं बार-बार करता रहा।
धुल थी चेहरे पर और मैं आईना साफ करता रहा।
शाम के अंधेरे का खौफ कैसा होता है?
पूछों उन परिदों से जिनके घर नहीं होते।
हाथों के लकीरों पर मत जा ऐ नादाँ,
नसीब तो उनके भी होते है, जिनके हाथ नहीं होते।

भारत माँ

क्यों ये दंगे कराते हो,
क्यों कुछ नोट और वोट के लिए देश को जलाते हो,
क्या मिलता है ऐसा करके,
क्यों भारत माँ को रुलाते हो।
जात-पात धर्म-भेद करके,
खुद को भारत माँ के पुत्र कहलाते हो,
क्या मिलता है ऐसा करके,
क्यों भारत माँ को रुलाते हो।
एक अकेली लड़की पर दस दस मिलकर जुल्म ढाते हो,
तो फिर किस हक से खुद को भारत के वीर कहलाते हो,
क्या मिलता है ऐसा करके,
क्यों भारत माँ को रुलाते हो।
तीन रंगो का तिरंगा,
क्यों खुद को अलग रंगो मे दर्शाते हो,
क्या मिलता है ऐसा करके,
क्यों भारत माँ को रुलाते हो।
नन्ही-सी जान है
भारत माँ की बेटी वो,
क्यों उसकी साँसे जन्म से पहले ही छीन लेते हो,
क्या मिलता है ऐसा करके,
क्यों भारत माँ को रुलाते हो।

यादें

क्या तुम्हे याद है
पहली बार तुमने मुझे
अपना नाम पूछा मगर
मैं गुमसूम ही रहा।

जुबान पर कुछ आया न था
तुमने न जाना मेरा हाल
दिल में ऐसी चाहत बनी
रातों में नींद आए न आई।

क्या तुम्हे याद है
वो हसीन रात थी
दो धडकने नजदीक होती
मुँह से लेकिन मेहगुम थी।

कहना था शायद उसको भी
देखते ही अनदेखा करती
खो गया सवालियों में ऐसे
ढल गया समय में पल।

क्या तुम्हे खबर है
फुरसत में सोचता हूँ
दिल की खबर दिल को नही
यही एकतरफा प्यार है।

क्यों ?

समाज में रहते हैं, पर समाज का हिस्सा क्यों नहीं।
बंदिशे हैं हम पर, लेकिन हक क्यों नहीं।
सबको देते हैं दुआँ, फिर क्यों बने खुद के लिए बद् दुआँ।
समाज तो अपना न सका, जबकी कानून ने अपना लिया।

माँगे मिलती नहीं, वेसे तो नौकरी,
चाहे जितनी भी कर लें हम चाकरी।
माँग के नहीं, लेकिन कमाकर खाना चाहते हैं,
पूरे हक् से नहीं, पर इज्जत से जीना चाहते हैं।

ना पुरुष और ना स्त्री, बस यही है हमारी गलती,
क्यों हमें त्यागते समय, माँ बाप कि आँखे नहीं पिघलती
शिक्षित बनना चाहते हैं, पर देनेवाला कोई नहीं,
खुशिया देना चाहते हैं, पर लेनेवाला कोई नहीं।

पाप नहीं किया कोई, फिर क्यों मिली ये सजा
क्यों कुदरत कि देन, बन गई इसकी वजह
मदत ना कर सको तो, मुश्किलें भी खडी न करना,
प्यार ना सही, पर नफरत भी ना करता।

कभी तुझे और कभी तेरी छाया को ठुकराया
जिसे समझा था उजाला, वो तो थी काली रात
तुने कितना समझाया, पर सुनी न तेरी बात

बिन पंख में उड बैठा, थोडा उछला थोडा एठा,
तुने जमीन दिखाया, मैंने बंदिशे समझ लिया,
तुने प्यार से डाँटा, मैंने रंजिशे समझ लिया

आज एहसास होता है, तेरे जाने के बाद,
कि तुझे जान न सका, अपना खुदा मान न सका।
क्यों समझने में देर हो गई,
पलभर में माँ, तू कहाँ खो गई।

मेहसूस हुई कमी आज, तेरे जाने के बाद,
कि तेरी आँचल तले सोना चाहता हूँ।
कि तेरी गोद में सिर रखके रोना चाहता हूँ।
कि तेरी प्यार भरी डाँट खाना चाहता हूँ,
तुझे दुनिया की सारी खुशियाँ देना चाहता हूँ।

जाने क्यों ये एहसास आया, और आया भी तो,
तेरे जाने के बाद।

वक्त

आ गई परिक्षा है,
अंको की भिक्षा है,
बज रहे ढोल हैं।
गुँज रहे बोल हैं।

दिमाग हद से ज्यादा भरे हुए।
परिक्षा के डर से डरे हुए।
कौन हमे अब ये बतलाए।
कि अब आगे क्या किया जाये।

ध्यान से तू ध्यान दे।
वक्त को पहचान ले।
वक्त ये अनमोल है।
इसके भी कई बोल हैं।

हर बोल मे बतला रहा।
कि वक्त है अब जा रहा।
इस वक्त को तू थांम ले।
वक्त की एहमियत पहचान ले।

कौन से वो बोल हैं?
जो बतलाते वक्त का मोल हैं,
माता, पिता और यार हैं,
जो करते हमसे प्यार हैं।

जो वक्त के बारे मे बतलाते हर बार हैं।
पर हमे इनकी बातें लगती बेकार हैं।
वक्त के बार मे दूजों से क्या हैं तू पुछता
वक्ता का सारा सार देनेवाले तेरे घर में भी दो-चार हैं।

खुशी

खुशी छोटेसे ख्वाब में भी है
और बाग के महकते गुलाब में भी है।
खुशी राह में भी है
और किसी के चाह में भी है।

खुशी दिन के आराम में भी है
और करनेवाले हर काम में भी है।
खुशी कुछ पाने के जुनून में है
और मदत करने के सुकून में है।

खुशी बहती हुई झील में भी है
और मिलनेवाली मंजिल में भी है।
खुशी दिलसे निकली सच्चाई में है
और दुसरो की भलाई में भी है।

खुशी हर अच्छे कर्म में है
और मानवता के धर्म में है।
खुशी मन से की गई मस्ती में है
और अरजों तक निभाई दोस्ती में है।

खुशी बच्चों कि शरारत में भी है
और बडो कि मोहब्बत में भी है।
खुशी जिंदगी को आव्हान बनाने में है।
और दुसरो को मुस्कान दिलाने में है।

खुशी बहते हुए पानी में भी है
और उभरती हुई जवानी में भी है।
खुशी लोगो के लिए कुछ करने में है
और देश के लिए मरने में है।

खुशी खुद को समंदर बनाने में भी है
और नदी बनकर राह चुनने में भी है।
खुशी मंदिर में पुजा करने में भी है
और मस्जिद में नमाज पढ़ने में भी है।

खुशी प्यार में है, तकरार में है
सही मायने से देखो तो, इंतजार में भी है।
खुशी धरती में है, सितारों में है
दुनिया के सारे नजारों में है।

खुशी आज में है, कल में है
और जिंदगी के हर पल में है।
खुशी सारे आसमान में है
और आसमाँ तले सारे जहान में है।

श्रीमद्भगवद्गीतेचे महत्त्व शब्दांनी वर्णन करणे कोणालाच शक्य नाही कारण हा एक अत्यंत रहस्यपूर्ण ग्रंथ आहे. या ग्रंथात वेदांचे तात्पर्य जरी सांगितले असले तरी थोड्याशा अभ्यासाने माणूस ती सहज जाणू शकतो. परंतु तरीही या ग्रंथाचा आशय इतका सखोल आहे की सतत अभ्यास करूनही त्याचा थांग लागत नाही. श्रीमद्भगवद्गीता हे असे अनुपम शास्त्र आहे की ज्यात सदुपदेशा व्यतिरिक्त एकही शब्द नाही. म्हणून प्रत्येक व्यक्तिला श्रीमद्भगवद्गीता'' वेगवेगळ्या पद्धतीने अनुभवता येते. हे असे यास्त्र आहे की ज्याचा आपण दररोजच्या जीवनात उपयोग करू शकातो.

भगवद्गीता हा महाभारताचा एक महत्त्वाचा भाग आहे यात ७०० श्लोक असून ते १८ अध्यायांमध्ये वेगवेगळ्या योगद्वारा सांगितले आहेत. महर्षी व्यासांनी भगवद्गीता लिहिली असे म्हणतात. कुरुक्षेत्रावर रणांगणामध्ये युद्धाच्या आणि अर्जुन यांच्यातला संवाद असून त्यामध्ये श्रीकृष्णाने अर्जुनाच्या शंकांचे निरसन करून सदुपदेश केला आहे.

“कर्मण्येवाधिकारस्ते मा फलेषु कदाचन ।
मा कर्मफल हेतुर्भूमि ते सङ्गोऽस्त्वकम्रणि ॥”

ऐकून आपले कर्तव्य पार पाडले त्याचप्रमाणे आजच्या काळातही हा ग्रंथ आपण आपली कर्तव्ये कशाप्रकारे पार पाडली पाहिजेत याचा उपदेश करतो हा ग्रंथ आजच्या काळातही खूप उपयोगी ठरतो म्हणून भगवद्गीता ही काळाची गरज आहे असं म्हटलं तर चुकीचे ठरणार नाही.

१) योग्य दृष्टीकोन निर्माण करणे :-

युद्धाच्या प्रारंभी जेव्हा अर्जुन आपली कर्तव्ये पार पाडण्यास असमर्थ होतो तेव्हा श्रीकृष्णाने त्याच्या सर्व शंकांचे निरसन करत काही प्रसंगी आपला योग्य दृष्टीकोन किती महत्त्वाचा असतो हे पटवून दिले आहे.

२) बदल हा निसर्गाचा नियम आहे :-

गीतेत सांगितल्याप्रमाणे प्रत्येक गोष्ट बदलत असते म्हणून प्रत्येकाने नवीन गोष्टींचा स्विकार करून काही नवीन गोष्टी निर्माण करून आणि शेवटी योग्यप्रकारे त्यावर उपाय

काढता आला पाहिजे. यामुळेच आपल्याला नवीन संधी उपलब्ध होतात आणि नवीन गोष्टी अनुभवता येतात.

३) सहनशक्ती आणि क्षमा करणे :-

आपल्या भावनांवर नियंत्रण ठेवून आपली सहनशक्ती तसेच एखाद्याला क्षमा करणे या दोन महत्त्वाच्या गोष्टी या ग्रंथातून आपल्याला समजतात. यामुळेच आजच्या काळात काही प्रसंगी आपल्या सहनशक्तीचा कस लागतो. ज्यावर उपाय कसा करायचा हे भगवद्गीतेतून समजते.

४) नकारात्मक विचार बदलणे :-

नेहमी सकारात्मक विचार केल्याने आपल्याला योग्य दृष्टीकोन समजल्यास मदत होते. आपला आत्मविश्वास वाढल्यामुळे आपण आपल्या ध्येयापर्यंत पोहचू शकतो.

५) मनःशांती आणि नीडरता :-

मनःशांती ही आजच्या काळातील अत्यंत महत्त्वाची गरज आहे. यामुळे चांगल्या आणि वाईट प्रसंगी तणावमुक्त राहण्यास तसेच आपल्याला योग्य निर्णय घेण्यास मदत होते. ज्ञानाच्या अभावामुळे आपल्यात जी भीती निर्माण होते त्यामुळे आपण भावना नियंत्रित करण्यास असमर्थ होतो. ज्ञान मिळवण्यासाठी अथक प्रयत्न करून आपण भीतीवर मात करू शकतो.

६) कोणत्याच गोष्टी कायमस्वरूपी नसतात:-

ज्याप्रमाणे दिवस संपल्यावर रात्र होते आणि रात्र संपल्यावर पुन्हा दिवस होतो अर्थात कोणत्याच गोष्टी या कायमस्वरूपी नसतात म्हणूनच अपयश येऊनही अथक प्रयत्न करून अपयशाला यशात बदलण्याचा प्रयत्न केला पाहिजे.

७) कर्तव्याचे पालन :- भगवद्गीतेत सांगितल्याप्रमाणे प्रत्येकाने आपले कर्म करणे अत्यंत गरजेचे आहे परंतु कर्म करूनही फळाची अपेक्षा करू नये. म्हणजेच आपली कर्तव्ये योग्यरितीने पार पाडली तर आपल्याला योग्यप्रकारे त्याचे फळ मिळते.

८) कृती करणे :-

अनेक वेळा आपण आपल्या अडचणींचाच विचार करत असतो. पण त्यातून बाहेर पडण्यासाठी प्रयत्न करत नाही म्हणून प्रथम कृती करणे अत्यंत महत्वाचे आहे.

म्हणूनच भगवद्गीता हा फक्त ग्रंथ नसून संपूर्ण जीवनाचे सार आहे. यामध्ये खूप सोप्या भाषेत जीवनाचे सत्य सांगितले

आहे परंतु ते समजण्यास अत्यंत कठीण आहे. म्हणूनच आपल्या दररोजच्या आयुष्यातील उदाहरणे देत श्रीकृष्णाने आपल्या कर्तव्याची जाणीव फक्त अर्जनालाच नाही तर अप्रत्यक्षपणे प्रत्ये मनुष्याला करून दिली आहे. म्हणून भगवद्गीतेचे महत्त्व प्रत्येकाने जाणून घेऊन ती दररोजच्या जीवनात कशी उपयोगी ठरेल याचा विचार केला पाहिजे.
